Building an Ark Ethan Smith, Guy Dauncey, 2007-11-01 *Building an Ark* 101 Solutions to Animal Suffering is a first of its kind inspiring look at practical solutions for the humane treatment of animals and animal liberation Animal cruelty has many forms factory farms habitat destruction animal product testing the abuse and neglect of companion animals the illegal trade in endangered species unsustainable fishing and climate change All these create unnecessary suffering for animals and destroy animal rights For several decades there has been a global movement building an ever increasing consciousness that will soon affect animal welfare and the future of life on Earth if it s given time to do so *Building an Ark* is the story of this movement Extensively researched and drawing on practical examples from around the world it provides a voice for both the animals and the humans who have dedicated their lives to building a sustainable future for all species The ark is ready for all to board Individuals action groups schools businesses governments farmers fishers developing nations there s a role for everyone on this journey *Building an Ark* offers a host of solutions that if adopted will ensure that animals will suffer less today and that humans and animals will share a more sustainable planet tomorrow Ethan Smith is a writer animal welfare advocate and author editor of the anthology *Softly On This Earth* Joining Those Who Are Healing Our Planet Guy Dauncey founded the Solutions Project and is author of several books including *Stormy Weather* 101 Solutions to Global Climate Change

Above All, Be Kind Zoe Weil, 2003-10-21 A pioneer in the humane education movement shares an essential guide for new parents who want to raise their children with genuine compassion In *Above All Be Kind* Zoe Weil teaches parents how to raise their children to be humane in the broadest sense This includes being more compassionate in their interactions with family and friends also means growing up to make life choices that demonstrate respect for the environment other species and all people The book includes chapters for early middle teenage and young adult years as well as activities issue sidebars cases tips and profiles

EcoKids Dan Chiras, 2005-06-01 To forge a sustainable future we need citizens who care for the Earth We need citizens who understand that planet care is the ultimate form of self care But we also need generations who live according to their values and convictions and who can effect positive change in their lives and the lives of others Because public schools and the popular media cannot be counted on to produce an Earth friendly citizenry the task falls to parents Yet even aware parents often lack the understanding and resources to take on such a task *EcoKids* addresses this gap by presenting a coherent plan that will help parents foster love for nature teach children the importance of environmental protection and promote environmental values and inspire action actions that will last a lifetime A hopeful and inspiring guide for parents topics covered include ways to avoid gloom and doom in favor of positive solutions foster love and empathy for nature develop environmental values put values into action help children discover the roots of problems and be part of lasting solutions walk the talk counter the consumer culture starting in your own home and community generate hope and combat apathy Each chapter includes an inspiring case study of a child who s making a difference short pieces that

highlight serious problems such as global warming along with positive solutions that can be read aloud to children and activities for children A resource guide lists helpful books articles videos and organizations *Vegetarian Times* ,1994-06 To do what no other magazine does Deliver simple delicious food plus expert health and lifestyle information that s exclusively vegetarian but wrapped in a fresh stylish mainstream package that s inviting to all Because while vegetarians are a great vital passionate niche their healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans VT s goal To embrace both **Rescuing Rover** Raymond Bial,2011 Looks at the problem of dog overpopulation in America discusses the role of puppy mills pet stores and independent breeders and includes a profile of a local animal shelter **Resources in Education** ,1997 **The International Handbook of Animal Abuse and Cruelty** Frank R. Ascione,2010 Animal abuse as a predictor of abuse against humans has been documented extensively Experts have explored alternatives to identify the early signs and stop the cycle This book offers an up to date compendium that covers the historical legal research and applied issues related to animal abuse and cruelty **Most Good, Least Harm** Zoe Weil,2009-01-06 With a world steeped in materialism environmental destruction and injustice what can one individual possibly do to change it While the present obstacles we face may seem overwhelming author and humane educator Zoe Weil shows us that change doesn t have to start with an army It starts with you Through her straightforward approaches to living a MOGO or most good life she reveals that the true path to inner peace doesn t require a retreat from the world Rather she gives the reader powerful and practicable tools to face these global issues and improve both our planet and our personal lives Weil explores direct ways to become involved with the community make better choices as consumers and develop positive messages to live by showing readers that their simple decisions really can change the world Inspiring and remarkably inclusive of the interconnected challenges we face today Most Good Least Harm is the next step beyond green a radical new way to empower the individual and motivate positive change *Vegetarian Times* ,1994-08 To do what no other magazine does Deliver simple delicious food plus expert health and lifestyle information that s exclusively vegetarian but wrapped in a fresh stylish mainstream package that s inviting to all Because while vegetarians are a great vital passionate niche their healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans VT s goal To embrace both **Strong Spirits, Kind Hearts** Sandra Finney,2013-05-23 Strong Spirits Kind Hearts is the first practical teacher resource to provide comprehensive coverage of all aspects of developing strong spirits and caring young people It is focused on middle years students but most lessons can be adapted for older and younger students as well This resource describes ways to incorporate emotional and spiritual supports into daily routines and interactions with students and provides ready to use activities lessons and units that can be integrated into subject area teaching This book helps teachers to understand the importance of strengthening students spirits and how this support improves students learning and classroom moralebuild resilience and hope through their interactions with students distinguish between the development of

strong spirits and religious education use approaches that are respectful of religious and spiritual diversity as well as more secular views. Implement a wealth of strategies, lessons, and units that develop students' compassion and sense of connection to others and the natural world.
