Surrealist Painters And Poets:

Surrealist Painters and Poets Mary Ann Caws, 2002-08-23 Art and writings by Surrealist painters and poets from a wide range of countries **Shapeshifter** Alice Paalen Rahon, 2021-09-14 Poetry by one of the most powerful female figures in twentieth century surrealism now collected in English for the very first time Alice Paalen Rahon was a shapeshifter a surrealist poet turned painter who was born French and died a naturalized citizen of Mexico Her first husband was the artist Wolfgang Paalen among her lovers were Pablo Picasso and the poet Valentine Penrose and over the years her circle of friends included Frida Kahlo and Diego Rivera Joan Mir Paul luard Man Ray and Ana s Nin This bilingual edition of Rahon s poems confirms the achievement of this little known but visionary writer who defies categorization Her spellbinding poems inspired by prehistoric art lost love and travels around the globe weave together dream fantasy and madness For the first time in any language this book gathers the three collections of poetry Rahon published in her lifetime along with uncollected and unpublished poems and an album of portraits manuscript pages and artworks This bilingual edition includes the original French versions of each poem **André Breton** André Breton, 2003-10 This is a kind of essence of Breton variously translated by some of our finest writers each of whom highlights different facets of Breton s complex work Mark Polizzotti s useful introduction provides context and a brief analysis of the artist and his times Diane di Prima author of *Recollections of My Life as a Woman* Mark Polizzotti who is a poet a translator and the author of the definitive biography of Andr Breton has chosen stellar translations of Breton s dazzling poetry and placed it in its lively context This shapely introduction to the life and work of Andr Breton is smart concise and exciting I cannot imagine a better one Ron Padgett poet and translator of *The Complete Poems of Blaise Cendrars* *The Poets for the Millennium Series* generally and Andr Breton s *Selected Works* specifically offers a workable image of an author and the work and the conjuncture all at once What comes across is a vivid presentation of Andre Breton not just as an art czar a manifesto merchant but a serious haunted inventive and strangely profound poet of the imagination who invented or archeologized new ways of dreaming but insisted on bearing witness with them in the actual world Polizzotti does justice as I think no other writer has to the double burden of Breton s work Robert Kelly A superbly chosen selection of Breton s poetry and prose translated in every case with an elegant intelligence and preceded by an unusually thorough introduction showing quite exactly how the poet s life informed each epoch of his work It proves again the remarkable un boringness of Breton and how important he is now to our own poetry and to us Mary Ann Caws author of *The Surrealist Look An Erotics of Encounter* and editor of *The Surrealist Painters and Poets* *The Surrealist Painters and Poets of Greece* , 1947 Poets on Painters J.
