Surviving The Dalkon Shield Iud Women Vs The Pharmaceutical Industry:

Surviving the Dalkon Shield IUD Karen M. Hicks, 1994 Tells how a small group of women took on A H Robins Company and forced it to take responsibility for promoting the Dalkon Shield despite knowledge of its defective design **In Defense of Tort Law** Thomas Koenig, Michael Rustad, 2003-10 Tort law is a good thing whatever it is **Ordinary Violence** Mary White Stewart, 2014-01-27 Addresses the many forms of global violence against women and shows how the psychology of individuals institutions and societies perpetuate the oppression of women In this eye opening study the author asserts that institutionalized definitions of masculinity and femininity along with the social and economic inequality among the sexes help perpetuate the daily and deadly violence against women all across the world This second edition of a classic work examines the latest discussions on gender relations including the current debate over whether prostitution and pornography should be deemed inherently violent and the role of western countries in the global response to violence against women **Building Technology Transfer within Research Universities** Thomas J. Allen, Rory P. O'Shea, 2014-09-18 Academic thought leaders in the field of technology transfer analyze critically the factors behind success oriented entrepreneurial start up cultures on university campuses **If You Really Loved Me** Jason Evert, 2017-05 Teens and young adults need straight answers to tough questions about dating relationships and sexual purity With more than 300 pages of answers that include well over 1000 references and studies If You Really Loved Me offers a wealth of information in a language that resonates with today's teens This book is a collection of Jason's replies to the top 100 questions he receives from teens around the world Questions include How far is too far How do I tell a guy no without hurting his feelings How do you know when it's love What's wrong with pornography How do I forgive myself And 95 others If you're looking for a straightforward and convincing explanation of the difference between love and lust this book is for you This new edition is revised and expanded with more than 80 pages of new material Reproductive Rights and Wrongs Betsy Hartmann, 1995 With a new introduction this fully revised edition of a feminist classic reveals the dangers of contemporary population control tactics especially as they affect women in developing countries Women and Health in America Judith Walzer Leavitt, 1999 Organised chronologically and then by topic this volume covers studies of women and health in the colonial and revolutionary periods through the Civil War The remainder of the book focuses on the late 19th and 20th centuries **Pedagogies of Resistance** Margaret Crocco, Petra Munro Hendry, 1999 The stories of six women for whom a career in education serves as leverage to live their lives as agents of change By profiling women as educational activists the book challenges historical interpretations that have cast women as passive in the face of educational change Women in Power Barbara K. Curry, 2000 In this exciting addition to the field of leadership development author Barbara Curry charts a course for women as leaders on their own terms Curry moves beyond traditional formulaic conceptions to examine leadership as a fluid adaptive process closely entwined with adult development Drawing from philosophical sociological and physiological explorations of the leader persona Curry approaches leadership as

an interdisciplinary art She casts aside mythical characterizations of leadership to illuminate a more holistic conceptual framework that fosters the development of authentic leadership Using portraits of eight women in high level leadership roles Curry probes the kinds of conflict that often accompany women's ascendancy to positions of power Thoughtfully Curry examines the constellation of character traits and environmental circumstances that enable individuals to perceive of themselves as leaders and to function productively in such roles The book's dynamic approach provides a bridge between explanation and proactive intervention offering guidance for organizations and institutions aiming to encourage employees' ascendancy to leadership positions Through incisive analysis of the psychological and sociological evolution of women's emergence in leadership roles the *Developing Leader Persona* will enable both women and men to don the mantle of leadership with increased confidence

Feminist Science Education Angela Calabrese Barton, 1998 This volume presents a case for liberatory science education from a feminist perspective Based on a two year teacher research study *Feminist Science Education* questions and challenges how power and knowledge relationships position teachers students and science with and against one another in the classroom Using stories about life in and out of the classroom this book describes the impact that exploring this situated nature of science and teaching has for transforming science education

Wisconsin Women's Law Journal, 1994

Women as Wombs Janice G. Raymond, 1995 Annotation Renowned scholar and feminist activist Janice Raymond delivers a passionate expose and uncovers the alarming ethical legal and political implications of high tech biomedical reproductive technologies She argues that these technologies are neither liberatory nor an issue of reproductive choice Rather they violate the integrity of women's bodies perpetuate prostitution and an international trafficking in women and children and are a threat to women's basic human rights *Women As Wombs* is a scathing feminist analysis which contributes groundbreaking insights to the raging debate over reproductive technology

The Abortion Myth Leslie Cannold, 2000 In the lived experience of women she finds a practical ethics of abortion in which termination is not only a moral response to an unplanned pregnancy it may be the only moral response

BOOK JACKET Margaret Sanger's Eugenic Legacy Angela Franks, 2014-12-24 Margaret Sanger the American birth control and population control advocate who founded Planned Parenthood stands like a giant among her contemporaries With her dominating yet winning personality she helped generate shifts of opinion on issues that were not even publicly discussed prior to her activism while her leadership was arguably the single most important factor in achieving social and legislative victories that set the parameters for today's political discussion of family planning funding population control aid and even sex education This work addresses Sanger's ideas concerning birth control eugenics population control and sterilization against the backdrop of the larger eugenic context

Unjust Debts Melissa B. Jacoby, 2024-06-11 Named one of the Best Summer Books in Economics by the Financial Times A groundbreaking look at the hidden role of bankruptcy in perpetuating inequality in America Unjust Debts throws open the doors and windows to the bankruptcy system so readers can see for themselves how this law works and doesn t work for the real people it so profoundly affects Beth Macy New York Times bestselling author of Dopesick and Raising Lazarus Bankruptcy is the busiest federal court in America In theory bankruptcy in America exists to cancel or restructure debts for people and companies that have way too many a safety valve designed to provide a mechanism for restarting lives and businesses when things go wrong financially In this brilliant and paradigm shifting book legal scholar

Melissa B Jacoby shows how bankruptcy has also become an escape hatch for powerful individuals corporations and governments contributing in unseen and poorly understood ways to race gender and class inequality in America When cities go bankrupt for example police unions enjoy added leverage while police brutality victims are denied a seat at the negotiating table the system is more forgiving of civil rights abuses than of the parking tickets disproportionately distributed in African American neighborhoods Across a broad range of crucial issues Unjust Debts reveals the hidden mechanisms by which bankruptcy impacts everything from sexual harassment to health care police violence to employment discrimination and the opioid crisis to gun violence In the tradition of Matthew Desmond s groundbreaking Evicted Unjust Debts is a riveting and original work of accessible scholarship with huge implications for ordinary people and will set the terms of debate for this vital subject

Bodies of Technology Ann Rudinow Saetnan,Nelly Oudshoorn,Marta Stefania Maria Kirejczyk,2000 This work is based on a concern for women s health and autonomy and on the premise that technology and society mutually shape one another A basic question is one of cultural appropriation Do technologies take on different shapes different practices and have different impacts as they spread from one place to another By juxtaposing a number of culturally and historically contextualized studies of similar technologies the editors demonstrate that although technologies globalize by spreading among cultures they are also localized by the cultures they encounter
