**Desarrollo Sostenible Del Ecoturismo** World Tourism Organization, 2001 2002 has been designated the International Year of Ecotourism by the United Nations The concept of ecotourism relates to tourism activities which observe and appreciate nature which contribute to its conservation and seek to minimise any negative impact on the natural and socio cultural environment The main objective of this publication is to disseminate good practices regarding the planning and management of ecotourism activities It contains 55 case studies from 39 countries which demonstrate a wide range of successful initiatives Each considers the stakeholders involved objectives and strategies funding sustainability and monitoring aspects problems encountered and solutions found in each project

**Indigenous Ecotourism** Heather Zeppel, 2006 Drawing on case studies from Pacific Islands Africa Latin America and Southeast Asia this book examines ecotourism enterprises controlled by indigenous people in tribal reserves or protected areas It compares indigenous ecotourism in developed and developing countries and covers cultural ecotours ecolodges and bungalows hunting and fishing tours cultural attractions and other nature based facilities or services

**Sustainable Development of Ecotourism** World Tourism Organization, 2003 The present compilation aims at providing a structured easy to understand description of exemplary practices especially in small ecotourism businesses The case studies contain rich details on methodologies and business approaches applied successfully by a wide range of ecotourism small and medium sized companies they provide a valuable well of information that can serve for generating ideas and adapting sustainable ecotourism practices to the specific local conditions elsewhere

*Sustainable Tourism & the Millennium Development Goals* Kelly S. Bricker, Rosemary Black, Stuart Cottrell, 2013 Endorsed by The International Ecotourism Society Sustainable Tourism The Millennium Development Goals Effecting Positive Change demonstrates how ecotourism and sustainable tourism can assist in supporting and meeting the goals set forward by the Millennium Development Goals MDG and how it can foster a global partnership for development The text discusses how ecotourism and sustainable tourism can assist in supporting and meeting the MDG by drawing on case studies and examples The final summary chapter discusses how ecotourism and sustainable tourism can assist in supporting and meeting the MDG by 2015 and identifies the challenges and goals that need to be considered in the future In this edition you will find Historical perspective of the development of ecotourism and sustainable tourism The Millennium Development Goals defined Overview of how ecotourism and sustainable tourism can assist in meeting the goals of the MDG Engaging case studies and examples to reinforce the concept

**International Handbook on Ecotourism** Roy Ballantyne, Jan Packer, 2013-01-01 Roy and Jan have assembled a timely snapshot of our current understanding of ecotourism both as a concept worthy of scientific inquiry and as an increasingly significant segment of global commerce and industry A terrific piece of work Sam Ham University of Idaho US In the 30 or so year since it became established in the tourism literature and in tourism practice ecotourism has attracted as many proponents as opponents This Handbook now brings

together some of the leading scholars worldwide in this field to explore the current position of this form of tourism In doing so it offers serious critiques it explores meanings and paradoxes it offers best practices and it looks to the future It is the Handbook for one of tourism's fastest growing and controversial sectors David Airey University of Surrey UK This is a most welcome and needed book With a very strong editorial team and contributing authors the Handbook covers all the key issues of ecotourism It cuts through the confusion surrounding the much misunderstood concept of ecotourism clearly dealing with definitions concepts and research issues The Handbook is particularly welcome for its focus on the visitor experience a strength of the editors and for clearly linking the theory of ecotourism with practice in the field Christopher Cooper Oxford Brookes University UK This Handbook brings together contributions from over forty international experts in the field of ecotourism It provides a critical review and discussion of current issues and concepts it challenges readers to consider the boundaries of what ecotourism is and could be The Handbook provides practical information regarding the business of ecotourism insights into ecotourist behaviour and visitor experiences and reflections on the practice of ecotourism in a range of different contexts The Handbook is designed to be a valuable reference book for tourism scholars and researchers

Critical Issues in Ecotourism James E. S. Higham, 2007 Identifies and addresses critical issues in ecotourism This book provides the reader with contributions from international scholars that address issues of relevance incorporating scientific insights in specialised fields of research for example identifying and protecting critical habitats where tourists engage with endangered species Ecotourism and Environmental Sustainability Tim Gale, 2016-04-29 This book offers conceptual and practical insights into the complex interactions between ecotourism and the natural environment with consideration given to government policy marketing by suppliers consumer behaviour and visitor environmental management Illustrated by international case studies the roles of and interplay between tour operators their clients resource managers and local communities are examined This creates a comprehensive and insightful overview of the factors that work for and against the achievement of environmental sustainability in and through ecotourism The result is a critical examination of ecotourism and environmental sustainability that highlights ideas for best practice and proposes new directions for future research
