witch hunts has been changing in scholarly works and text books is as illuminating an issue as the proper explanations offered by the research works Contributors include Rune Blix Hagen Ronald Hutton Gunnar W Knutsen Marianna G Muravyeva Marko Nenonen Raisa Maria Toivo Charles Zika *The Scottish Witch-Hunt in Context* Julian Goodare,2002-09-21 This book is a collection of essays on Scottish witchcraft and witch hunting which covers the whole period of the Scottish witch hunt from the mid 16th century to the early 18th It particularly emphasizes the later stages since scholars are now as keen to explain why witch hunting declined as why it occurred There are studies of particular witchcraft panics including a reassessment of the role of King James VI The book thus covers a wide range of topics concerned with Scottish witch hunting and also places it in the context of other topics gender relations folklore magic and healing and moral regulation by church and state Puritan Witch; The Redemption of Rebecca Eames: Book One of the Puritan Chronicles Peni Jo Renner,2016-11-07 On a cold night in 1692 two young girls are caught up in the divining games of a slave woman and then begin to act very strangely when the game goes wrong Six months later as news of the girls strange behavior becomes known fear and suspicion overwhelm a nearby farming community pitting neighbors against neighbors and turning friends into enemies When Rebecca Eames makes one careless utterance during a verbal attack on her family she is falsely accused of witchcraft After her fate is decided by three magistrates Rebecca must endure a prison sentence during which she and her fellow captives have no choice but to valiantly struggle to find humanity and camaraderie among dire conditions In this novel based on a true story a woman wrongly imprisoned during the seventeenth century witchcraft trials comes full circle when she must determine if she can somehow resume her life despite all she has endured *The Witch's Book of Wisdom* Patricia Telesco,2003 In this earthy practical and wise volume Telesco offers sound advice on magick and spirituality as they coincide with everyday life With the lessons and insights she has gained over the last eighteen years she explores a variety of issues that are key to every witch s growth while also demystifying many modern myths about witches **Mary Schweidler, the Amber Witch** Wilhelm Meinhold,1845 A Storm of Witchcraft Emerson W.
