## Story Chest:

*The Story Maker* Frances Dickens, Kirstin Lewis, 2018-09-13 The Story Maker is an innovative manual designed to help children aged 4-11 write creatively. Packed with original colour illustrations the book is full of handy tips and guidance that will inspire children of all abilities to write their own stories and broaden their vocabulary. Each chapter focuses on a key element of story writing for example story types settings characters feelings and time. The chapters contain writer's tips and easy to implement suggestions as well as interactive activities designed to help children practise using new vocabulary. Introductory material on narrative planning explores story development and guides children to shape their own stories. Key features include a simple layout that will appeal to children photocopiable material that can easily be used in class a separate introduction for older children who can work alone an expanded section on narrative planning with new content on character setting plot conflict and resolution now in larger A4 format for ease of photocopying. The updated third edition of this inspiring resource can be used by teachers and parents to develop children's creative writing and help support National Curriculum Literacy objectives in Key Stages 1 and 2.

This collection of engaging and content focused activities will help you nurture literacy in your classroom or the entire school. Filled to the brim with suggestions for engaging students with books in a meaningful and academic way you will be able to use these activities with small or large groups. They allow students to bring their own reading experience regardless of level of proficiency to the table to use as the basis for learning about reading and writing. And this resource will help mentor every student's most effective literacy model you. You'll be given full background information for all activities so that you can set the tone for a confident and considered approach to the love of books.

**Your Asthma Story : Asthma and Allergic Rhinitis (Hay Fever) Education for the Layperson** Sheilah Mitchell, SRN, RM, RHV, DNE, Gasping and shortness of breath after even minimal activity does not have to be in the cards for asthmatics. Just because you have asthma doesn't mean you can't live a normal life. Sports and activities are possible. Your Asthma Story Asthma and Allergic Rhinitis Hay Fever Education for the Layperson lays out the argument that by regularly taking the proper medicine you can avoid the symptoms of asthma. Many asthmatics believe they can never do sports and parents often stop their asthmatic child from taking part in activities because their child coughs or gets out of breath with exercise. They don't realize that there are medicines designed to avoid all these symptoms and that the asthmatic can lead a normal life. Learn the signs and symptoms of asthma and what to tell your doctor. The book includes a short anatomy of the airways and the changes that take place in the lungs with asthma. An asthma management plan with frequently asked questions and instructions on taking medicine and using breathing devices are explained. The important thing is that patients must continue to take their medicine even when they feel better. You can win the race defeating asthma and soar with eagles.
