Stonecampbell Movement An Anecdotal History Of Three Churches:

The Stone-Campbell Movement Leroy Garrett,1983 **The Encyclopedia of the Stone-Campbell Movement** Douglas A. Foster,2004 Over ten years in the making The Encyclopedia of the Stone Campbell Movement offers for the first time a sweeping historical and theological treatment of this complex vibrant global communion Written by more than 300 contributors this major reference work contains over 700 original articles covering all of the significant individuals events places and theological tenets that have shaped the Movement Much more than simply a historical dictionary this volume also constitutes an interpretive work reflecting historical consensus among Stone Campbell scholars even as it attempts to present a fair representative picture of the rich heritage that is the Stone Campbell Movement **BOOK JACKET** *The Trinity in the Stone-Campbell Movement* Kelly D. Carter,2015-05-10 An assessment of Trinitarian thought in the two hundred year old Stone Campbell Movement including suggestions for ways in which the renewal of Trinitarian doctrine can revitalize the church s life and mission Throughout its history the Stone Campbell Movement has noticeably neglected Trinitarian doctrine prohibiting a biblical understanding of God as Trinity from significantly impacting the movement s churches This book attempts to rectify this weakness in three ways First a focus on the Trinitarian positions of Thomas Campbell Alexander Campbell and Barton W Stone sheds new light on the early shapers of the movement Second the book lays out specific ways in which the movement would benefit by a biblically grounded Trinitarianism and the contributions of contemporary trinitarian theologians And third it presents a plan for the advancement of biblical Trinitarian doctrine among Stone Campbell churches Significant contributions of this study include the most thorough examination to date of Trinitarian doctrine in Stone Campbell thought an original presentation of the historical theology that stands behind the Trinitarian positions of Thomas Campbell Alexander Campbell and Barton W Stone and a fresh proposal regarding the roots of Barton Stone s quasi Arianism **The Stone-Campbell Movement** Leroy Garrett,2002 *Hard-Fighting Soldiers* Edward J. Robinson,2024-01-12 In the first full length scholarly synthesis of the African American Churches of Christ Edward J Robinson provides a comprehensive look at the church s improbable development against a backdrop of African American oppression The journey begins with a lesser known preacher F F Carson in many ways a forerunner in the struggles and triumphs awaiting the preachers and lay people in the congregations to come Robinson then builds on scholarship treating well known figures including Marshall Keeble and G P Bowser to present a wide ranging history of African American Churches of Christ from their beginnings when enslaved people embraced the nascent Stone Campbell Christian Movement even though founder Alexander Campbell himself favored slavery The author moves on to examine how the churches grew under the leadership of S R Cassius even as Jim Crow restrictions put extreme pressure on organizations of any kind among African Americans Robinson s well researched narrative treats not only the black male leaders of the church but also women leaders such as Annie C Tuggle as well as notable activities of the church including music education and global evangelism

thus painting a complete picture of African American Churches of Christ Through scholarship and compelling storytelling Robinson tells the two hundred year tale of how black believers survived and thrived on the discarded scraps of America forging their own identity fashioning their own lofty ecclesiology and hard theology and creating their own papers lectureships liturgy and congregations A groundbreaking exploration by a seasoned scholar in American religion Hard Fighting Soldiers is sure to become the standard text for anyone researching the African American Churches of Christ

The Life of Selina Campbell Loretta Marie Long, 2013-09-06 This first biography of Selina Campbell opens a window onto the experience of women in one of the most dynamic religious groups of 19th century America Loretta M Long examines the life and influence of Selina Campbell one of the most visible women in the 19th century Disciples of Christ movement Best known as the wife of Alexander Campbell founder of the Disciples Selina Campbell both shaped and exemplified the role of women in this dynamic religious group also known as the Stone Campbell movement Her story demonstrates the importance of faith in the lives of many women during this era and adds a new dimension to the concept of the separate spheres of men and women which women like Campbell interpreted in the context of their religious beliefs A household manager mother writer and friend Campbell held sway primarily in the domestic sphere but she was not held captive by it Her relationship with her husband was founded on a deep sense of partnership conditioned by their strong faith in an all powerful God Each of them took on complementary roles according to the perceived natural abilities of their genders Alexander depended on Selina to manage his property and raise the children while he traveled the country preaching Campbell outlived her husband by 30 years and during that time published several newspaper articles and supported new causes such as women in missions In the end as Long amply demonstrates Selina Campbell was neither her husband's shadow nor solely a domestic worker She was in her husband's eyes a full partner and a fellow soldier in the cause of Restoration

From Legalism to Freedom Dallas R. Burdette, 2008-08 In 1517 Martin Luther took a stand for justification by faith alone in the finished work of Christ upon Calvary As a result of his position he suffered persecution for adhering to the Scriptures alone and not to traditions This book traces my spiritual journey from legalism to freedom in Christ In sixteen chapters I map out my heritage within the Churches of Christ and the motivations that eventually led me out of bondage to liberty One of the lengthiest chapters in this book is Where the Scriptures Speak One objective of this chapter is to help individuals to understand that one may speak where the Bible speaks and not necessarily speak as the Bible speaks Chapters 11 12 and 13 represent the very heart of my escape from authoritarianism to my dependence upon God's righteousness a righteousness from God through faith in Jesus Chapter 14 focuses on preaching in the early church Without an understanding of the Gospel that the apostles proclaimed Christians will never learn the spirit of toleration for differences within the Christian community Chapters 8 15 and 16 give attention to the Last Supper The communion should be a constant reminder of the Cross and true unity among God's children Chapter 1 2 and 3 outline my original journey of faith Dallas

Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God s people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary

The Democratization of American Christianity Nathan O. Hatch,1989-01-01 Looks at changes in the Christian church just after the American Revolution and explains how the desire for democracy led to the rise of new religious movements

Union in Truth James B. North,2019-02-27 This history of the Restoration Movement looks at why it exists where it has succeeded and why it has sometimes failed to accomplish the goal of Christian union and the goal of biblical authority

Biblical Preaching and Teaching Dallas R. Burdette,2010-09 One objective of this book is to set forth an interest in the Book of Ephesians and the Book of Philippians Ten studies are developed from Ephesians in order to explain predestination election and the richness of God s grace Chapters 11 and 12 advance God s salvation with an emphasis in Chapter 11 concerning the role of women in sharing the message of redemption Chapter 13 examines one s life before rebirth and life after rebirth Chapter 14 looks carefully at arguments adopted to condemn instrumental music in the Christian assembly The next seven chapters 15 21 investigate several statements from the Book of Philippians with accent upon God working in us to accomplish His outreach to the lost Three chapters 22 24 look at the purpose of the church church and ministry and the identification of the church Chapter 25 sets forth the biblical date for the Exodus as well as biblical chronology versus liberal chronology The next chapter 26 looks at the prophetic ministry Chapters 27 and 28 review the prophet Jonah with an emphasis upon his psychological setback in his first refusal to carry out God s command to go to Nineveh Chapter 29 discusses God s admonition to Joshua Chapters 30 32 scrutinize 1 Timothy 2 11 15 which in depth study is an overview of the Pastoral Epistles This study seeks an answer to Paul s negative declaration about the participation of women in the church at Ephesus These particular women were involved in the telling of stories about their gods and goddesses as well as the practice of magic They did not understand the true nature of Jesus The next three chapters 33 35 analyze the identity of Jesus And finally Chapter 36 is written from an apologetic viewpoint which reading concentrates upon the cell to demonstrate that there is an Intelligent Designer

Reviving the Ancient Faith Richard Thomas Hughes,1996 This pathbreaking book by Richard T Hughes chronicles the history of Churches of Christ in America from their inception in the early nineteenth century to the 1990s taking full account of the complexity of their origins the mainstream of their heritage for almost two hundred years and their voices of protest and dissent especially in the twentieth century From The Critics Hughes here provides the definitive history of the Churches of Christ from their beginnings in the Stone Campbell movement of the early 19th century through the split with the Disciples of Christ at the turn of the century and all the way into the

1990s Central to this richly detailed and highly readable narrative is Hughes's assertion that this religious movement has evolved from a 19th century sect into a 20th century denomination. Choice Because of Hughes's elegant writing and his awareness of the social history surrounding the developing denomination, this study transcends mere denominational history and should be read as cultural history. It should remain the standard volume on the subject for years to come. Publishers Weekly Hughes provides a clear, balanced account of an American religious movement that has heretofore received insufficient scholarly attention. Journal of American History An excellent denominational history of Churches of Christ. Richard T. Hughes, who admirably balances an empathy born of his lifelong membership in the denomination with the standards of a professional historian, labored on this book for a decade and a half, and the result is a study both thoroughly researched and clearly written. American Historical Review Hughes is the foremost interpreter today of the Churches of Christ, as this book illustrates. Well written and meticulously documented, this book could serve as the definitive history of this movement for a generation. Religious Studies Review American Originals Paul K. Conkin, 2000-11-09 In a work of striking breadth and clarity, Paul Conkin offers an even-handed and in-depth look at the major American-made forms of Christianity, a diverse group of religious traditions, each of which reflects a significant break from Western Christian orthodoxy. Identifying six distinctive types, Conkin examines the major denominations representative of each original variety of American Christianity: restoration Churches of Christ, Disciples of Christ, humanistic Unitarians, Universalists, apocalyptic Adventists, Jehovah's Witnesses, Mormon Church of Jesus Christ of Latter-day Saints, spiritual Christian Science, Unity, and ecstatic Holiness and Pentecostal denominations. Focusing on the early years and maturation of these groups, he discusses their founders and leaders, origins and Old World roots, and essential doctrines and practices. Conkin closes each chapter with a guide to further reading. The first comprehensive survey of these American originals, this book will serve as a valuable resource on a number of religious traditions whose members not only comprise a significant percentage of the American population but also make up an increasing proportion of Christian converts worldwide. Baptist Theology James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology, embracing in one common trajectory the major Baptist confessions of faith, the major Baptist theologians, and the principal Baptist theological movements and controversies. This book spans four centuries of Baptist doctrinal history, acknowledging first the pre-1609 roots, patristic, medieval, and Reformational of Baptist theology; it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries, from Helwys and Smyth and from Bunyan and Kiffin to Gill, Fuller, Backus, and Boyce, and that were quickened by the awakenings and the missionary movement. Concurrently, there were the Baptist defense of the Baptist distinctives vis-à-vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition. Then, during the nineteenth and twentieth centuries, the liberal versus evangelical issues became dominant, with Hovey, Strong, Rauschenbusch,

and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal American Religious Leaders Timothy L. Hall, 2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life **Old Texts Through New Eyes** Dallas R Burdette, 2009-03 Christians frequently slaughter freedom of conscience with fanatical dogmatism It is not uncommon for various fellowships of God s people to lay an embargo on freedom in favor of their own exclusive doctrine or understanding of the Scriptures One objective of this book is to set Christians free from sectarianism The views set forth in this book are not bound by party ties It is my desire that these writings will assist Christians in their desire to escape the prevailing forms of radicalism manifested by so many sincere and devout believers In my fifty eight years of preaching and teaching I have witnessed that men and women for the most part are afraid of freedom This volume examines the philosophy of what we teach is true and what others teach is false Among some bodies of believers freedom of investigation is rigidly shackled The chapters in this book seek to defuse the attitude that the one who refuses to comply with the status quo is no longer a brother in Christ The diversity of the chapters in this book refutes the prevailing opinions of many Christians my opinion is the only sound one flawless and incontestable Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God s people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary **Restoration and Philosophy** J. Caleb Clanton, 2024-01-12 A product of the Second Great Awakening of the nineteenth century the Stone Campbell Restoration Movement gave rise to such denominations as the Church of Christ a cappella the Christian Church Disciples of Christ and the independent Christian Churches Churches of Christ While scholars have examined many of the historical ecclesial socio cultural and biographical dimensions of this indigenously American religious tradition few have singled it out for philosophical exploration and critique In Restoration and Philosophy editor J Caleb Clanton and a team of philosophers engage with the Stone Campbell Restoration tradition to address issues related to epistemology philosophy of science philosophy of religion moral philosophy aesthetics environmentalism and race Along the way the authors help to contextualize the Stone Campbell Restoration tradition within American religious history and within Christian philosophy more generally and they show its

continuing relevance today Scholars and students of philosophy and religious studies as well as ministers and those interested in this uniquely American Christian tradition will benefit from this carefully edited thoroughly researched and highly readable collection of essays by eminent philosophers and religious scholars **Torn Asunder** Ben Brewster,2006-08
