Susie Learns The Hard Way:

Susie Learns the Hard Way Roger Quine,1999 **Confessions of a Scottsdale Cougar** Victoria Phillips,2009-11-25

The media perceptions of a COUGAR an oversexed desperate older woman on the prowl for nabe younger meat could not be more misleading Every ripened woman I know to be a real COUGAR is so diverse so deep and so much more The COUGAR today has evolved from a woman that has truly suffered to grow and mature Life has dealt her a hard blow at least once in her youth to teach her what her lifes purpose is truly about Those lessons that are the most painful are the lessons we grow the most from and everything is as it should be Life has taught her with pleasure and anguish those lessons so she can discover the real mystery of life and so she as a spiritually minded soul can connect to the divine divinity of life I have been all things unholy if God can work through me he can work through anyone St Francis of Assisi So if the COUGAR has chosen a sinful lifestyle why is she so mysterious and why have so many now look upon her as the new sexual icon and matron of the mystery of life Perhaps it is from her past sins that she has grown and gained the wisdom of the purpose of life and that is what makes her the most desirable of all Lets explore the fascinating lives of COUGARS Lets get to know about these extraordinary women who fully embrace the COUGAR lifestyle What makes them so astonishing Who are they and where have they come from What lessons has life taught them to make them so amazing What have they been through and where are they going Why do they love dating younger men What keeps them so viral How did they suddenly become so successful smart sexy and powerful How do they exhume such confidence Why have COUGARS become such centers of attention How have they made their middle age the new sexual icon How have these women redefined age and relationships as well as themselves And lastly what is it that makes them so astonishingly desirable **The Sailor's Sin Bin** Theo
