The Cultivator & Country Gentleman ,1877 Harper's Bazaar ,1881 *The Story of a Soul; Or, Thoughts on the Parable of the Prodigal Son* Francis Nicoll Zabriskie,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1872 edition Excerpt That there are sons in His church but little alive to the immeasurable significance of conversion and having but little share in the joys and sorrows of God over their lost and rescued brothers is astoundingly true and led the Master to add a supplement to his parable There is such a thing as religious selfishness taking one's portion of spiritual good and gloating over it in a corner These are the soul misers and have need of repentance as well as the prodigal They will soon be in the far country if they are not already there without knowing it For if we love not our brother whom we have seen we certainly will not long abide in God's love When converts are multiplied in a church there is always a little band whose genuine joy is greater than when their corn and wine increase There is a larger number who try to feel as these feel and perhaps almost persuade themselves that they do There is a third class who pretend to a joy which they know they have not And there is a fourth and final division who neither feel nor pretend Instead of being roused to unspeakable gratitude to God and intense tenderness towards the convert they are able to stand aloof as critics and skeptics They are fairly incensed at the excitement which pervades the church They can see nothing in a revival to take Christians off their feet The church's joy should rather be in the number of its respectable members of long standing and good standing Or if they express satisfaction at the increase of membership their complacency is in proportion to the previous moral social and financial status of the incomers The brethren who have labored so long with that poor drunken coal heaver and who are so exhilarated at their success are The Story of a Soul, Or, Thoughts on the Parable of the Prodigal Son Francis Nicoll Zabriskie,1872
