**Independence Days** Sharon Astyk,2009-11-01 Be warned Independence Days will change the way you eat It is not just a guide for storing food but a manual for living in a changing world Kathy Harrison author of Prepping 101 Hard times aren t just coming they are here already The recent economic collapse has seen millions of North Americans move from the middle class to being poor and from poor to hungry At the same time the idea of eating locally is shifting from being a fringe activity for those who can afford it to an essential element of getting by But aside from the locavores and slow foodies who really knows how to eat outside of the supermarket and out of season And who knows how to eat a diet based on easily stored and home preserved foods Independence Days tackles both the nuts and bolts of food preservation as well as the host of broader issues tied to the creation of local diets It includes How to buy in bulk and store food on the cheap Techniques from canning to dehydrating Tools what you need and what you don t In addition it focuses on how to live on a pantry diet year round how to preserve food on a community scale and how to reduce reliance on industrial agriculture by creating vibrant local economies Better food plentiful food at a lower cost and with less energy expended Independence Days is for all who want to build a sustainable food system and keep eating even in hard times Astyk builds a sturdy path to a full larder a safe family and a more secure community Robin Wheeler author of Food Security for the Faint of Heart      *START PREPPING!: GET PREPARED—FOR LIFE* Tim Young, The ultimate guide to personal preparedness No scare tactics Just a 10 step guide to practical preparedness for every family You don t like to think about it but deep down you know it can happen Disaster can strike without warning leaving your family without water food or electricity and without medical or police support How will you survive when that happens How will you protect your family from threats of violence Buying insurance writing wills getting our teeth cleaned and saving for retirement are just a few of the precautions we routinely take to mitigate risks but

most people fail to prepare for what's most important. They fail to prepare for their own survival. With 91% of Americans living in places at a moderate to high risk of disasters and with all of us dependent on a very fragile life support system, it's time for you to take preparedness seriously. After reading this book, you will understand the 27 disasters you're likely to face, know why some people survive when others don't, and how to ensure your family survives. Master situational awareness and the survival mindset you need to avoid becoming a victim of violence. Know when to stay, when to bug out, and how to implement an evacuation plan. Learn the best non-firearm options for self-defense. Discover the best ways to generate electricity, store water and food, and handle sanitation and medical care on your own. **Start Prepping** is the most actionable common sense guide to personal preparedness. It will help your family comfortably survive everything from pandemics to manmade and natural disasters. And it will help you stay safe from civil unrest and everyday violence. We can't hide from the risks we face, but we can prepare for them. Read **Start Prepping** now and give yourself some peace of mind. Because the day after disaster strikes is too late.

*The Ultimate Prepper's Survival Guide* James Wesley Rawles, 2020-10-20. Take the initiative and be ready to survive.
