Stockman Stories:

The Farmer and Stockman ,1928 The Stockman Story ,1992 John Stockman was baptized 15 December 1645 in Whiteparish Wiltshire His parents were John Stockman and Anne Leigh He emigrated in the 1660s and settled in Salisbury Massachusetts He married Sarah Pike daughter of Robert Pike 1615 1707 and Sarah Sanders Their ancestors and descendants lived mainly in England and Massachusetts National Stockman and Farmer ,1910 Reagan's War Stories Benjamin Griffin,2022-09-15 Reagan s War Stories examines the relationship between Ronald Reagan the public and popular culture From an overview of Reagan s youth and the pulp fiction he consumed we get a sense of the future president s good evil outlook Carrying that over into Reagan s reading and choices as president Griffin situates narrative at the center of Reagan s political formation and leadership providing a compelling account of both Reagan s life his presidency and a lens into non traditional strategy formulation Author Ben Griffin tells three stories about an American president who ushered in the end of the Cold War A survey of Reagan s youth and the fiction he consumed and created as an announcer and actor reveals how the future president s worldview developed A look at the rise of fiction and popular culture rife with pro Americanism in the 1980s details a uniquely symbiotic relationship between the chief executive and popular culture in framing the Cold War as a struggle with an Evil Empire in the Soviet Union Finally Griffin outlines how presidential personality and reading preferences shaped President Reagan s pursuit of the Star Wars initiative and belief in the transformative combination of freedom and technology Griffin demonstrates that novels by Tom Clancy Louis L Amour and science fiction influenced Reagan s view of 1980s geopolitics His identification with fiction led Ronald Reagan to view European Cold War issues with more empathy but harmed the president s policymaking when the narrowness of his reading led him to apply a white hat black hat framework that did not match the reality of conflict in Latin America Reagan treated fictional portrayals seriously believing they shaped public views and offered valid ways to think through geo political issues Seeking to shape the reading habits of the public his administration sought to highlight authors who shared his worldview like Tom Clancy Louis L Amour and Allen Drury over other popular writers like Robert Ludlum and John Le Carr who portrayed the Cold War in less stark moral terms The administration s favored popular authors in turn intentionally incorporated Reagan era policies into their work to advocate for them through fiction thus reaching a broader audience than via official government releases and speeches Showing how Reagan used narrative as both a consumer and a communicator Griffin notes that Reagan identified with certain stories and they shaped him as a political leader and later influenced his approach to complex issues When handled deftly incorporating fiction created a common language across the administration and provided a way to convey messages to the masses in a memorable fashion The Record Stockman ...
