Kathryn Cullen-DuPont

Surrogate Motherhood Womens Rights And The Working Class:

Surrogate Motherhood, Women's Rights, & the Working Class Cindy Jaquith, 1988 Examines how surrogate mother contracts exploit children and women rights and responsibilities in child raising and how these questions relate to the working class struggle for economic justice and social progress

Surrogate Motherhood, Women's Rights, and the Working Class Cindy Jaquith, 1988

Women's Reproductive Rights H. Widdows, A. Emaldi Ciri3n, 2005-12-16 Based on country reports and practical input from researchers and activists in the field this book is an up to date account of the issues surrounding women s reproductive rights across Europe The contributions provide astute theoretical analysis of existing problems and suggest innovative alternatives The book brings together authors from academia policy making and international institutions to ensure comprehensive representation and thorough commentary of the issues

Women's Rights and Women's Lives in France 1944-1968 Claire Duchen, 2003-09-02 Women s Rights and Women s Lives In France 1944 1968 explores key aspects of the everyday lives of women between the Liberation of France and the events of May 68 At the end of the war French women believed that a new era was beginning and that equality had been won The redefined postwar public sphere required women s participation for the new democracy and women s labour power for reconstruction but equally important was the belief in women s role as mothers Over the next two decades the tensions between competing visions of women s proper place dominated discourses of womanhood as well as policy decisions and had concrete implications for women s lives Working from a wide range of sources including women s magazines prescriptive literature documentation from political parties government reports parliamentary debates and personal memoirs Claire Duchen follows the debates concerning womanhood women s rights and women s lives through the 1944 1968 period and grounds them in the changing reality of postwar France

Surrogate Motherhood Martha A. Field, 2009-07-01 With an Expanded Appendix on the Current Legal Status of Surrogacy Arrangements A practice known since Biblical times surrogate motherhood has only recently leaped to prominence as a way of providing babies for childless couples and leaped to notoriety through the dramatic case of Baby M Contract surrogacy is officially little more than ten years old but by 1986 five hundred babies had been born to mothers who gave them up to sperm donor fathers for a fee and the practice is growing rapidly Martha Field examines the myriad legal complexities that today enmesh surrogate motherhood and also looks beyond existing legal rules to ask what society wants from surrogacy A man s desire to be a biological parent even when his wife is infertile the father s wife usually adopts the child has led to this new kind of family and modern technology could further extend surrogacy s appeal by making gestational surrogates available to couples who provide both egg and sperm But is surrogacy a form of babyselling Is the practice a private matter covered by contract law or does adoption law govern Is it good or bad social and public policy to leave surrogacy unregulated Should the law allow encourage discourage or prohibit surrogate motherhood Ultimately the answers will depend on what the American public wants In the difficult process of

sorting out such vexing questions Martha Field has written a landmark book Showing that the problem is rather too much applicable law than too little she discusses contract law and constitutional law custody and adoption law and the rights of biological fathers as well as the laws governing sperm donation Competing values are involved all along the legal and social spectrum Field suggests that a federal prohibition would be most effective if banning surrogacy is the aim but federal prohibition might not be chosen for a variety of reasons a preference for regulating surrogacy instead of driving it underground a preference for allowing regulation and variation by state or a respect for the interests of people who want to enter surrogacy arrangements Since the law can support a wide variety of positions Field offers one that seems best to reconcile the competing values at stake Whether or not paid surrogacy is made illegal she suggests that a surrogate mother retain the option of abiding by or canceling the contract up to the time she freely gives the child to the adopting couple And if she cancels the contract she should be entitled to custody without having to prove in court that she would be a better parent than the father

Women's Rights and Women's Lives in France 1944-68 Claire Duchen,2024-11-01 Women s Rights and Women s Lives In France explores the everyday experiences of women between the liberation and May 1968 In 1945 French women believed that a new era was beginning for them in which they had finally won equality the right to vote in 1944 equal pay and access to education and employment But the new Republic considered that women s main role was that of motherhood Competing visions of women s place had concrete implications for women s lives influencing work politics and ideals of femininity Working from a wide range of sources including women s magazines prescriptive literature political pamphlets fiction and memoirs and government reports Claire Duchen follows the debates concerning women through twenty years and grounds them in the changing social reality of postwar France *Surrogate Motherhood and the Politics of Reproduction* Susan Markens,2007 In an analysis of legislative responses to surrogacy in New York and California the author explores how discourses about gender family race genetics rights and choice have shaped policies aimed at this issue She examines the views of legislators women s organizations religious groups the media and others *The Palgrave Handbook of Reproductive Justice and Literature* Beth Widmaier Capo,Laura Lazzari,2022-09-10 This handbook offers a collection of scholarly essays that analyze questions of reproductive justice throughout its cultural representation in global literature and film It offers analysis of specific texts carefully situated in their evolving historical economic and cultural contexts Reproductive justice is taken beyond the American setting in which the theory and movement began chapters apply concepts to international realities and literatures from different countries and cultures by covering diverse genres of cultural production including film television YouTube documentaries drama short story novel memoir and self help literature Each chapter analyzes texts from within the framework of reproductive justice in an interdisciplinary way including English Japanese Italian Spanish and German language literature and culture comparative literature film South Asian fiction Canadian theatre writing gender studies Deaf studies disability studies global health and medical humanities and sociology

Academics graduate students and advanced undergraduate students in Literature Gender Sexuality and Women s Studies Cultural Studies Motherhood Studies Comparative Literature History Sociology the Medical Humanities Reproductive Justice and Human Rights are the main audience of the volume **The Politics of Motherhood** Alexis Jetter,Annelise

Orleck,Diana Taylor,1997 Essays and interviews explode the myth of apolitical motherhood by showing how 20th century women have politicized their role as mothers in a wide range of social contexts **Modern Motherhood** Jodi

Vandenberg-Daves,2014-05-26 How did mothers transform from parents of secondary importance in the colonies to having their multiple and complex roles connected to the well being of the nation In the first comprehensive history of motherhood in the United States Jodi Vandenberg Daves explores how tensions over the maternal role have been part and parcel of the development of American society Modern Motherhood travels through redefinitions of motherhood over time as mothers encountered a growing cadre of medical and psychological experts increased their labor force participation gained the right to vote agitated for more resources to perform their maternal duties and demonstrated their vast resourcefulness in providing for and nurturing their families Navigating rigid gender role prescriptions and a crescendo of mother blame by the middle of the twentieth century mothers continued to innovate new ways to combine labor force participation and domestic responsibilities By the 1960s they were poised to challenge male expertise in areas ranging from welfare and abortion rights to childbirth practices and the confinement of women to maternal roles In the twenty first century Americans continue to struggle with maternal contradictions as we pit an idealized role for mothers in children s development against the social and economic realities of privatized caregiving a paltry public policy structure and mothers extensive employment outside the home Building on decades of scholarship and spanning a wide range of topics Vandenberg Daves tells an inclusive tale of African American Native American Asian American working class rural and other hitherto ignored families exploring sources ranging from sermons medical advice diaries and letters to the speeches of impassioned maternal activists Chapter topics include inventing a new role for mothers contradictions of moral motherhood medicalizing the maternal body science expertise and advice to mothers uplifting and controlling mothers modern reproduction mothers resilience and adaptation the middle class wife and mother mother power and mother angst and mothers changing lives and continuous caregiving While the discussion has been part of all eras of American history the discussion of the meaning of modern motherhood is far from over **Surrogate Motherhood** Lawrence O. Gostin,1990-05-22 glimpses of intriguing changes in social

arrangements and cultural understandings in relation to surrogacy Disturbing motherhood indeed New Scientist Larry Gostin has put together the definitive collection of essays on one of the most perplexing and titillating topics in contemporary medical ethics This book includes contributions from some of the leading scholars on the legal ethical and social aspects of surrogacy as well as several critical perspectives on the famous Baby M case must reading for understanding the surrogate motherhood controversy Robert M Veatch Highly recommended Choice a valuable resource for those concerned with an

exceedingly difficult ethical legal and political problem Ethics There is a wealth of information here on the current status questionis in the United States and anyone involved in the surrogacy debate in the U S or otherwise will find working through this material very worthwhile Canadian Philosophical Review an excellent sample of some of the best and most varied thinking so far on the numerous conceptual moral social and policy questions raised by contract motherhood The Journal of Clinical Ethics **Surrogacy, Law and Human Rights** Paula Gerber,Katie O'Byrne,2016-03-03 Surrogacy presents particularly complex questions for human rights law and theory This book provides a unique and insightful examination into the underexplored issues of how domestic and international law is responding to the sharp increase in the use of surrogacy The work presents critical analysis of the current regulation of surrogacy via domestic law in Australia India and the USA and international law in the form of the UN Convention on the Rights of the Child Including a wide range of views from academics and practitioners around the world the contributors consider what could be done to further protect the rights of all persons involved in surrogacy arrangements This in depth study of the international and domestic law governing surrogacy provides much needed scholarly knowledge of this contemporary phenomenon along with recommendations for improvement regulation and reform The book will be of great importance to human rights and legal scholars and well as practitioners in this field Women's Rights in the United States Tiffany K. Wayne,2014-12-09 A comprehensive encyclopedia tracing the history of the women s rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women s rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women s activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

Encyclopedia of Women's History in America Kathryn Cullen-DuPont,2014-05-14 A collection of biographical information about outstanding women in American history *Globalization and Transnational Surrogacy in India* Sayantani DasGupta,Shamita Das Dasgupta,2014-02-14 From computer support and hotel reservations to laboratory results and radiographic interpretations it seems everything can be outsourced in our globalized world One would not think so with parenthood however especially motherhood as it is a fundamental activity humans have historically preserved as personal and private In our modern age however the advent and accessibility of assisted reproductive technologies ARTs and the ease with which they have traversed global borders has fundamentally altered the meaning of childbearing and parenting In the twenty first century parenthood is no longer achieved only through gestation adoption or traditional surrogacy but also

via assisted reproductive technologies ARTs where science and technology play lead roles Furthermore in a globalized world economy where the movement and transfer of people and commodities are increasing to serve the interests of capitalism gamete donation and surrogate birth can traverse innumerable geographic socio economic racialized and political borderlands Thus reproduction itself can be outsourced This edited volume explores one specific aspect of the new assisted reproductive technologies gestational surrogacy and how its practice is changing the traditional concept of parenthood across the globe The phenomenon of transnational surrogacy has given rise to a thriving international industry where money is being legally exchanged for babies and reproductive labor has taken on a lucrative commercial tone Yet law research and activism are barely aware of this experience and are still playing catch up with rapidly changing on the ground realities This interdisciplinary collection of essays assuages the dearth of knowledge and addresses significant issues in transnational commercial gestational surrogacy as it takes shape in a peculiar relation between the West primarily the United States and India

Transnational Feminist Itineraries Ashwini Tambe, Millie Thayer, 2021-07-06 Transnational Feminist Itineraries brings together scholars and activists from multiple continents to demonstrate the ongoing importance of transnational feminist theory in challenging neoliberal globalization and the rise of authoritarian nationalisms around the world The contributors illuminate transnational feminism's unique constellation of elements its specific mode of thinking across scales its historical understanding of identity categories and its expansive imagining of solidarity based on difference rather than similarity Contesting the idea that transnational feminism works in opposition to other approaches especially intersectional and decolonial feminisms this volume instead argues for their complementarity Throughout the contributors call for reaching across social ideological and geographical boundaries to better confront the growing reach of nationalism authoritarianism and religious and economic fundamentalism Contributors Mary Bernstein Isabel Maria Cortes o Casimiro Rafael de la Dehesa Carmen L Diaz Alba Inderpal Grewal Cricket Keating Amy Lind Laura L Lovett Kathryn Moeller Nancy A Naples Jennifer C Nash Amrita Pande Srila Roy Cara K Snyder Ashwini Tambe Millie Thayer Catarina Casimiro Trindade

Contract Children Daniela Danna, 2015-07-01 Surrogate motherhood is expanding all over the world Debates rage over how public policy should consider the signing away of the parental rights of birth mothers in favor of a commissioning couple or an individual In this book Daniela Danna describes the situation in English speaking countries and worldwide from California to Greece presenting the legal alternatives regulating or not these peculiar exchanges Should surrogacy remain a private agreement Should it be treated as an enforceable contract Are surrogate mothers workers What happens inside the countries that have chosen different ways of handling this new and controversial matter And the most important question of all How can we live in this era of new techno medical possibilities and try to stay human Can we resist commodification in the field of human relations concerning procreation Contract Children discusses the different ways available to obtain a child through surrogate motherhood It is fundamental reading for anyone wanting to be involved in the surrogacy process It gives

prospective surrogate mothers and infertile couples the background information necessary for their own informed decision It is also an essential instrument for policy makers and activists in the field of women s rights social justice and children s rights The question of how to publicly deal with surrogate motherhood touches upon our social vision of motherhood ultimately marking the position of women in contemporary society

Critical Perspectives on Work and Employment in Globalizing India Ernesto Noronha,Premilla D'Cruz,2017-03-30 This book showcases issues of work and employment in contemporary India through a critical lens serving as a systematic scholarly and rigorous resource which provides an alternate view to the glowing metanarrative of the subcontinent s ongoing economic growth in today s globalized world Critical approaches ensure that divergent and marginalized voices are highlighted promoting a more measured perspective of entrenched standpoints In casting social reality differently a quest for solutions that reshape current dynamics is triggered The volume spans five thematic areas subsuming a range of economic sectors India is a pre eminent destination for offshoring underscoring the relevance of global production networks Theme 1 Yet the creation of jobs has not transformed employment patterns in the country but rather accentuated informalization and casualization Theme 2 Indeed even India s ICT related sectors perceived as mascots of modernity and vehicles for upward mobility raise questions about the extent of social upgrading Theme 3 Nonetheless these various developments have not been accompanied by collective action instead there is growing evidence of diminished pluralistic employment relations strategies Theme 4 Emergent concerns about work and employment such as gestational surrogacy and expatriate experiences attest to the evolving complexities associated with offshoring Theme 5

Gender, Power and Relationships Charlotte Burck,Bebe Speed,2006-11-22 Gender Power and Relationships is a follow up volume to Gender and Power in Families Routledge 1989 which marked a milestone in the application of feminist thinking to therapeutic work with families bringing new ideas to students trainers and professionals Contributions from leading practitioners demonstrate how feminist ideas have been taken up by therapists in a variety of different settings The chapters explore and extend previous debates on sexual and physical abuse and ethnicity addressing the many contradictions and dilemmas inherent in this work for feminist systemic approaches They also consider changing family structures and the role of men within them gendered aspects of HIV prevention and work with women drug addicts and a variety of other approaches each set in the context of an overview of feminist theories of the family

Medical Law Emily Jackson,2022 Providing a clear and accessible guide to medical law this work contains extracts from a wide variety of academic materials so that students can acquire a good understanding of a range of different perspectives

Surrogate Motherhood Womens Rights And The Working Class Introduction

In the digital age, access to information has become easier than ever before. The ability to download Surrogate Motherhood Womens Rights And The Working Class has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Surrogate Motherhood Womens Rights And The Working Class has opened up a world of possibilities. Downloading Surrogate Motherhood Womens Rights And The Working Class provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Surrogate Motherhood Womens Rights And The Working Class has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Surrogate Motherhood Womens Rights And The Working Class. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Surrogate Motherhood Womens Rights And The Working Class. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Surrogate Motherhood Womens Rights And The Working Class, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Surrogate Motherhood Womens Rights And The Working Class has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is

crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Surrogate Motherhood Womens Rights And The Working Class Books

1. Where can I buy Surrogate Motherhood Womens Rights And The Working Class books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
