

ALLEN CARR'S EASY WAY TO STOP SMOKING

Listening to this book is all you need to do to give up smoking. You can even smoke while you listen. There are no scare tactics, you will not gain weight and stopping will not feel like deprivation. If you want to kick the habit then go for it.

Allen Carr has helped millions of people become happy non-smokers. His unique method removes your psychological dependence on cigarettes and literally sets you free.

Assessing L2 Listening Gary J. Ockey, Elvis Wagner, 2018-08-08 This book is relevant for language testers listening researchers and oral proficiency teachers in that it explores four broad themes related to the assessment of L2 listening ability the use of authentic real world spoken texts the effects of different speech varieties of listening inputs the use of audio visual texts and assessing listening as part of an interactive speaking listening construct Each theme is introduced with a review of the relevant literature and then is examined through either two or three empirical studies The notion of authenticity underlies each of these four themes By creating more authentic test tasks that are similar to real world language tasks test developers can create listening assessments that not only more effectively assess test takers communicative competence but can also have a positive washback effect on educational systems
