Surviving Grief 30 Questions And Answers For A Time Of Loss:

Surviving Grief A. M. Brady Reinsmith, 2001 Strikes a balance between acknowledging and accepting the pain from loss

Prayer Points for Pastors Audrey L. Dowling, 2016-05-24 In November 2013 Pastor Teddy Parker was found dead by his wife Larrinecia Parker in the driveway of their home with a self inflicted gunshot wound hours after he had sent her and his two daughters ahead of him to church then failed to show up It was later revealed that he had been battling manic depression until his death Since that time over 30 more pastors have committed suicide These men and women of God face many challenges that could potentially affect every aspect of their lives As the Body of Christ most of us have not been cultured to automatically pray for our pastors Pastors don't always ask for prayers and many members may not feel comfortable praying for them We need a renewed culture where prayer for the pastor is encouraged and taught Pastors need to have specific anointed and focused prayer going on for them regularly Prayer Points for Pastors A Tool for Pastors and Their Intercessors will help both pastors and their intercessors alike by offering prayer points that may be important to pray for or about for pastors

Understanding Death and Dying Frank E. Eyetsemitan, 2020-07-16. Understanding Death and Dying teaches students about death, dying, bereavement, and afterlife beliefs by asking them to apply this content to their lives and to the world around them. Students see differing cultural experiences discussed in context with key theories and research. The text's pedagogy delivers relevant multi and cross cultural applications and connections across topics. This helps students evaluate their personal assumptions and appreciate how the content applies to their own current and future roles as individuals, family members, work colleagues, and as part of a community. The text simultaneously challenges learners to consider their own perspectives and to think critically about the parallels between their own lives and different cultures. Included with this title: The password protected Instructor Resource Site, formally known as SAGE Edge, offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides.

Maternal-Child Nursing Care: Optimizing Outcomes for Mothers, Children, & Families Susan Ward, Shelton Hisley, 2015-06-03. It offers the perfect balance of maternal and child nursing care with the right depth and breadth of coverage for students in today's maternity/pediatric courses. A unique emphasis on optimizing outcomes, evidence-based practice, and research supports the goal of caring for women, families, and children not only in traditional hospital settings but also wherever they live, work, study, or play. Clear, concise, and easy to follow, the content is organized around four major themes: holistic care, critical thinking, validating practice, and tools for care that help students to learn and apply the material.
