Cassidy,2006-07-14 Richard Cassidy s Accountability A Noun or a Verb takes the simple premise of we are all accountable for our behavior and explores the significant relationship between accountability and our personal and professional successes What does it mean to be accountable It means taking responsibility and not considering oneself the hapless victim If one is stopped and ticketed for driving sixty in a forty five mile zone is it logical to blame the police officer It also means creating a vision of the life most desired and working toward achieving that vision It s not enough to be accountable one must also be willing to put in the time Many years of observing individuals and organizations confirmed Cassidy s long held belief that men and women who take responsibility for their lives

and the action required to move forward are more successful and more fulfilled But what must we do to reach that point According to the author an in depth and truthful analysis of who we are our values and beliefs must first be undertaken By having a clearer picture of what we believe and how we exercise those beliefs we move one giant step closer to that ultimate state of self satisfaction and achievement     *The Literary Digest* Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,Arthur Stimson Draper,Wilfred John Funk,1914     **Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World** Edward Jewitt Wheeler,Isaac Kaufman Funk,William Seaver Woods,1914     Urban Waterfront Revitalization ,1980     *Urban Waterfront Revitalization* United States.
