Stories Of The Clans:

Stories of the Clans Rennie McOwan,1985 *Tales of the Merbeing Clans* Jolynn Rose,2014-11-14 This is a story about Agatha and Frank who have been stranded on an island going on three years They have been living on Rosland Island with the merbeings called the Roslander During this time they have learned a lot about merbeings They have discovered there are many different merbeing clans and they have been lucky enough to meet eight different clans Native American Animal Stories Joseph Bruchac,1992 THESE STORIES FIRST APPEARED IN KEEPERS OF THE ANIMALS Keepers of the Animals Michael J. Caduto,Joseph Bruchac,1997 Using stories to show the importance of wildlife in Native American traditions this book gives parents and teachers an exciting way to teach children about animals *The Social Life of Stories* Julie Cruikshank,2000-08-01 In this theoretically sophisticated study of indigenous oral narratives Julie Cruikshank moves beyond the text to explore the social significance of storytelling Circumpolar Native peoples today experience strikingly different and often competing systems of narrative and knowledge These systems include traditional oral stories the authoritative literate voice of the modern state and the narrative forms used by academic disciplines to represent them to outsiders Pressured by other systems of narrative and truth how do Native peoples use their stories and find them still meaningful in the late twentieth century Why does storytelling continue to thrive What can anthropologists learn from the structure and performance of indigenous narratives to become better academic storytellers themselves Cruikshank addresses these questions by deftly blending the stories gathered from her own fieldwork with interdisciplinary theoretical perspectives on dialogue and storytelling including the insights of Walter Benjamin Mikhail Bakhtin and Harold Innis Her analysis reveals the many ways in which the artistry and structure of storytelling mediate between social action and local knowledge in indigenous northern communities *Truth of a Hopi and Other Clan Stories of Shung-Opovi* Edmund Nequatewa,1936

Our Stories Remember Joseph Bruchac,2003 Our Stories Remember retells Native American stories Stories from the Marshall Islands Jack A. private sphere of the household and how the family helps explain the power women have found in the Neapolitan Camorra It is civil society and law enforcement agencies that continue to see the Camorra using traditional gender assumptions which render women irrelevant and lacking independent agency in the criminal underworld In *Women of the Mafia* Allum debunks these assumptions by revealing the power and influence of women in the Camorra **Living Histories** Chip
