Why I Am Still Surprised by the Power of the Spirit Jack S. Deere, 2020-04-07 In his classic *Surprised by the Power of the Spirit* Jack Deere looked at the reason why many Christians including himself at the time struggle to believe in miraculous gifts and he provided a groundbreaking biblical defense of the Holy Spirit's speaking and healing activities today In *Why I Am Still Surprised by the Power of the Spirit* the former Dallas Seminary professor revisits his earlier subject matter with fresh insight and even stronger conviction the Scriptures teach that God is healing and speaking today just as he did 2 000 years ago Having almost entirely rewritten *Surprised by the Power of the Spirit* this new edition comes at a time when the theological landscape has dramatically changed and most evangelicals do believe in all the gifts of the Spirit But many of us are still unsure how to understand those gifts and there is much confusion today on what it means to be filled with the Spirit This book is for those familiar with Deere's work and for newcomers alike In it he Explains the nature of spiritual gifts defining each of them Offers sound advice on discovering and using spiritual gifts in church Tells documented stories of modern miracles and encounters with demonic powers Examines the New Testament use of the phrase filled with the Spirit to show why and how God still fills his servants with the Holy Spirit Introduces the newest literature defending and explaining the gifts of the Spirit With the care of a scholar and the passion of personal experience this new edition builds upon the legacy of *Surprised by the Power of the Spirit* and the profound impact it's had among Christians of many traditions

*Surprised by the Power of the Holy Spirit* Jack Deere, 2006-01-01 What caused a professor in a conservative evangelical theological college to change his mind about the Holy Spirit so radically that he had to leave Powerful authoritative yet easy to understand and compelling to read this has become a landmark book for all seeking to understand the present work of the Holy Spirit

given today What convinced someone skeptical about miracles that God still speaks and heals A dramatic change took place in Jack Deere s life when he took a fresh look at the Scriptures He discovered that his arguments against miraculous gifts were based more on prejudice and lack of personal experience than on the Bible As soon as Deere became a seeker instead of a skeptic the Holy Spirit revealed himself in new and surprising ways In *Surprised by the Power of the Spirit* Deere provides a strong biblical defense for the Spirit s speaking and healing ministries today He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way Finally he gives sound advice for using spiritual gifts in the church Written in a popular style with the care of a scholar but the passion of personal experience this book explores The real reason Christians do not believe in miraculous gifts Responding to Charismatic abuses Were miracles meant to be temporary Why God still heals Must reading for all Bible believing Christians I wish with all my heart I could place it in the hands of every conservative evangelical James Robison Life Outreach International

**Strangers to Fire** Robert Graves, 2016-11-01 This is an anthology of 35 essays edited by Robert W Graves President of The Foundation for Pentecostal Scholarship written by 26 authors of the Pentecostal Charismatic and Third Wave movements or non cessationists of traditional denominations responding to John F MacArthur's Strange Fire or cessationism and the abuse of the charismata in general Foreword by J Lee Grady Authors include Wayne Grudem Jack Deere Craig Keener Jon Ruthven Sam Storms Doug Oss Mel Robeck Paul Elbert Randy Clark Robert Menzies J P Moreland Gary Greig Mark Rutland Gary Shogren William De Arteaga William K Kay and Melvin Hodges

**The Holy Spirit as Person and Power** Rob Yule, 2020-01-10 In just over one hundred years the Pentecostal charismatic movement has transformed world Christianity Noted for their rediscovery of spiritual gifts and commitment to world evangelization 700 million Pentecostals and charismatics now account for more than 27 percent of the global Christian movement The Pentecostal charismatic movement has been more noted for its activism than for theological reflection But this may be changing The Holy Spirit as Person and Power challenges traditional theology to take account of what has been disclosed in the dynamism and variety of charismatic experience The author is a theologically trained practitioner impacted in midlife by a transforming experience of the Holy Spirit He has been a hands on leader in the renewal movement Now in his later years he reflects on the meaning of the grace imparted to the church by the renewing activity of God's Spirit This is not the work of an enthusiast claiming a new revelation Rather the author draws attention to many nuances in the Bible's description of the Spirit that have been overlooked in traditional pneumatology By relating these insights to Orthodox Catholic Protestant and evangelical

theology he has produced a book with ecumenical implications for all branches of world Christianity     The Beginner's Guide to Spiritual Gifts Sam Storms, 2013-03-18 Your Gifts Reveal God's Presence and Power The apostle Paul wrote There are varieties of gifts but the same Spirit To each one is given the manifestation of the Spirit for the common good 1 Cor 12 4 7 But what are these spiritual gifts How do you know if you possess them And if you do how do you use them In The Beginner's Guide to Spiritual Gifts Sam Storms will help you answer basic and foundational questions about the what why and how of the unique gifts God gives to each of His children You will discover the purpose of spiritual gifts in the Church and learn how to identify your special mix of gifting In addition you will find out how the Holy Spirit uses the supernatural manifestation of gifts to demonstrate God's presence and power among His people God has gifted you now learn how to use His good gifts for His glory     **Book 10 Miracles HC** Kurt Jurgensmeier, 2012-08-22 How does God supernaturally reveal Himself This book is a detailed introduction to the complex controversial but vital topic of miracles The topic would be difficult enough but the claims and teaching of charismaticism have made a biblical understanding of miracles even more critical but also more complicated In the course of this Bible study we endeavor to answer such questions as What is a miracle How do we avoid the extremes between anti supernaturalism which claims there are no miracles and super supernaturalism which claims an abundance of them What are the different types of miracles and why is it critical to distinguish them What are the myriad of ways that God has miraculously spoken and which of these can we expect today What is the biblical place and attributes of dreams and visions What is the embarrassing history and alarming dangers of the super supernaturalism at the heart of the charismatic movement     *The Healing Power of God* Stan Jantz, 2021-01-05 Do you really believe in miracles You believe God is who he says he is but it's easy for that belief to be more theoretical than practical You have faith he can heal you know he has performed miracles and you agree he does love you yet if you're honest you don't expect him to intervene supernaturally in your life The Healing Power of God is here to shatter those limited expectations of your Creator and let you realize his ability and willingness to do the impossible Author Stan Jantz will inspire you to embrace God's supernatural nature and increase your awareness of how God can work in your daily life This book will help you understand what obstacles keep you from accepting and anticipating miracles why recognizing God's supernatural character is an integral part of your faith how you can actively experience God's restorative touch on earth You don't have to wait for heaven to witness God's wondrous abilities in action The Healing Power of God will enable you to live each day confident that your heavenly Father's readiness to perform miracles is as real as it was in the times of the Bible Includes a 30 Day Devotional Journey to a Biblical Embrace of the Supernatural Today     **The Word and Power Church** Douglas Banister, 2009-09-03 You don't have to head overseas to find a war In the church the rhetorical cross fire between evangelical and spirit filled Christians over the past hundred years has been withering No scriptural foundations is the charge evangelicals have leveled at the charismatics No spiritual power the latter have countered The boundaries are clear The positions are taken and guarded Either you're a Word

person or a Power person Today though such black and white either or thinking is giving way to the liberty and promise of a Word and Power church Pastor Doug Banister shows why we cannot afford to settle for less It s time to bury our differences which are largely artificial and discover the incredible potential that arises when evangelicals combine their strengths with Pentecostals and charismatics Taking a long careful and honest look at the Scriptures at church history and at the state of the church and the world today Pastor Banister reveals why Pentecostalism and evangelicalism need each other Each tradition possesses strengths that are essential to a balanced life changing faith The Word and Power Church shows how these two mighty rivers add to rather than subtract from each other At the cusp of a new millennium they are in fact merging into one river Word and Power churches may experiences turbulence where the waters meet but they teem with life hope faith and power to reach a desperate world with the Gospel Filled with personal anecdotes this fascinating thought provoking and candid book supplies the why tos and how tos of a Word and Power approach What you won t find is preferential treatment of one view over another What you will find are thoughtful biblical insights that will challenge you and inspire you And you ll discover practical guidance for charting your own course whether as an individual or as a church toward a faith that embraces the truth of the Word and the power of the Spirit As a solidly evangelical seminary graduate and pastor Banister admits to having disdained charismatics That is until meticulous study of God s Word convinced him that miraculous gifts of tongues healing and prophecy are indeed valid for today As he details his journey beyond categories Banister explores the reasons for the age old rift between the two camps and the ways in which healing is taking place in new Word and Power churches all over America When evangelicals and charismatics bring together the best from each tradition he has discovered that the result is a strong unified body Word and Power churches affirm the authority of Scripture and encourage the propheticembrace of those who pray in a spiritual language pursue obedience to Christ edify the believer and evangelize the seeker heal the sick and comfort the suffering The Word and Power Church will speak to Christians everywhere who want to walk in both the integrity of Scripture and the power of the Holy Spirit      *Conformed to His Image, Revised Edition* Kenneth D. Boa, 2020-10-06 What does a real relationship with God look like What is the biblical vision of true spiritual life How do we grow in spiritual maturity How we answer these questions influences the health potency and witness of Christians in an increasingly complex and hostile world *Conformed to His Image Revised Edition* answers these questions with clarity and insight offering a comprehensive balanced and applicable guide to spiritual growth Designed for use in college and seminary courses but also highly appropriate for any serious Christian wanting to grow this revised edition helps readers build their lives on a fully biblical foundation It offers a corrective to our tendency to narrow and compartmentalize spiritual growth by exploring twelve facets of authentic Christian spirituality which include Relational Spirituality Loving God Completely Ourselves Correctly and Others Compassionately Paradigm Spirituality Cultivating an Eternal versus a Temporal Perspective Disciplined Spirituality Engaging in the Historical Disciplines Exchanged Life Spirituality Grasping Our True

Identity in Christ Motivated Spirituality A Set of Biblical Incentives Devotional Spirituality Growing in Relationship with God Holistic Spirituality Every Component of Life under the Lordship of Christ Process Spirituality Process versus Product Being versus Doing Spirit Filled Spirituality Walking in the Power of the Spirit Warfare Spirituality The World the Flesh and the Devil Nurturing Spirituality A Lifestyle of Evangelism and Discipleship Corporate Spirituality Encouragement Accountability and Worship With chapter overviews and objectives questions for personal application a glossary a list of key terms and helpful appendices Conformed to His Image Revised Edition provides a defining text for the student pastor and church leader of today and tomorrow This revised edition includes new recommended resources throughout more recent examples of subjects discussed and updated wording to better reflect our postmodern context
