**DEFENCE and INTERVENTION -1- (Officer Survival Skills, Use of Force, Soft Empty Hand Control, Hard Empty Hand Control)** Mürsel Sevindik, 2020-04-25 This book covers Officer Survival Skills Use of Force Soft Empty Hand Control Hard Empty Hand Control issues for law enforcement officer The most important priority of the officer is able to survive in dangerous situations Survival techniques if properly applied provide the officer an opportunity to overcome the resistive behavior of subjects These techniques also provide officers with self confidence which is needed to win The primary responsibility of the law enforcement officer is to protect life and ensure public order They are authorized to use a range of force options to preserve the peace prevent crimes maintain order and apprehend suspects Soft empty hand techniques are the first option of physical response used to restrain a person who is resisting By developing a high degree of proficiency with soft empty hand techniques the officer will be able to respond in a more effective manner with a minimal amount of force Hard Empty Hand Control techniques are defined as striking techniques They are always defensive not offensive These techniques are used to control active aggression with empty hands and feet when the intermediate use of weapons is justified but are not tactically available Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement

**For Security Personnel, OFFICER SURVIVAL SKILLS, 2020** Mursel Sevindik, 2020-04-05 This book covers Officer Survival Skills issues for law enforcement officer The goal is to develop the law enforcement officer's understanding of officer survival for the safe and efficient performance of their duty The majority of police officers duties become routine though the potential for danger is always present The duties of the officer require them to enforce laws and to control the illegal actions of certain citizens Survival techniques if properly applied provide the officer an opportunity to overcome the resistive behavior of subjects These techniques also provide officers with self confidence which is needed to win When an officer uses force peers the public the media the government and the world review that actions If the officer applies inappropriate force it reflects poorly on the individual and gives a non professional appearance to the entire force The officer is subject to legal limitations When the officer is faced with a violent situation it is required that he make decisions in a fraction of a second He may have

to justify his actions in court Therefore proper defensive tactics training provides the officer with the tools required not only to apply the proper techniques but also to decide the proper level of force necessary to overcome resistance This will obviously enhance officer survivability insure proper performance during the situation and justification in court Topics and techniques presented in this book will be of both great interest and great value to trainers and students of law enforcement
