Loewen, 2020-09-01 Up a Creek With a Paddle is an intimate and often humorous memoir by the author of Lies My Teacher Told Me James W Loewen who holds the distinction of being the best selling living sociologist today Rivers are good metaphors for life and paddling for living In this little book Loewen skillfully makes these connections without sermonizing resulting in nuggets of wisdom about how to live how to act meaningfully and perhaps how to die Loewen also returns to his life s work and gently addresses the origins of

racism and inequality the theory of history and the ties between the two But mostly as in his life he finds rueful humor in every canoeing debacle and he has had many      **Their Canoe Trip** Mary Prudence Wells Smith,1889      **Their Canoe Trip** Mary Prudence Wells Smith,1907      **Canoeing with the Cree** Eric Sevareid,2004 First published in 1935 Canoeing with the Cree is Sevareid s classic account of a youthful odyssey a summer long canoe trip from Minneapolis to Hudson Bay Includes a new Foreword by Arctic explorer Ann Bancroft      **Keep on Paddling** Roy Cerny,2022-01-10 The events in these true tales of the canoe country of northern Minnesota and Ontario were compiled over the authors lifetime of experiences in the woods Working with Boy Scouts and in his later years with employees friends family and folks from his church the author has led perhaps over 500 people on trips into the Boundary Waters The experiences on these trips over the past 50 years have provided a wealth of material that the author has crafted into enjoyable stories Some of the stories are educational many are hilarious more than a few are inspirational all of them are entertaining Each story stands alone but the book is best read from the front Words followed by asterisks are defined in a glossary for readers unfamiliar with canoeing or the Boundary Waters Canoe Area Wilderness After reading this book the author hopes you will be better informed about the lake country you will have a greater appreciation for the wilderness and you might even be encouraged to take a canoe trip to see Gods country for yourself If this is true then the author has succeeded in his purpose      My Travels by Canoe William V. McNaul,2005-10-07 The story begins with the author as a child getting an unwitting education in the ways of moving water by playing in the creek that flowed by his boyhood home The McNaul residence was located between a railroad embankment and a highway which were confining borders for a kid growing up Finally aging and being permitted beyond these barriers lead to the discovery of canoeing The first trials and errors of boating and a slow advance to different types of canoe trips are covered in the text Then a birthday gift of a Pennsylvania stream map changed the authors canoe plans to give them some direction and a goal to complete all of the canoeable waterways in the state was formed At first the aim to do all of the creeks was not too seriously taken but as the blue lines on the map were filled in this indicated that it could be achieved The pursuit of a lot of little creeks and unrecorded ones finally led to completion of the goal over thirty three years of paddling The struggle to complete the most difficult creek was a high point in the game and a ten yard escape from going over a thirty foot waterfall was an event the author would never forget The adventures of the course taken on tide waters in swamps through industrial zones of hazards encountered wildlife and severe weather conditions are spread throughout the writing Memories of the twenty two canoes and kayaks used and of the large ships that his canoe had been up close to on the Delaware River and Lake Erie are mentioned for the record The voyagers who traveled with the author on unknown creeks and on week long river journeys brought life to the activities of the day Some of the many interesting people met along the highway of water are included in the writings In the end the author reviews some of the good and bad practices of canoe sport with the hopes of improving establishment thinking throughout the canoe kayak fraternity William V McNaul      **Canoeing in the**

**Wilderness** Henry David Thoreau, 2015 Welcome to simplicity You are holding the only wilderness paddling guide that tells you not just what gear you need but what to leave behind and how to judge the difference Welcome to discovery This guide equips you to design and plan your own expedition instead of slavishly following a trip mapped by an expert Welcome to experience Any good book can outline the requisite skills for backcountry paddling This one also shows by example when and why to use them Here are the keys to canoe tripping whether for expeditions of one to one hundred days Alan Kesselheim is both a master paddler with 25 years and more than 10 000 miles of wilderness paddling behind him and a writer of uncommon grace and skill He has created here a book of concentrated wisdom that is so pleasurable to read you may scarcely realize how much you re learning The Wilderness Paddler s Handbook packages rich nuggets of experience in stories that entertain while they instruct Most how to books are written either to grow into or to outgrow Not this one You can start with The Wilderness Paddler s Handbook and you can keep going You can paddle right off the map
