Survival Of The Fattest An Irreverent View Of The Senate:

Survival of the Fattest Larry Zolf, 1984 **Protecting Canadian Democracy** Serge Joyal, 2003-05-27 In recent years Canada's Senate Parliament's chamber of sober second thought has often been the subject of controversy and calls for reform *Protecting Canadian Democracy* examines the history role and evolution of the Senate places it in the context of other federal systems and contrasts its role with that of provincial governments Contributors analyse the Senate's use of its legislative powers comparing it with the House of Commons and assess the Senate's contribution to public policy development and review showing how the upper chamber functions as a forum within Parliament for the representation of Canada's diverse regional linguistic cultural and socio economic interests **Trudeau's Shadow** Andrew Cohen, J.L. Granatstein, 2011-12-28 No other politician has ever had the impact on this country and its people that Pierre Elliott Trudeau did This iconoclastic anti politician emerged from nowhere in the mid 1960s and from 1968 1984 governed Canada sometimes well sometimes poorly Even after Trudeau left office he remained a player his infrequent speeches and public appearances sufficient still to alter the course of events Now in commemoration of the 30th anniversary of Trudeau's coming to power Andrew Cohen and J L Granatstein have commissioned 23 new never before published essays from a diverse group of Canadians all of whom in some way or another have been influenced by this enigmatic leader Among the esteemed essayists are Larry Zolf Max Nemni Michael Bliss Richard Gwyn Linda Griffiths Mark Kingwell Robert Mason Lee Jim Coutts Rick Salutin Andrew Coyne Linda McQuaig Bob Rae Donald Macdonald James Raffan and B W Powe As a whole this is a stunning and important collection of work from an amazing scope of people controversial hard hitting fascinating [Catalog of the Gerald K. Metis Pioneers Doris Jeanne MacKinnon, 2018-03-15 In *Metis Pioneers* Doris Jeanne MacKinnon compares the survival strategies of two Metis women born during the fur trade one from the French speaking free trade tradition and one from the English speaking Hudson's Bay Company tradition who settled in southern Alberta as the Canadian West transitioned to a sedentary agricultural and industrial economy MacKinnon provides rare insight into their lives demonstrating the contributions Metis women made to the building of the Prairie West This is a compelling tale of two women's acts of quiet resistance in the final days of the British Empire

In Other Words Anna Porter, 2018-09-25 In *Other Words* is a lively charming gossipy memoir of life in the publishing trenches and how one restlessly curious young woman sparked a creative awakening in a new country she chose to call home We need our own dreams Anna Porter When Anna Porter arrived in Canada in early 1968 with one battered suitcase little money and a head full of dreams she had no idea that this country would become her home for the rest of her life or that she would play a major role in defining what it means to be Canadian And where better to become a Canadian than at the dynamic publishing house McClelland of prima donnas such as Roloff Beny and Harold Town whose excesses threatened to sink the company of exhausted editors dealing with intemperate writers of crazy schemes to interest Canadians in buying books She recalls the thrilling days at the helm of the company she founded in the 1980s when Canada's writers were suddenly front page news As president of Key Porter Books she dodged lawsuits argued with bank managers and fought to sell Canadian authors around the world This intriguing memoir brings to life that time in our history when finally the voices Canadians craved to hear were our own In *Other Words* is a love letter to Canada's authors and creative agitators who against almost impossible odds have sustained and advanced the nation's writing culture Moving effortlessly from the boardrooms of Canada's elite and the halls of power in Ottawa to the threadbare offices of idealistic young publishers and ultimately to her own painful yet ever present past in Hungary Porter offers an unforgettable insider's account of what is gained and lost in a lifetime of championing our stories
