Osborne,2016-05-06 Being a pastor has its rewards and pleasures But churches can be unsafe places They are filled with broken imperfect people Many ministers of the gospel walk into a church naive about the potential hazards of their vocation They are vulnerable to difficult people unresolved conflict incompatible visions hidden agendas mission drift and sin their own and that of others Other pastors feel trapped in a ministry hurricane and don t know what to do They feel like failures They re thinking about leaving the ministry They are looking for help and hope not from an expert detached from the real world of ministry but from someone who has suffered through church hurricanes and lived to share the story Moreover they need to know they are not alone *Surviving Ministry How to Weather the Storms of Church Leadership* includes the author s own story as well as true stories from other pastors who have been in the eye of the hurricane Discouraged ministers looking for biblical practical gospel centered advice for storm proofing their churches homes and hearts have found a friend *Surviving Ministry* will equip them to stay resilient before during and after seasons of difficulty **Managing Church Conflict** Hugh F. Halverstadt,1991-01-01 In this instructive book Hugh Halverstadt advocates a Christian vision of shalom for an ethical process of conflict management He shows how respectfulness assertiveness accountability and a focus on the larger common good should all serve as Christian behavioral standards The book is ideal for addressing ministries church systems and other nonprofit organizations in conflict *Conflict and Negotiation in the Early Church* Bronwen Neil,Pauline Allen,2020-04-10 Recent decades have seen great progress made in scholarship towards understanding the major civic role played by bishops of the eastern and western churches of Late Antiquity Brownen Neil and Pauline Allen explore and evaluate one aspect of this civic role the negotiation of religious conflict *Conflict and Negotiation in the Early Church* focuses on the period 500 to 700 CE one of the least documented periods in the history of the church but also one of the most formative whose conflicts

resonate still in contemporary Christian communities especially in the Middle East To uncover the hidden history of this period and its theological controversies Neil and Allen have tapped a little known written source the letters that were exchanged by bishops emperors and other civic leaders of the sixth and seventh centuries This was an era of crisis for the Byzantine empire at war first with Persia and then with the Arab forces united under the new faith of Islam Official letters were used by the churches of Rome and Constantinople to pursue and defend their claims to universal and local authority a constant source of conflict As well as the east west struggle Christological disagreements with the Syrian church demanded increasing attention from the episcopal and imperial rulers in Constantinople even as Rome set itself adrift and looked to the West for new allies From this troubled period 1500 letters survive in Greek Latin and Syriac With translations of a number of these many rendered into English for the first time Conflict and Negotiation in the Early Church examines the ways in which diplomatic relations between churches were developed and in some cases hindered or even permanently ruptured through letter exchange at the end of Late Antiquity

Goodman, 2000-12-31 When serious conflict surfaces in a congregation lay people are usually stunned They feel frightened angry and helpless Congregational Fitness explores why congregations are prone to conflict and describes healthy behaviors lay people can practice to manage conflict constructively Goodman argues that since it is members of the congregation who carry on from one pastor to another it is important for them to know and practice positive behaviors continually rather than reacting out of emotion and anxiety to an unexpected situation Designed for use by individuals study groups and retreat participants

Trauma and Recovery in Early North African Christianity Scott Harrower, 2024-04-22 Powerful religious elements for living in the aftermath of trauma are embedded within North African Christian hagiographies The texts of 1 The Passion of Perpetua and Felicity 2 The Account of Montanus Lucius and their Companions and 3 The Life of Cyprian of Carthage are stories that offered post traumatic pathways to recovery for its historical readership These recovery oriented beliefs and behaviors promoted positive religious coping strategies that revolved around a sense of safety re establishing community relationships an integrated sense of self and a hopeful story beyond trauma This book vividly demonstrates that hagiographies played a vital therapeutic role in helping early Christian trauma survivors recover and flourish in the aftermath of disastrous persecutions

How to Lead in Church Conflict K. Brynolf Lyon, Dan Moseley, 2012 The hurts of people often spill over into the life of the congregation causing conflict Your church of finance is going through a nasty divorce and is mad at God The mother of one of your Sunday School teachers is chronically ill A major factory in your community has relocated taking with it many of your church members jobs Some losses in your own life remain painful and unresolved And you wonder why the church council meetings are so rancorous and your church is mired in unproductive conflict What do you do How should you lead According to Lyon and Moseley conflict is often about ungrieved loss When conflict occurs pastors and other church leaders must know how to be present in the dynamics of grieving loss encouraging space for a new thing to emerge With rich and helpful

illustrations this book reveals how leaders can understand group wide dynamics of conflict ground their leadership in the liturgical meanings and rhythms of church life and accompany congregations through potentially destructive realities toward the creative possibilities that conflict can bring *Church Conflict* Norma Cook Everist,2004-11-01 You love your work You love the people most of the time They respect you most of the time You work together with colleagues staff and laity with energy and enthusiasm most of the time But then something goes wrong a word spoken in anger a misunderstanding and things turn sour What do you do How do you deal with conflict whether it be long or short term low or high intensity Conflict is a part of the human predicament yet it need not define or control your ministry This book is designed to help the reader ask certain key questions about the nature and scope of the conflict they are experiencing and based on the answers to those questions move beyond conflict The author lays out the variety of responses to conflict running the gamut from avoidance to accommodation to compromise to collaboration Written with the real needs of congregations in mind this book will serve as a reliable guide to all who wish to move through conflict into a more effective and authentic fulfillment of their calling

Church Conflict Charles H. Cosgrove,Dennis D. Hatfield,1994 If church is like a family it fights like one too As in any family conflict in the church family is natural and inevitable But the way the church family handles its fights can make or break ministry By using stories and examples of real problems at actual churches Cosgrove and Hatfield have applied family systems theory to help us identify the hidden structural boundaries in any group relationship They show how the dynamics and family rules operating in the informal family like church system powerfully influence how church members relate to each other *The Road Home* Darrell Puls,2013-03-22 Remarkably as many as sixty six thousand churches are in conflict at this moment and one third of those will experience permanent damage Though Christ commanded his followers to forgive we often don t and that lack of forgiveness poisons all of our relationships Churches are particularly vulnerable to unforgiveness for a simple reason no one has taught us what forgiveness actually is how it benefits the forgiver and the forgiven and most importantly how to forgive The Road Home provides a pathway to forgiveness and healthy reconciliation for churches wounded by conflict While the road it follows is not easy just as forgiving is not easy the result is an explosion of grace and restoration taking relationships beyond where they were to where they were meant to be **Church Conflicts** Ernst

Käsemann,2021-08-03 This important work by one of the most significant New Testament scholars of the modern period now available in English for the first time explores the significance of Christian apocalyptic for the church in times of conflict and crisis Engaging with global social and political realities that are still very much with us Ernst Käsemann offers a theological indictment of global white supremacy capitalism and militarism and passionately articulates an apocalyptic theology of liberation The book includes a foreword by James H Cone and an introduction by Ry O Siggelkow *Avoiding Pastoral Pitfalls* James Osterhaus,2021-01-01 James P Osterhaus offers pastors tangible and much needed advice to help them at work and in their personal lives advice that they do not often hear in seminary More and more men and women who minister find

themselves depressed Their marriages are often in trouble Their families are negatively affected Often they have few if any close friends Over the years Osterhaus has coached and counseled hundreds of these ministers from various traditions on four continents As he sat with ministers who have been nearly crushed by the burdens of ministry he came to learn that the average training of ministers across the globe is woefully deficient in the very areas that allow ministers to avoid many of the pitfalls This guide is a result of those countless conversations Avoiding Pastoral Pitfalls is an attempt to fill some of the void left in the training of pastors It offers down to earth practical guidance in areas of ministry that are often neglected understanding yourself both strengths and weaknesses what effective leadership looks like the complicated organizational makeup of the church how to deal with conflict effectively how to make sense of your governing board and how to both enter a new ministry and leave a ministry effectively

in the evolving historiography of empire They also reflect the scholarly contributions of the dedicatee Geoffrey Parker whose life and work are discussed in the introductory chapters and we re proud to say in a delightful chapter by Parker himself an autobiographical reflection that closes the book
