You're Not Alone Michelle Dana Mason Fulton,2023-01-19 This book is not just a single story from one person it covers a vast cross section of both bereaved mothers and fathers from all backgrounds This highlights to the reader if they have experienced loss that they are not alone They are given a community of support to help strengthen themselves against feelings of shame guilt depression and isolation They are given ideas about what might help them to manage their pain and give them hope that the vastness of the despair they feel will not always engulf them so wholly Not only does the book address aiding those who are grieving but also in donated proceeds it helps to fund the research that will reduce these tragic instances in the future

My New Normal: Surviving My Miscarriages Lorraine Frederick,2021-04-13 As a result of experiencing four miscarriages in sixteen months Lorraine faced the most challenging time of her life When she searched for a resource to relate to during her times of isolation she was left feeling more detached because nothing spoke to her postpartum depressive state or overwhelming feelings of hopelessness This propelled her to begin writing for not only

personal therapy but ultimately to share her story with others who may be experiencing something similar My New Normal Surviving My Miscarriages details her transformative journey of self discovery that chronicles the small peaks and deep valleys of miscarriage that are often only known to the ones who have experienced it It is a very honest look and sometimes real time documentation of the raw emotions and life questioning moments experienced when you lose an unborn child It is also the examination of the stigma surrounding miscarriage and the new normal of silent suffering that many women face

Davis,1996 Reassurance for parents who struggle with anger guilt and despair after a miscarriage stillbirth infant death [I Got You Mama](#) Kristen Cook, MD,2021-02-22 The journey to parenthood is different for everyone but the struggles of pregnancy childbirth and the first year of a baby s life are almost universal As parents or future parents we are constantly fed a myth that being a Mommy or Daddy is a wonderful amazing and completely fulfilling experience We are expected to raise our children effortlessly love every minute of being a parent and post the pictures on social media to prove it We feel guilty if we do not like a certain aspect of this experience and we are shamed if someone doesn t agree with our decisions Parents it is time to stop the insanity Creating growing birthing and raising a child is really hard I know this because I am a Mom of two strong willed children and a pediatrician with over a

decade of experience in the medical field I understand that you are inundated with information from family members friends and the media who all tell you what you should do and what you should not do for yourself and for your child This information is often conflicting and confusing You know what I Got You Mama Take a deep breath and hang with me This book is a no holds barred approach with information that is real raw and sometimes gross But I promise it will help you to unapologetically thrive as a parent

Beyond the Storm Jerry Jones, 2010-06-15 This book is about surviving the storm One day the sun is shining the winds are calm and the water is smooth then all of a sudden a furious storm comes out of nowhere and the waves break over you and knock you off your feet Grasping for breath you struggle to regain your senses You turn your eyes to heaven in search of help but sometimes you can't see the help and sometimes you don't know if you're heard This book is written by and for storm travelers To help you survive your storm Jerry Jones freely shares his own hard earned insights gained from his five year ordeal of watching his wife die after a valiant struggle with cancer Other storm travelers also share personal stories of death terror divorce and illness Together these Voices from the Storm confirm that you are not alone in your heartache and their struggles and victories assure you that there is a path that leads to the peaceful shore The pages of this book will fill you with comfort and will empower you with strength and fortitude to survive and move beyond the storm

You're Pregnant, Now What? Kaitlin E. Spano PPCES M.Ed, 2024-05-31 What if you could enter pregnancy with knowledge confidence and energy Imagine feeling fully prepared informed about working with your body during pregnancy instead of against it This book is designed for women who want to feel empowered throughout their pregnancy and postpartum journey You're Pregnant Now What A Simple Guide to a Healthy Pregnancy and Faster Recovery is a proven plan that will support you as you navigate pregnancy and recovery This book reveals information that your doctor is not providing for you This simple guide provides the most up to date evidence and research on how to address common pregnancy symptoms How to prepare your body for birth and how to recover Unfortunately the United States has the highest rate of maternal deaths per capita despite being the country that spends the most on its health care It is hard to find research and evidence based care related to pregnancy and postpartum because it can take fifteen to twenty years to get that evidence and education into practice and not all systems have the knowledge capacity or heart to lead their practice with the evidence You deserve to know how to keep your body functioning and feeling your best during this very special season of pregnancy and postpartum This book breaks all this information down for you because you my friend are worthy of understanding exactly what the evidence based information is and how your body works during pregnancy and after If you are looking for a realistic no nonsense approach to childbirth this book is for you I feel this book is brilliantly written to empower moms with attainable goals and realistic expectations concerning the often ignored and misguided subject matter of childbirth and recovery As a nurse and soon to be first time mom I feel Kaitlin's evidence based research has helped me focus on my mind body and soul Sarah McConnell registered nurse Not only does Kaitlin explain how our core and pelvic
