**Words on Cassette** ,1992 Visitor ,2002 **On Cassette** ,1990 **6 Minutes to Financial Freedom** Anson Massey,2003-04 For years the church has been mystified about the topic of money Some church traditionalists believe that if a Christian talks about money it is a sign of greed Consequently the church makes up some of the least educated individuals in our country on the topic of money and investing Most people don t realize that God has a divine plan for money in the life of a Christian As a matter of fact there are twice as many scriptures in the Bible dealing with finances estate planning and relationships as there are verses on salvation and heaven or hell Even though God has already given us 66 books on financial management Christians still ask blind financial questions in the church such as am I supposed to be poor Does God have anything to say about credit cards Will I ever get out of debt How do I clear my credit What does faith have to with money Why do I have to tithe Does God bring bad stuff on me 6 Minutes to Financial Freedom is designed to solve the Christian s dilemma of trying to figure out how to tap into God s financial plan This book starts off with my recount of the events of my aneurysm a little over one year ago and then proceeds into the proverbial question what is the meaning of life This question is eloquently answered and then the discussion shifts to the most powerful human asset on earth the mind because every person is where he or she is financially because of who they are mentally The reader then embarks upon the odyssey of trying to understand how their financial plight began Since 98% of people in America who work a job for 40 years to retirement are either dead or dead broke it is fair to say that everyone needs a plan B The distinction between good debt and bad debt is addressed along with the traps of high interest credit cards We show our readers where the Bible and the best financial minds in print agree We call this place Utopia because if you can hone in on these areas you will have a financial plan that is both spiritually and tactically sound This book also gives the reader the chance to find salvation because we believe that this book will have appeal both in and out of the Christian community Therefore this topic is absolutely essential to the overall message of the book and will be found in any other 6 Minutes series books This book provides the reader the chance to ask Jesus to come into their life as their personal savior And once an individual understands the importance of a personal relationship with God we then introduce a daily spiritual game plan The concept of 6 Minutes is summarized as follows tithing is a key concept in the Bible that applies to every area of life In particular people

are more important to God than their money Therefore for believers to begin developing their personal relationship with God we advise them to start tithing their time A tithe is 10% So 10% of an hour is 6 minutes They start by devoting 6 minutes of every waking hour to God and before they know it their relationship with God begins to flourish and once that happens they are truly on your way to lasting financial freedom Thus the title 6 Minutes to Financial Freedom and actually with God as the foundation an individual could literally be only 6 Minutes away from anything they need from God This is important because some people in society are rich today broke tomorrow This is not God s desire for His people To highlight God s plan there is a road map in the book that is the single most important page in the entire book because this foundation forming document will be the genesis of every other 6 Minutes series book It will also guide a Christian out of poverty and into prosperity To add the finishing touches the book is wrapped up at the end with a nice tight bow of all the 250 scriptures used throughout the book just in case the reader happens to be in a place where a Bible is not handy Christians have no more excuses for being financially illiterate God is looking for good stewards and You are just 6 minutes away from anything you will ever need from God
