Wilde, 2025-01-18 She was at her wits end and though she didn't want to die she couldn't see how she was going to stop what seemed to be inevitable Kalista Wilson was living on borrowed time My name is Kalista Wilson at least it was until I became Cassia Martin I never thought I'd have to run from the life I built with my own hands I never thought I'd have to leave behind my work my identity or my home in Melbourne But here I am hiding in Sydney with a name that isn't mine wondering if I'll even live to see tomorrow The fear started as a whisper in my mind growing louder with each accident First Harvey Wood a gas explosion in his home Then Darren Loughman brake failure and a car accident And finally Gavin Story a fall in front of an oncoming tram Three brilliant minds who shared my vision for the future gone in the blink of an eye And now I know beyond

doubt I m next Was I naive Did I let ambition blind me The offer to move to that state of the art lab in East Melbourne seemed like a dream but now I wonder if it was all a carefully laid trap I felt the unease before I could name it a prickling sensation on the back of my neck whenever I stayed late the sensation of being watched My instincts told me something wasn t right and when the accidents started piling up I knew staying would mean my death I couldn t tell anyone Who would believe me I m not exactly someone with a close knit group of friends to lean on I ve always kept to myself my world revolving around formulas prototypes and breakthroughs But when survival demanded it I left everything behind I packed what I could bought a fake ID and became Cassia Martin Starting over wasn t easy but desperation makes you resourceful I found a job at a security company in Sydney of all places The irony isn t lost on me someone like me needing protection from forces I can t even identify Jonas Whitney and Kyle Lawrence run the company and they re good at what they do Maybe too good because when one of their staff recognized me my fragile cover shattered When Jonas and Kyle confronted me I expected rejection or worse exposure Instead they swore to protect me They re determined to shield me from the shadowy figure hunting me down But who will shield me from them Their presence stirs something inside me I thought I d buried long ago something I can t afford to feel not now I m terrified yes But I m also angry Furious even Whoever is after me underestimates me and that might be their downfall I won t let fear control me I ve come too far sacrificed too much I m not just a physicist running for her life I m Kalista Wilson a survivor And I will fight to reclaim the future I ve dreamed of even if it means trusting the two men who have the power to break my heart Becky Wilde is an accomplished author better known as Becca Van She has published over 150 steamy romantic novels in the menage genre while writing for Siren Bookstrand Now self publishing on Whimsical Words Publishing and delivering her own blend of emotion and intriguing books without cliffhangers and happy conclusions
