career in food her parents didn't support her choice despite her mother being a wonderful cook and the inspiration behind many of Tui's recipes. Still, Tui went to culinary school to pursue her dreams. Since then, she's been featured in major publications like *People* and her new restaurant Didi in West Hollywood has been covered by the *Los Angeles Times*, *LA Weekly*, *The Infatuation*, *Eater* and more. Tui honors food and culture in everything she does, and Didi exemplifies that with its authentic salty, sour, sweet, and spicy recipes, many of which have been simplified for modern cooks. You'll still find the bold flavors of lemongrass, garlic, shallots, chili peppers, and of course fish sauce, but presented in a way that even beginner home cooks will be able to cook and enjoy at home. Just like Tui's content for her growing legions of Instagram and TikTok fans, her cookbook is an invitation to share the love she has for her recipes, including Shaking Beef, Braised Catfish, Lemongrass Chili Oil Noodles, Fish Sauce Wings, Bo Kho, Birria Tacos, Bitter Melon Soup, Spicy Beef Noodles, Pho, and more. In addition to delicious recipes, you'll find tips and tricks on entertaining, making the perfect essential sauces and condiments, and so much more to elevate even the most beginner home chef's cooking.

Street Food around the World Bruce Kraig, Colleen Taylor Sen, 2013-09-09 In this encyclopedia, two experienced world travelers and numerous contributors provide a fascinating worldwide survey of street foods and recipes to document the importance of casual cuisine to every culture, covering everything from dumplings to hot dogs and kebabs to tacos. Street foods run deep throughout human history and show the movements of peoples and their foods across the globe. For example, mandoo, manti, momo, and baozi, all of these types of dumplings originated in Central Asia and spread across the Old World beginning in the 12th century. This encyclopedia surveys common street foods in about 100 countries and regions of the world, clearly depicting how fast foods of the common people fit into a country or a region's environments, cultural history, and economy. The entries provide engaging information about specific foods as well as coverage of vendor and food stall culture and issues. An appendix of recipes allows for hands-on learning and provides opportunities for readers to taste international street foods at home.
