A Survey of Christian Ethics Edward Le Roy Long, 1967 This book surveys the major thinking about Christian ethics as found in books published or distributed in the United States from the mid sixties to the end of the seventies In the first half of the book Professor Long updates the analysis he first expounded in 1967 in his widely praised study *A Survey of Christian Ethics* Part one examines the literature dealing with moral reasoning thinking about laws and codes and ethics done in terms of situations and relationships Part two examines published work that stress the importance of institutions politics in operational terms and efforts to think of Christian fidelity as expressed in special communities outside or opposed to the civic mainstream In part three Professor Long examines works concerned with the nature and function of the moral agent covering such topics as attention to virtue and character the nature and role of conscience and thinking about the implications of moral development theory Part four describes three new frameworks for doing ethics that have been developed during the last fifteen years vocational ethics and policy studies liberation theology and comparative

religious ethics      A Bibliographic Guide to the Comparative Study of Ethics John Braisted Carman, Mark Juergensmeyer, William Darrow, 1991-04-26 This bibliography is the culmination of four years work by a team of noted scholars its annotated entries are organised by religious tradition and cover each tradition s central concepts offering a judicious selection of primary and secondary works as well as recommendations of cross cultural topics to be explored Specialists in the history and literature of religions and comparative religion will find this bibliography a valuable research tool      **Christian Ethics** Norman L. Geisler, 2010 This update of a classic text evaluates contemporary ethical options and pressing issues of the day from a biblical perspective      Moral Passion and Christian Ethics Robin Gill, 2017-03-06 Using a range of disciplines this book explores the relationship between moral passion and rational ethical deliberation      A Textbook of Christian Ethics, 3rd Edition Robin Gill, 2006-09-14 Robin Gill s Textbook of Christian Ethics has been a popular course book with students and lecturers for over 20 years Now in its third edition this classic textbook has been completely revised to bring it up to date with recent developments in the field of Christian Ethics All the popular features of the previous editions have been retained in this new edition The book s main strength has always been its layout and structure Integrating primary texts with explanatory material from the author the book provides the student with a reader and textbook combined The new edition focuses more strongly on current debates in all sections and expands on a variety of topics with contributions on natural law approaches virtue ethics in a pluralistic postmodern world the influential notion of the common good just war theory genetics and biotechnology euthanasia and global justice and sex and gender issues Important modern contributions to Christian ethics are set out alongside classical texts from Augustine Aquinas and Luther The modern writers range from thinkers such as Niebuhr Barth and Bonhoeffer to recent liberation and Third World theologians Each series of texts is systematically analysed The differing ethical positions and arguments are examined together with the social and historical factors which shaped them      Media Ethics Clifford G. Christians, Mark Fackler, Kathy Brittain Richardson, Peggy Kreshel, 2016-10-04 Media Ethics Cases and Moral Reasoning challenges readers to think analytically about ethical situations in mass communication through original case studies and commentaries about real life media experiences This text provides a comprehensive introduction to the theoretical principles of ethical philosophies facilitating ethical awareness It introduces the Potter Box with its four dimensions of moral analysis to provide a framework for exploring the steps in moral reasoning and analyzing the cases Focusing on a wide spectrum of ethical issues faced by media practitioners the cases in this Tenth Edition include the most recent issues in journalism broadcasting advertising public relations and entertainment Visit the companion website at [www.mediaethicsbook.com](http://www.mediaethicsbook.com)      **A Textbook of Christian Ethics** Robin Gill, 2014-01-16 Robin Gill s A Textbook of Christian Ethics continues to be popular with students and lecturers it is difficult to find another textbook in the field that combines primary texts with extensive analysis and commentary This 4th edition has been extensively revised and it incorporates up to date developments in the field of Christian ethics Gill retains all the popular features of the previous

editions including its layout and structure and in this new edition he also focuses on current debates including such topics as global Christianity global economics euthanasia and global justice and the environment Human Perfection, Transfiguration and Christian Ethics Robin Gill, 2024-05-16 Most people would agree that human perfection is unattainable Indeed theologians have typically expressed ambivalence about the possibility of human perfection Yet paradoxically depictions of human perfection are widespread In this volume Robin Gill offers an interdisciplinary study of human perfection in contemporary secular culture He demonstrates that the language of perfection is present in church memorials popular depictions of sport food music and art liturgy and philosophy He contrasts these examples with the socio psychological concept of maladaptive perfectionism using commercial cosmetic surgery as an example as well as the adaptive perfectionism suggested in the lives of Henry Holland Paul Farmer and more ambivalently Ludwig Wittgenstein Gill then provides an in depth analysis of New Testament and Septuagint usage of teleios and theological debates about the human perfection of Jesus He argues that the Synoptic accounts of the Transfiguration offer a template for a Christian understanding of perfection that has important ecumenical implications within social ethics Love and Christian Ethics Frederick V. Simmons, Brian Sorrells, 2016 At the heart of Christian ethics is the biblical commandment to love God and to love one's neighbor as oneself But what is the meaning of love Scholars have wrestled with this question since the recording of the Christian gospels and in recent decades teachers and students of Christian ethics have engaged in vigorous debates about appropriate interpretations and implications of this critical norm In Love and Christian Ethics nearly two dozen leading experts analyze and assess the meaning of love from a wide range of perspectives Chapters are organized into three areas influential sources and exponents of Western Christian thought about the ethical significance of love perennial theoretical questions attending that consideration and the implications of Christian love for important social realities Contributors bring a richness of thought and experience to deliver unprecedentedly broad and rigorous analysis of this central tenet of Christian ethics and faith William Werpehowski provides an afterword on future trajectories for this research Love and Christian Ethics is sure to become a benchmark resource in the field **Encyclopedia of Ethics** Lawrence C. Becker, Charlotte B. Becker, 2013-10-18 The editors working with a team of 325 renowned authorities in the field of ethics have revised expanded and updated this classic encyclopedia Along with the addition of 150 new entries all of the original articles have been newly peer reviewed and revised bibliographies have been updated throughout and the overall design of the work has been enhanced for easier access to cross references and other reference features New entries include Cheating Dirty hands Gay ethics Holocaust Journalism Political correctness and many more **Ethics and Values in Psychotherapy** Alan Tjeltveit, 2003-09-02 Ethics and Values in Psychotherapy is an examination of the role of the therapist as ethicist and the ways in which the ethical convictions of both therapist and client contribute to the practical process of psychotherapy As Psychotherapy strives to establish itself as a Profession practitioners are increasingly focusing on the issue of ethics as they

attempt to agree on guidelines and standards for professional practice Alan Tjeltveit argues that any discussion of professional and ethical practice in psychotherapy is inadequate if carried out in ignorance of or in isolation from traditional ethical theories He applies this approach to issues such as the role of therapy in society the goals and outcomes of psychotherapy techniques and practices the existence and operation of values the intellectual and social context in which therapy takes place In the second part of the book he uses clinical examples and case studies to relate this theoretical discussion to clinical practice Ethics and Values in Psychotherapy will be welcomed by the growing number of experienced Psychotherapists and post graduate students who are interested in the increasingly contentious issue of professional ethics

**The Ethics of Belief: Theory** Kenneth Cauthen, 2001 In these two volumes Kenneth Cauthen thoroughly examines what he terms the ethics of belief Simply stated Cauthen posits that ethics are a matter of the convictions that individuals and communities have about what is right and wrong good and evil He contrasts this with a more traditional view that morality is based upon principles that are universally valid and objectively true Using a biological and historical approach in Volume 1 Cauthen systematically develops a theory of Christian ethics based on what love agape and justice mean in contemporary society He examines the interface between our complex civilization and some of the radical demands of the New Testament Cauthen's ultimate goal is for readers to ask themselves How would Christ have us live in the 21st century In Volume 2 Cauthen spells out the implications of this ethical theory for a wide variety of contemporary topics He takes forthright and controversial positions on a number of social and personal issues including abortion illegal drugs prostitution assisted suicide capital punishment church and state relations religion and politics democracy poverty health care wealth and income distribution affirmative action and homosexuality The Ethics Of Belief is a thought provoking work that delves deeply into some of our world's most timely yet timeless issues A nationally recognized authority on theology and ethics Kenneth Cauthen is the John Price Crozer Griffith Emeritus Professor of Theology at Colgate Rochester Divinity School Crozer Theological Seminary He is the author of several seminal works that have become standard texts such as The Impact of American Religious Liberalism which was selected for a special White House library on American history and culture His CSS publications include the groundbreaking volumes The Many Faces Of Evil and The Ethics Of Assisted Death Cauthen received his education from Mercer University B A Yale Divinity School B Div Emory University M A and Vanderbilt University Ph D

Pastoral Ethics, Second Edition W. Ross Hastings, 2025-08-19 Pastors regularly face concrete ethical questions and they too pursue a moral life In the busyness of ministry it can be tempting to think pragmatically or derive one's ethics from the latest cultural concerns But standard approaches to ethics whether deontological utilitarian or virtue ethical all fall short of being distinctly Christian Ethics ought to be grounded in the gospel and in our triune God In Pastoral Ethics W Ross Hastings provides pastors with an evangelical and trinitarian framework for moral formation and ethical discernment For Hastings ethics must be reclaimed as theological Theology without ethics becomes Gnosticism Ethics without theology leads to

legalism and death Christian ethics participates in God's life and God's work This communion with God leads to obedience to his commands as summed up in the Decalogue and over several chapters Hastings provides a rich exposition for pastoral formation Pastors find their identity in God and this inspires right thinking and acting with regard to authority life and death sexuality work and rest speech and desires An approach to ethics that prompts faith hope and love Pastoral Ethics is an essential guide for Christians in all ministry contexts

**Religious Convictions and Political Choice** Kent

Greenawalt,1991 How far may Americans properly rely on their religious beliefs when they make and defend political decisions Are decisions based on religious convictions compatible with liberal democratic premises Kent Greenawalt dissects such issues as abortion and animal rights to illustrate secular and religious bases for decision making concluding that citizens cannot be expected to rely exclusively on rational secular grounds

**A New Identity of Obligation: Metaphors and Paul's Ethical Argument in Romans 6:1-14** Andrés D. Vera,2025-06-19 In Romans 6 1 14 Paul corrects an erroneous ethical conclusion drawn from the narrative of God's grace in Romans 3 5 This innovative study employs tools from cognitive linguistics to unveil Paul's sophisticated rhetorical strategy for resolving the indicative imperative tension By moving beyond traditional theological frameworks the book shows how Paul presents believers new identity as defined by a new obligation illuminating the metaphorical narrative that undergirds Paul's logic Readers will better understand the importance of conceptual spaces like in sin and in Christ and how Paul conceptualizes the relationship between believers and their old selves who have been crucified

**Ethics** Arthur F. Holmes,2007-11-29 Arthur Holmes addresses the questions What is good What is right How can we know In this second edition he also surveys a variety of approaches to ethics including cultural relativism emotivism ethical egoism and utilitarianism all with an acknowledgment of the new postmodern environment
