Survivals Aspects Of Industrial Archaeology In Ontario

Thomas F. McIlwraith

Survivals Aspects Of Industrial Archaeology In Ontario:

Survivals Dianne Newell, Ralph Greenhill, 1989-01-01 *Industrial Archaeology* Marilyn Palmer, 2012-10-12 Industrial Archaeology uses the techniques of mainstream archaeological excavation analysis and interpretation to present an enlightening picture of industrial society Technology and heritage have until recently been the focal points of study in industrialization Industrial Archaeology sets out a coherent methodology for the discipline which expands on and extends beyond the purely functional analysis of industrial landscapes structures and artefacts to a broader consideration of their cultural meaning and value The authors examine for example the social context of industrialization including the effect of new means of production on working patterns diet and health *Looking for Old Ontario* Thomas F. McIlwraith, 1997-01-01 The slogan on Ontario's licence plates Yours to Discover was designed to promote travel opportunities within the province Every year thousands of tourists drive along country roads past farmyards and through hamlets en route to popular vacation spots In *Looking for Old Ontario* Thomas McIlwraith shows that many destinations are closer at hand than one might imagine and invites travellers to rediscover familiar countryside landmarks by reading them as chapters in a rich historical narrative Surveyors long ago scored Ontario's land and generations have since inscribed it with residences businesses and institutions This book the result of thirty years of field work and archival research is a reflection on and an interpretation of the ways in which the land and its inhabitants interrelate *Looking for Old Ontario* guides readers through the vernacular landscape of the province examining barns fences jails post offices inns mills canals railways roadsides cemeteries and much more McIlwraith emphasizes ordinary features of the cultural landscape which communicate social meaning to the observant eye The landscape tells us that Ontario has been inhabited by thrifty people this we can conclude by looking at the economical use and reuse of construction materials Yet the landscape also tells us that Ontario's residents have been inclined to show off consider the province's unusually large number of elegant brick dwellings To read a landscape is to think about such connections and McIlwraith's contemplative style differentiates his work from manuals or handbooks Since landscape interpretation is a highly visual subject *Looking for Old Ontario* is extensively illustrated with photographs drawings and maps It will be useful to general readers interested in recognizing the broader meanings of their communities heritage as well as to students of geography history and planning *Rails Across Ontario* Ron Brown, 2013-10-07 For the first time train buffs and history lovers will have a book that explores the heritage of Ontario's railways from its oldest stations to its highest bridges glamorous hotels and some not so glamorous ones scenic and historic train rides rail trails and sagging old ghost towns **The Texture of Industry** Robert B. Gordon, Patrick M. Malone, 1997-02-06 While historians have given ample attention to stories of entrepreneurship invention and labor conflict they have told us little about actual work places and how people worked Workers seldom wrote about their daily employment However they did leave behind their tools products shops and factories as well as the surrounding industrial landscapes and communities In this book Gordon and Malone look

at the industrialization of North America from the perspective of the industrial archaeologist Using material evidence from such varied sites as Indian steatite quarries automobile plants and coal mines they examine manufacturing technology transportation systems and the effects of industrialization on the land Their research greatly expands our understanding of industry and focuses attention on the contributions of anonymous artisans whose skills shaped our industrial heritage *In Search of the Grand Trunk* Ron Brown,2011-05-02 Explore Ontario's forgotten rail lines and experience the legacy and lore of this the vital railway era of Ontario's history At its peak between 1880 and the 1920s Ontario was criss crossed by more than 20 000 kilometres of rail trackage Today only a fraction remains Yet trains once hauled everything from strawberries to grain cans of milk and even eels Villagers depended on trains to visit friends attend weddings to shop and to go to school They gathered on station platforms to await their mail or greet a long lost relative Holidayers packed their trunks and headed north for an extended summer day at their favorite resorts Today these are but a distant memory as most of Ontario's once essential transportation links lie abandoned and largely forgotten But perhaps not entirely many rights of way have become rail trails and now witness hikers cyclists equestrians and snowmobilers Others sadly lie overgrown and barely visible Yet regardless of how one follows these early routes one will find preserved stations historic bridges and railway era buildings all of which recall this bygone era Society for Industrial Archeology Newsletter ,2005 Gentlemen Engineers Richard White,1999-01-01 This study is an important contribution to our understanding of the professionalization of civil engineering and to the modernization of business practices in nineteenth century Canada BOOK JACKET Essays in the History of Canadian Law George Blain Baker,Jim Phillips,1999-12-15 This volume in the Osgoode Society's distinguished series on the history of Canadian law is a tribute to Professor R C B Risk one of the pioneers of Canadian legal history and for many years regarded as its foremost authority The fifteen original essays are by notable scholars some of whom were students of Professor Risk and represent some of the best and most original work in the area of Canadian legal history They cover a number of important topics that range from the form of the criminal trial in the eighteenth century to debates over the meaning of property in the nineteenth and to lawyer poet Tom MacInnes's views on the law of aboriginal title in the twentieth century **Allegheny Oil** Philip W. Ross,1996 Dundurn Railroad 5-Book Bundle Ron Brown,2015-08-08 Ron Brown is Canada's leading literary authority on the history of Canada's railways particularly those now lost branches from the golden age of steam that once ran like veins and arteries throughout the country This special five book bundle collects several of his titles including *In Search of the Grand Trunk* which takes a close look at Ontario's railway heritage in the late 19th and early 20th centuries the poignant *The Train Doesn't Stop Here Anymore* an examination of the railroad's impact on communities when it leaves town and *Rails Across Ontario* *Rails Across the Prairies* and the new *Rails to the Atlantic* which trace the development of rail across the country and its economic and social impact Brown's books are entertaining but also meticulously researched This bundle is a treasure trove for the railway enthusiast Includes *In Search of the Grand Trunk*

Rails Across the Prairies Rails Across Ontario The Train Doesn't Stop Here Anymore Rails to the Atlantic *Dundurn Railroad 6-Book Bundle* Ron Brown, 2016-07-23 A must for any Canadian railroad aficionado this special bundle gathers six books in one for a can't miss retrospective of the nation's railway history Rails Over the Mountains Explore western Canada's rich railway history travelling from the grand railway hotels and rustic stations to relive a time when trains used to rumble in the West Rails to the Atlantic Explore eastern Canada's railway heritage including stations from the late 1850s grand hotels bridges and roundhouses The Train Doesn't Stop Here Anymore Once the lifeblood of Canada railways and heritage stations are a fading part of the patrimony of communities across the nation Rails Across Ontario Train buffs and history lovers now have a book that explores the heritage of Ontario's railways from its oldest stations to its highest bridges most glamorous hotels and historic train rides Rails Across the Prairies Canada's rail lines were pivotal in establishing the icons that mark today's landscape massive bridges sentinel like grain elevators pattern book wayside stations In Search of the Grand Trunk Discover the legacy and lore of Ontario's railway era by exploring the lost and abandoned rail lines that once were essential to the province's well being *Canadian Whisky, Updated and Expanded (Third Edition)* Davin de Kergommeaux, 2024-03-12 Dive into Canada's rich history of whisky making legacy distilleries and contemporary artisans with this fully updated and expanded guide including over 100 new tasting notes for Canada's top whiskies In this fully updated edition of Canadian Whisky the nation's authority himself Davin de Kergommeaux celebrates the country's often underplayed yet integral role in this storied spirit A trusted independent whisky expert Davin has travelled the country in search of all things whisky to share the very latest findings photographs and tasting notes First Davin breaks down the basics of how whisky is made and what sets Canada's product apart from others From there his meticulous research unearths riveting narratives that reach back to the country's first whisky days and span from east to west In this revised third edition of the award winning original you'll discover Whisky Producers Across the Country from Legacy Distilleries to New Microdistilleries Enjoy a deep dive into Canada's whisky world from long lasting empires to innovative new players History and Process as Told by Experts Master blenders and distilling family royalty share fascinating anecdotes and insights New Tasting Notes Consider over 100 unique tasting notes for whiskies from across the nation before trying them yourself Full Colour Photography From legendary distilleries to historic portraits to rare photographs these images paint the history of whisky With a refreshed design maps of the country's whisky distilleries and up to date research and interviews this new edition of Canadian Whisky is perfect for your own library or as a gift for the whisky lover in your life as the essential source on Canada's wonderful world of whisky *Ontario History*, 1989 *The Train Doesn't Stop Here Anymore* Ron Brown, 2008-04-21 Brown celebrates the survival of our railway heritage in stations that have been saved or remain in use *Dundurn Railroad Bundle* Ron Brown, 2014-01-17 Ron Brown is Canada's leading literary authority on the history of Canada's railroads particularly those now lost branches from the golden age of steam that once ran like veins and arteries throughout the country This special four book bundle

collects several of his titles including the poignant *The Train Doesn't Stop Here Anymore* an examination of the railroad's impact on communities when it leaves town as well *Rails Across Ontario* and *Rails Across the Prairies* which trace the development of rail across the country and its economic and social impact and *In Search of the Grand Trunk* which takes a close look at Ontario's railway heritage in the late 19th and early 20th centuries Brown's books are entertaining but also meticulously researched This bundle is a treasure trove for the railway enthusiast Includes *In Search of the Grand Trunk* *Rails Across Ontario* *Rails Across the Prairies* *The Train Doesn't Stop Here Anymore* *Reclaiming the Don* Jennifer L. Bonnell, 2014-09-24 A small river in a big city the Don River Valley is often overlooked when it comes to explaining Toronto's growth With *Reclaiming the Don* Jennifer L. Bonnell unearths the missing story of the relationship between the river the valley and the city from the establishment of the town of York in the 1790s to the construction of the Don Valley Parkway in the 1960s Demonstrating how mosquito ridden lowlands frequent floods and overburdened municipal waterways shaped the city's development *Reclaiming the Don* illuminates the impact of the valley as a physical and conceptual place on Toronto's development Bonnell explains how for more than two centuries the Don has served as a source of raw materials a sink for wastes and a place of refuge for people pushed to the edges of society as well as the site of numerous improvement schemes that have attempted to harness the river and its valley to build a prosperous metropolis Exploring the interrelationship between urban residents and their natural environments she shows how successive generations of Toronto residents have imagined the Don as an opportunity a refuge and an eyesore Combining extensive research with in depth analysis *Reclaiming the Don* will be a must read for anyone interested in the history of Toronto's development *Canadian Whisky, Second Edition* Davin de Kergommeaux, 2017-10-03 Savour the bold notes and rich varieties of Canadian whisky with this fully revised updated and indispensable guide This fully updated and revised edition of the award winning *Canadian Whisky* invites you on a journey across Canada and back through time to discover the story of this unique spirit Independent whisky expert Davin de Kergommeaux weaves a compelling narrative beginning with the substance of Canadian whisky grains water and wood and details the process of how it's made and how to taste it He traces the fascinating history of the country's major distilleries and key visionaries and introduces the present day players big and small who are shaping the industry through both tradition and innovation Newly designed and now including a map of Canada's whisky distilleries over 100 up to date tasting notes and a handy tasting checklist *Canadian Whisky* reflects the latest research on flavour development and the science of taste At once authoritative and captivating this is a must have resource for beginners enthusiasts and aficionados alike **Ontario's Petroleum Legacy** Earle Gray, 2008 **Bridges Over the Niagara Gorge** George A. Seibel, Olive Marguerite Seibel, 1991
