Development Ross Garnaut, Enzo Grilli, James Riedel, 1995-09-29 This book first published in 1995 looks at the East Asian economies post war development and assesses the possibilities of transferring East Asian development elsewhere Written and edited by economists Sustaining Export Oriented Development traces the changes in the thinking of policy makers and advisers about the policies required for economic development especially the changed emphasis from import substitution to outward orientation which coincided with the East Asian economies success Several contributors focus on identifying the key factors in the growth of these dynamic economies Others look at future constraints such as the environmental limits to

growth and the sustainability of export growth in China This book makes a significant contribution to the discussion of economic growth and development issues and will be of interest to those in economics trade and aid and others concerned with public policy

World Bank East Asia and Pacific Economic Update April 2016 World Bank,2016-04-11 In the past 6 months developing East Asia and Pacific has faced a challenging external environment but growth has generally remained resilient Over the next 3 years growth is expected to ease modestly China will continue its gradual shift to a more sustainable growth path Some economies will be affected by low commodity prices and weaker external demand This outlook is subject to elevated risks Countries should prioritize monetary and fiscal policies that reduce their exposure to risks and strengthen market confidence In China there is a need to reduce leverage In several countries action is required to enhance transparency strengthen accountability and redefine the role of the state Efforts to reduce barriers to trade should be redoubled with a particular focus on non tariff measures and regulatory barriers including to trade in services The region must increase its readiness to benefit from the digital revolution and in particular develop the essential analog complements to digital technologies

Power Transition in Asia David Walton,Emilian Kavalski,2016-08-12 Current preoccupations with the rise of Asia attest to the nascent contestation of the very idea of what the pattern of international politics should look like and how it should be practiced In this respect the growing reference to a shift to the East in global politics has become a popular shorthand for the nascent power transition in world affairs This volume offers a detailed conceptual and empirical investigation of the dynamics of power transition in Asia and details the accommodation strategies and coping mechanisms of different small and middle powers in Asia and importantly China s responses to these approaches

The Asian Development Bank Nihal Kappagoda,1995

Development and Structural Change in Asia-Pacific Martin Andersson,Christer Gunnarsson,2003-09-02 The authors consider how the Asia Pacific economies have developed since the financial crises and highlight two inter related themes the effect of global forces on the national Asian economies and the different development paths of these economies as they jointly enter this new phase Questions raised by the book include is globalization a threat to development and prosperity in the Asia Pacific or did globalization rather facilitate and accelerate the pace of industrialization among late industrializers in the region is there a single Asia Pacific development model or did the crisis show this to be false did the financial crisis reveal structural weaknesses in an Asia Pacific state led model or was state leadership already in demise Development and Structural Change in Asia Pacific provides a useful and relevant account of how the global economy has led to structural changes within Asian economies

Asia-Pacific Economies Iyanatul Islam,Anis Chowdhury,1997 Why is the centre of international economic dynamism moving towards the countries of the East and South East Asia Are there common elements that explain this success Divided into two parts the authors consider the central debates concerning the developm

East Asia United States International Trade Commission,1993

Industrial Policies In The Pacific Gunnar K. Sletmo,2019-04-01 In GATT negotiations over the past several years the United States a

founding member of the Asia Pacific Economic Cooperation Forum has been pushing hard for a global liberalization of trade in services This development would have special significance for the Pacific because of the intensifying competition between the United States and Japan for market shares A comprehensive analysis of the service sector's role in that dynamic region is offered in this timely volume Leading experts explore how service enterprises have affected trade in goods and transnational manufacturing forming a regional pattern of interdependence The authors assess each service sector from a regional perspective and offer detailed individual country studies as well The concluding chapters provide a broad overview of corporate strategies discuss questions of regional cooperation and identify opportunities for new regional service enterprises

Japan and Asia-Pacific Integration Pekka Korhonen, 2008-01-28 Japan and Asia Pacific Integration is a study of regional integration in the greater Pacific area during 1968-1996 It examines the political rationale of such international organisations as the Asia Pacific Economic Co operation APEC forum and the East Asian Economic Caucus EAEC There is a focus on Japanese conceptions of regionalism and integration but the attitudes of other countries such as the United States Australia Malaysia and China are also explored
