Surprising Cecilia:

An Unexpected Marriage Taize Dantas, 2025-09-14 Liam Ricci is charismatic yet arrogant and temperamental. He has no intention of getting married and giving up his life of romantic conquests. However, his father insists that he marry before becoming the president of the family company. With only five days to find a bride, Liam is desperate. He seeks out Cecilia, a former employee he unjustly fired, and makes an unusual proposal: a marriage of convenience. The fact that Cecilia is just a cleaning lady sparks controversy within his family, and they must navigate the challenges imposed by Liam's family. This is a story filled with funny and heartwarming moments. It teaches us about second chances and the importance of pursuing true happiness.
