## Surviving Grady:

**Baseball's Starry Night** Paul Kocak, 2012-03 Baseball's Starry Night gives you a fan's eye view of a night that many have called the most exciting night in the history of Major League Baseball. Going beyond a standard retelling of the balls and strikes and homers and webgems, the book hears from 20 fans in their own words. Loyal fans of the St. Louis Cardinals, Atlanta Braves, Boston Red Sox, and Tampa Bay Rays provide exciting and deeply personal eyewitness accounts either from the stadiums or their living rooms. Get the you are there feeling. This is a magical book about a magical night. This beautifully told story captures baseball at its very best. Doris Kearns Goodwin, September 28, 2011. It was a night that will forever be frozen in baseball time. A night of miracles. A night of magic. A night of heartbreak. A night for the history books. Somebody needed to write a book about that night. Thankfully, Paul Kocak volunteered for the job. And in this beautifully written book, he takes us not merely inside the astonishing ups and downs of this unforgettable evening but inside the hearts and minds of ordinary people, the fans whose pulse rates haven't come down yet. Jayson Stark, ESPN.com, Senior Baseball Writer. A retelling unlike any other of the greatest night in baseball regular season history. Chris Mallonee, BirdsOnTheBat82.com. With Baseball's Starry Night, Paul Kocak captures an unforgettable moment in time in powerful, passionate prose that will bring fans to their feet all over again. Greg Tobin, former editor in chief of Book of the Month Club Inc. and author of Holy Holidays. Paul Kocak hits an inside-the-park homer. What a night. Len Berman, Sportscaster, Author *The Atlantic Reporter*, 1908 **Cases Argued and Determined in the Supreme Judicial Court of Maine** Maine. Supreme Judicial Court, 1908 *Cases on Partnership and Other Unincorporated Associations* Scott Rowley, 1927 **Maine Reports** Maine. Supreme Judicial Court, 1908 **New Faces of God in Latin America** Virginia Garrard, 2020-11-03 Combining historical and ethnographic research methods along with a thorough review of existing literature on the study of Latin American Christianity, *New Faces of God in Latin America* addresses the important question of how global religion and local culture interact, situating the experience of Latin American Christianity in the broader conversations in the field of world Christianity, particularly with respect to the growing understanding of Christianity as a non-Western religion. Through case studies of different Pentecostal experiences in Latin America, Virginia Garrard explores cross-pollination and interaction with indigenous religions and cultures, finding widely varied responses to the material and spiritual needs of Latin Americans. The author locates Latin American religious experience within a field known as the history of non-Western Christianity. This focuses on the experience, perceptions, and adaptations of those who adopt Christianity outside the context of Western missionary or other colonizing projects. The book engages with the intersection of culture and spirit-filled religion with an eye to how those interactions help frame an alternative religious modernity. Throughout the book, the author uses culture as both a heuristic lens and as a variable within the equation. She argues that culture helps us understand how people engage with and reconfigure global religious flows within their own imaginations and for their own parochial uses. *Atlantic Reporter*, 1908 **Surviving**
