Swan Songs The Complete Hooded Swan Uk:

Swan Songs Brian M. Stableford, 2002 Swan Song John Galsworthy, 2016-01-12 In Washington District of Columbia the Fall sun shone and all that was not evergreen or stone in Rock Creek Cemetery was glowing Before the Saint Gaudens statue Soames Forsyte sat on his overcoat with the marble screen to his back enjoying the seclusion and a streak of sunlight passing between the cypresses With his daughter and her husband he had been up here already the afternoon before and had taken a fancy to the place Apart from the general attraction of a cemetery this statue awakened the connoisseur within him Though not a thing you could acquire it was undoubtedly a work of art and produced a very marked effect He did not remember a statue that made him feel so thoroughly at home That great greenish bronze figure of seated woman within the hooding folds of her ample cloak seemed to carry him down to the bottom of his own soul Yesterday in the presence of Fleur Michael and other people all gaping like himself he had not so much noted the mood of the thing as its technical excellence but now alone he could enjoy the luxury of his own sensations Some called it Grief some The Adams Memorial He didn't know but in any case there it was the best thing he had come across in America the one that gave him the most pleasure in spite of all the water he had seen at Niagara and those skyscrapers in New York Three times he had changed his position on that crescent marble seat varying his sensations every time From his present position the woman had passed beyond grief She sat in a frozen acceptance deeper than death itself very remarkable There was something about death He remembered his own father James a quarter of an hour after death as if as if he had been told at last A red oak leaf fell on to his lapel another on to his knee Soames did not brush them off Easy to sit still in front of that thing They ought to make America sit there once a week The Swan Song of Dr Malloy Robert Power, 2013-05-01 London based scientist Anthony Malloy has made a

discovery that will hugely benefit global health A pharmaceutical company is keen to market his invention of the single use syringe but its backing comes at a terrible price What ensues entangles Anthony in a web of intrigue and blackmail that has unforeseeable and surprising consequences for him and the women in his life his radical sister his musically gifted daughter and his soon to be ex wife His dilemma fuelled and conscience ridden journey takes him from London to Vietnam and Thailand and then on to Chicago and Bogota With characters that we care about an original and daring premise and an assured lightness of touch this is taut engaging fiction from the author of the critically acclaimed In Search of the Blue Tiger

Swan Song Brian Stableford,2012-01-12 In a galactic culture that extends from quasi Utopian worlds such as New Alexandria to vermin infested slums like Old Earth, the Star Pilots have become the great heroes of the day. Grainger has become a legend in his own time, flying the prototype vessel of a new starship. Having escaped from his contract with Charlot, Grainger is hounded by the Caradoc Company who wants to extract everything from his brain about his former employer. But Charlot has other plans and Grainger suddenly finds himself back on the Hooded Swan, leading a rescue mission for the Swan's sister ship in the bizarre Nightingale Nebula. This last voyage proves costlier than the previous ones as Grainger must risk not only his life but his very soul. Hooded Swan Book Six
