Swedish Cavalier:

The Swedish Cavalier Leo Perutz, 2014-06-03 A thief and a nobleman both down on their luck cross paths on a bitter winter's day in 1701. One known locally as The Fowl Filcher is fleeing the gallows; the other the callow Christian von Tornefeld has escaped execution to fight for his Swedish king. Neither will reach his destination. Sent with a message to secure aid for von Tornefeld, the thief falls in love with his companion's secret fiancée. He resolves to win her love for himself and through a clever stratagem exchanges his fate for the other man's. Risking everything to attain the woman and station of his dreams, he becomes the Swedish cavalier, staying one step ahead of exposure. Later he sacrifices everything so that his daughter won't learn of his secret past. In this book he considered his masterpiece, Leo Perutz has created a picaresque world of barons and brigands, swashbuckling dragoons and spurned lovers, gentleman farmers and masked robbers, and lucky parchments, magic spells and mystical visions. Part adventure, part historical novel of war-ravaged Europe, *The Swedish Cavalier* is also a moral tale of deceit, betrayal and redemption. Skyhorse Publishing, as well as our Arcade, Yucca and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction, novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Literature and Translation in the Licensing Realm Alexander Nebrig, 2025-07-26 Following the historical analysis that focused on the actors and the institutions of book culture in the first volume, volume two discusses writing strategies in the global licensing realm as well as revealing the form, character and structure of multilateral literature. Globalized texts address audiences of different languages and cultures. Using German literature from the 19th century to the present, six literary techniques that engage transnational audiences are analyzed: the internationalization of textual reference, the pluralization and decentering of space, the staging of mediation, the effects of multilingualism, transnational issues and the global novel.

Subversions Margot Francis,2011-12-01 Creative Subversions explores how whiteness and Indigeneity are articulated through images of Canadian identity and the contradictory and contested meanings they evoke These benign even kitschy images she argues are haunted by ideas about race masculinity and sexuality that circulated during the formative years of Anglo Canadian nationhood In this richly illustrated book Margot Francis shows how national symbols such as the beaver the railway the wilderness of Banff National Park and ideas about Indianness evoke nostalgic versions of a past that cannot be expelled or assimilated Juxtaposing historical images with material by contemporary artists she investigates how artists are giving these taken for granted symbols new and suggestive meanings **35000+ Swedish - French French - Swedish**
