## **Survival In Beirut A Diary Of Civil War:**

**Survival in Beirut** Lina Mikdadi Tabbara, 1979      Survival in Beirut Lina Mikdadi Tabbara, 1979      Women and Islam: Social conditions, obstacles and prospects Haideh Moghissi, 2005 Offering writings in Middle East studies by renowned scholars and by the new generation of scholars of Islam and gender this collection includes a wide variety of cases from Middle Eastern and Islamic societies By including case based articles the collection highlights the clear links between concepts and theories and actual practices      **Surviving the Siege of Beirut** Lina Mikdadi Tabbara, 1983 In the summer of 1982 Israel unleashed its so called Operation Peace for Galilee on Lebanon The Israeli armed forces conducted hundreds of air raids dropping thousands of tons of bombs killing and maiming countless men women and children The author of *Surviving the Siege of Beirut* stayed in West Beirut the main focus of the attacks throughout the war recording the events around her with painstaking honesty and passion The result is a vividly informative account from the viewpoint of those who suffered most the ordinary people of West Beirut      **Sexuality and War** Evelyne Accad, 1990-12-01 A courageous analysis of Arab writers addressing the connections between masculinity violence and nationalism Robin Morgan Ms Rarely have sexuality and war been treated with such poignancy and historical concreteness The force of these often intertwined phenomena endemic to the human condition are considered with incisive and wrenching specificity from within one of the most baneful convergences of sexuality and war in recent history Djelal Kadir editor *World Literature Today* Personal powerful passionate uncensored Fedwa Malti Douglas *The Journal of Women s History* A welcome departure from stereotypical nationalist conceptions from which no solutions to the current impasse can possibly emerge Joel Benin *The Middle East Report* Accad s extraordinary pacifism is deeply compelling to women as it is deeply challenging to men Andrea Dworkin A splendid book Drawing on interviews with Lebanon s village women and her close readings of Lebanon s contemporary novelists Accad manages to pull back the veil that has shrouded so many conventional nationalisms revealing their roots in men s effort to control women s sexuality Cynthia Enloe author of *Does Khaki Become You* Extraordinary in weaving together literature feminist theory and theories of war and violence Her analysis of the relationships between sexuality war and nationalism is stunning in its frankness and importance Berenice A Carroll Purdue University It is in the women s writings on the Lebanese civil war that Accad discerns alternative visions that could shape a non violent reality Miriam Cooke *The Middle East Studies* This book should remind us how patriarchies can operate similarly in societies we most often define through difference Accad s forthright critically respectful caring treatment of Lebanese lives and worlds resonates as we engage with the longterm repercussions of the Gulf War Marilyn Booth *Women s Review of Books* This compelling book offers an exploration of the indissoluble link between war and sexuality based on over twelve years of interviews by the well known Lebanese expatriate teacher critic and writer Evelyne Accad explores what she calls the indissoluble link between war and sexualtiy She refers to sexuality as the physical and psychological relations of men and

women and examines Middle Eastern customs involved in defining such relationships She argues that many of the problems faced by societies at war stem from the way male sexuality is viewed and imposed and from the oppression of women within cultural parameters For twelve years Professor Accad interviewed women throughout the Middle East about their sexuality and relationships with men On the basis of these interviews and a close study of six novels written by both men and women on the subject of the Lebanese war she explores the connection between sexuality and war and contrasts the reactions of male authors with those of their female counterparts Each author views war as having roots in sexuality Evelyne Accad concludes that there is a need for a new rapport between men and women women and women and men and men there is a need for relationships based on trust recognition of the other tenderness equal sharing and love devoid of jealousy and possession Since the personal is the political changes in relationships traditionally based on domination oppression and power games will inevitably rebound in other spheres of life

### **Female Homosexuality in the Middle East** Samar

Habib, 2012-08-06 This book the first full length study of its kind dares to probe the biggest taboo in contemporary Arab culture with scholarly intent and integrity female homosexuality Habib argues that female homosexuality has a long history in Arabic literature and scholarship beginning in the ninth century and she traces the destruction of Medieval discourses on female homosexuality and the replacement of these with a new religious orthodoxy that is no longer permissive of a variety of sexual behaviours Habib also engages with recent gay historiography in the West and challenges institutionalized constructionist notions of sexuality

*What the War Left Behind* Malek Abisaab, Michelle

Hartman,2024-05-15 Conspicuously missing from narratives of the Lebanese Civil War are the stories of women who took part in daily social activism and political organizing during the tumultuous conflict What the War Left Behind documents their stories with eight women directly sharing their experiences of action and survival through the hardship of war What the War Left Behind brings together oral histories of women from a range of political affiliations socioeconomic classes and religious identities These histories present an alternative image of women during war highlighting the actions of those who sought to make life better for themselves and their neighbors during conflict By centering women s voices in the war Abisaab and Hartman present a new perspective on an oft discussed historical era demonstrating the power of resistance during difficult times These translated texts showcase the active roles women take during wartime and how women s political efforts are an essential part of Lebanese history

*War and Memory in Lebanon* Sune Haugbolle,2010-03-15 Sune Haugbolle s often poignant book chronicles the battle over ideas that emerged from the wreckage of the Lebanese civil war

**Islamic Fundamentalism and Islamic Radicalism** United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Europe and the Middle East,1985

**American Sheikhs** Brian VanDeMark,2012-01-31 American Sheikhs is the story of a great institution the American University of Beirut AUB and the families who created and fostered it for almost 150 years Author Brian VanDeMark s vivid narrative includes not only the colorful history of AUB and many memorable episodes in a family saga but also larger and more important themes In the story of the efforts of these two families to build a great school with alternating audacity arrogance generosity paternalism and vision the author clearly sees an allegory for the larger history of the United States in the Middle East Before 1945 AUB s history is largely positive Despite American nationalism and presumptions of Manifest Destiny Middle Easterners generally viewed the school as an engine of constructive change and the United States as a benign force in the region But in the post World War II era with the rise of America as a world power AUB found itself buffeted by the strong winds of nationalist frustration Zionism and anti Zionism and eventually Islamic extremism Middle Easterners became more ambivalent about America s purposes and began to see the university not just as a cradle of learning but also as an agent of undesirable Western interests This story is full of meaning today By revealing how and why the Blisses and Dodges both succeeded and failed in their attempts to influence the Middle East VanDeMark shows how America s outreach to the Middle East can be improved and the vital importance of maintaining good relations between Americans and the Arab world in the new century

**Resistance Literature** Barbara Harlow,2023-03-01 As one of the foundational texts in the field of postcolonial writing Barbara Harlow s Resistance Literature introduced new ground in Western literary studies Originally published in 1987 and now reissued with a new Preface by Mia Carter this powerfully argued and controversial critique develops an approach to literature which is essentially political Resistance Literature introduces the reader to the role of literature in the liberation movements of the developing world during the 20th Century It considers a body of writing largely ignored in the west Although the book is organized according to generic topics

poetry narrative prison memoirs thematic topics and the specific historical conditions that influence the cultural and political strategies of various resistance struggles including those of Palestine Nicaragua and South Africa are brought to the fore Among the questions raised are the role of women in the developing world communication in circumstances of extreme atomization literature versus propaganda censorship and the problem of adopting literary forms identified with the oppressor culture

Informal Governance and Crisis Joseph P. Helou, Abel Polese, 2025-09-22 This book examines the impact of crises on people's lives by walking readers through several case studies from Mali Niger Kyrgyzstan Brazil Lebanon Libya and several escape routes and entry points such as the Canary Islands into the European Union It conceptualizes crises as events that disrupt political social and economic orders thus breeding ad hoc people led solutions These informal people led coping strategies re define existing social systems challenge political orders and transcend the pre existing economic conventions The book shows how an increase in the volume and scope of informal practices in addition to the repetition of these practices over time culminate in the rise of new modes of governance It reveals that these new governance dynamics can supplant the state defy state rules and or complement state capacities The analyses and reflections in this book provide policy makers with valuable insights to deal with governance in post crises situations while recognizing the role of informality in this process This book is intended for students researchers and scholars of migration studies political science and international relations It also offers valuable perspectives for policymakers and practitioners working in the fields of governance crisis management and social development The chapters in this book were originally published as a special issue of Third World Quarterly

Spaces of Masculinities Kathrin Hörschelmann, Bettina van Hoven, 2013-03-07 Changing circumstances in Western and global societies have introduced new constraints and opportunities for men and the formation of male identities Meanwhile the emerging diversity of atypical identities atypical when compared with traditional conceptions of middle class white heterosexual men poses new challenges for the production and use of spaces Spaces of Masculinities provides a comprehensive introduction to the innovative and diverse research on spaces of masculinity Drawing on a variety of geographical research projects the central concern of the book is to highlight the significance of research on masculinity in sociological and geographical work dealing with constructions of gender

Levant Philip Mansel, 2011-05-24 Not so long ago in certain cities on the shores of the eastern Mediterranean Muslims Christians and Jews lived and flourished side by side What can the histories of these cities tell us Levant is a book of cities It describes three former centers of great wealth pleasure and freedom Smyrna Alexandria and Beirut cities of the Levant region along the eastern coast of the Mediterranean In these key ports at the crossroads of East and West against all expectations cosmopolitanism and nationalism flourished simultaneously People freely switched identities and languages released from the prisons of religion and nationality Muslims Christians and Jews lived and worshipped as neighbors Distinguished historian Philip Mansel is the first to recount the colorful contradictory histories of Smyrna Alexandria and Beirut in the modern age He begins in the early days of the French

alliance with the Ottoman Empire in the sixteenth century and continues through the cities mid twentieth century fates Smyrna burned Alexandria Egyptianized Beirut lacerated by civil war Mansel looks back to discern what these remarkable Levantine cities were like how they differed from other cities why they shone forth as cultural beacons He also embarks on a quest to discover whether as often claimed these cities were truly cosmopolitan possessing the elixir of coexistence between Muslims Christians and Jews for which the world yearns Or below the glittering surface were they volcanoes waiting to erupt as the catastrophes of the twentieth century suggest In the pages of the past Mansel finds important messages for the fractured world of today

**Violence Against Women in Peace and War** Maria Holt, 2021-02-15 Violence Against Women in Peace and War Cases from the Middle East explores violence against women in the Middle East Through a narrative research approach Maria Holt compares a range of settings and experiences arguing that 1 violence against women tends to increase during periods of conflict 2 such practices are legitimized by an already existing environment in which violence against women is tolerated 3 women are building strategies both at local and regional levels to combat and eliminate violence thus enabling them to play a more constructive role in processes of conflict resolution and post conflict reconstruction and 4 the greater the commitment by public authorities to creating sound local frameworks to address violence against women the stronger will be Arab women's ability to resist conflict

**Divided Cities** Jon Calame, Esther Charlesworth, 2011-11-29 In Jerusalem Israeli and Jordanian militias patrolled a fortified impassable Green Line from 1948 until 1967 In Nicosia two walls and a buffer zone have segregated Turkish and Greek Cypriots since 1963 In Belfast peaceline barricades have separated working class Catholics and Protestants since 1969 In Beirut civil war from 1974 until 1990 turned a cosmopolitan city into a lethal patchwork of ethnic enclaves In Mostar the Croatian and Bosniak communities have occupied two autonomous sectors since 1993 These cities were not destined for partition by their social or political histories They were partitioned by politicians citizens and engineers according to limited information short range plans and often dubious motives How did it happen How can it be avoided Divided Cities explores the logic of violent urban partition along ethnic lines when it occurs who supports it what it costs and why seemingly healthy cities succumb to it Planning and conservation experts Jon Calame and Esther Charlesworth offer a warning beacon to a growing class of cities torn apart by ethnic rivals Field based investigations in Beirut Belfast Jerusalem Mostar and Nicosia are coupled with scholarly research to illuminate the history of urban dividing lines the social impacts of physical partition and the assorted professional responses to self imposed apartheid Through interviews with people on both sides of a divide residents politicians taxi drivers built environment professionals cultural critics and journalists they compare the evolution of each urban partition along with its social impacts The patterns that emerge support an assertion that division is a gradual predictable and avoidable occurrence that ultimately impedes intercommunal cooperation With the voices of divided city residents updated partition maps and previously unpublished photographs Divided Cities illuminates the enormous costs of physical segregation

**The Plo** Jillian

Becker,2014-03 The Palestine Liberation Organization was created by the Arab states as a weapon against Israel but most of its victims have been Arabs In Jordan it established itself as a rival power to the state and was forcibly expelled Its building up of an army in Lebanon led to civil war and Israeli military intervention until it was again expelled in June 1982 In 1982 and 1983 the author took herself into the midst of war to write this book journeying for many days on roads known to be mined and ambushed spent nights in rooms with glassless windows while shells exploded on all sides and explored the ruins of PLO strongholds in the wake of bombardments in order to find documents testimony and clues of all kinds to the history of the organization She interviewed members of the many different sides involved in the Israeli Palestinian conflict The result is a powerful book which explains the structure aims tactics and role in middle eastern and world politics of the PLO

**Religion and Politics** Myron J. Aronoff,2021-07-27 This third volume in the outstanding series makes important new contributions to our understanding of the process whereby individuals and groups attribute meanings to the political structures and communities they create or inherit Avoiding simplistic distinctions between religion and politics each of these essays suggests more satisfactory ways of approaching the complex nature of these dynamic phenomena They explore the role of traditional religious values symbols affiliations and or leaders in dealing with contemporary sociopolitical realities analyzing the way in which religious traditions help shape the understanding and meaning of contemporary political realities and how they are reinterpreted and used to accomplish political and religious goals

## Embracing the Song of Appearance: An Emotional Symphony within **Survival In Beirut A Diary Of Civil War**

In some sort of consumed by displays and the ceaseless chatter of instantaneous communication, the melodic beauty and psychological symphony developed by the published term often diminish in to the background, eclipsed by the relentless noise and distractions that permeate our lives.
