

# Surrealists And Surrealism 1919 1939

**Brian T. May**

## **Surrealists And Surrealism 1919 1939:**

**Journal Du Surrealism, 1919-1939** Gaëtan Picon, 1983      **Gereformeerd Kerkboek** P. Lok, Gereformeerde Kerken in Nederland. Generale Synode, 1977      **History of the Surrealist Movement** Gérard Durozoi, 2002 Tracing the movement from its origins in the 1920s to its decline in the 1950s and 1960s Durozoi tells the history of Surrealism through its activities publications and reviews demonstrating its close ties to some of the most explosive political as well as creative debates of the twentieth century Unlike other histories which focus mainly on the pre World War II years of the movement in Paris Durozoi covers both a wider chronological and geographic range treating in detail the postwar years and Surrealism's colonization of Latin America the United States Japan Czechoslovakia Belgium Italy and North Africa Drawing on documentary and visual evidence including 1 000 photos many of them in color he illuminates all the intellectual and artistic aspects of the movement from literature and philosophy to painting photography and film All the Surrealist stars and their most important works are here Aragon Borges Breton Bu uel Cocteau Crevel Dal Desnos Ernst Man Ray Soupault and many more for all of whom Durozoi has provided brief biographical notes in addition to featuring them in the main text      **The Screen in Surrealist Art and Thought** Haim Finkelstein, 2017-07-05 An interrogation of the notion of space in Surrealist theory and philosophy this study analyzes the manifestations of space in the paintings and writings done in the framework of the Surrealist Movement Haim Finkelstein introduces the screen as an important spatial paradigm that clarifies and extends the understanding of Surrealism as it unfolds in the 1920s exploring the screen and layered depth as fundamental structuring principles associated with the representation of the mental space and of the internal processes that eventually came to be linked with the Surrealist concept of psychic automatism Extending the discussion of the concepts at stake for Surrealist visual art into the context of film literature and criticism this study sheds new light on the way film thinking permeates Surrealist thought and aesthetics In early chapters Finkelstein looks at the concept of the screen as emblematic of a strand of spatial apprehension that informs the work of young writers in the 1920s such as Robert Desnos and Louis Aragon He goes on to explore the way the spatial character of the serial films of Louis Feuillade intimated to the Surrealists a related mode of vision associated with perception of the mystery and the Marvelous lurking behind the surfaces of quotidian reality The dialectics informing Surrealist thought with regard to the surfaces of the real with walls doors and windows as controlling images are shown to be at the basis of Andr reton's notion of the picture as a window Contrary to the traditional sense of this metaphor Breton's window is informed by the screen paradigm with its surface serving as a locus of a dialectics of transparency and opacity permeability and reflectivity The main aesthetic and conceptual issues that come up in the consideration of Breton's window metaphor lay the groundwork for an analysis of the work of Giorgio de Chirico Ren agritte Max Ernst Andr asson and Joan Mir he concluding chapter consi      **Surrealist Painting, 1919-1939** José Pierre, 1971

**Extravagant Postcolonialism** Brian T. May, 2014-11-03 Brian T May argues that contrary to widely held assumptions of

postcolonial literary criticism a distinctive subset of postcolonial novels significantly values and scrupulously explores a healthy individuality These extravagant postcolonial works focus less on collective social reality than on the intimate subjectivity of their characters Their authors most of whom received some portion of a canonical western education do not subordinate the ambitions of their fiction to explicit political causes so much as create a cosmopolitan rhetorical focus suitable to their western educated western trained audiences May pursues this argument by scrutinizing novels composed during the thirty year postindependence postcolonial era of Anglophone fiction a period that began with the Nigerian Chinua Achebe's *Things Fall Apart* and that ended many would say with the Ayatollah Khomeini's 1989 publication of the Rushdie *Fatwa* May contends that the postcolonial authors under consideration Naipaul Rushdie Achebe Rhys Gordimer and Coetzee inherited modernism and refashioned it His account of their work demonstrates how it reflects and transfigures modernists such as Conrad Eliot Yeats Proust Joyce and Beckett Tracing the influence of humanistic values and charting the ethical and aesthetic significance of individualism May demonstrates that these works of extravagant postcolonialism represent less a departure from than a continuation and evolution of modernism

#### **Surrealism and the Exotic** Louise

Tythacott, 2003-09-02 *Surrealism and the Exotic* is the story of the obsessive relationship between surrealist and non western culture Describing the travels across Africa Oceania Mexico and the Caribbean made by wealthy aesthetes it combines an insight into the mentality of early twentieth century collectors with an overview of the artistic heritage at stake in these adventures Featuring more than 70 photographs of artefacts exhibitions and expeditions in progress it brings to life the climate of hedonism enjoyed by Breton Ernst Durkheim and Mauss It is an unparalleled introduction to the Surrealist movement and to French thought and culture in the 1920s and 1930s

#### **Surrealism, Politics and Culture** Raymond

Spiteri, Donald Lacoss, 2020-03-18 This title was first published in 2003 Drawing on literary art historical and historical studies this essay collection explores the complex encounter between culture and politics within Surrealism The Surrealist movement was one of the first cultural movements to question explicitly the relation between culture and politics and its attempt to fuse social and cultural revolution has been a critical factor in shaping our sense of modernity This anthology addresses not only the contested ground between culture and politics within Surrealism itself and within the subsequent historical accounts of the movement but also the broader implications of this encounter on our own sense of modernity Its goal is to delineate the role of radical politics in shaping the historical trajectory of Surrealism

[Acrobatic Modernism from the Avant-Garde to Prehistory](#) Jed Rasula, 2020-02-27 This is a book about artistic modernism contending with the historical transfigurations of modernity As a conscientious engagement with modernity's restructuring of the lifeworld the modernist avant garde raised the stakes of this engagement to programmatic explicitness But even beyond the vanguard the global phenomenon of jazz combined somatic assault with sensory tutelage Jazz like the new technologies of modernity recalibrated sensory ratios The criterion of the new as self making also extended to names pseudonyms and heteronyms The protocols of

modernism solicited a pragmatic arousal of bodily sensation as artistic resource validating an acrobatic sensibility ranging from slapstick and laughter to the pathos of bereavement Expressivity trumped representation The artwork was a diagram of perception not a mimetic rendering For artists the historical pressures of altered perception provoked new models and Ezra Pound's slogan Make It New became the generic rallying cry of renovation The paradigmatic stance of the avant garde was established by Futurism but the discovery of prehistoric art added another provocation to artists Paleolithic caves validated the spirit of all over composition unframed and dynamic Geometric abstraction Constructivism and Purism and Surrealism were all in quest of a new mythology Making it new yielded a new pathos in the sensation of radical discrepancy between futurist striving and remotest antiquity The Paleolithic cave and the USSR emitted comparable siren calls on behalf of the remote past and the desired future As such the present was suffused with the pathos of being neither but subject to both

**Modernism and the Avant-garde Body in Spain and Italy** Nicolas Fernandez-Medina, Maria Truglio, 2016-03-22 This interdisciplinary volume interrogates bodily thinking in avant garde texts from Spain and Italy during the early twentieth century and their relevance to larger modernist preoccupations with corporeality It examines the innovative ways Spanish and Italian avant gardists explored the body as a locus for various aesthetic and sociopolitical considerations and practices In reimagining the nexus points where the embodied self and world intersect the texts surveyed in this book not only shed light on issues such as authority desire fetishism gender patriarchy politics religion sexuality subjectivity violence and war during a period of unprecedented change but also explore the complexities of aesthetic and epistemic rupture and continuity within Spanish and Italian modernisms Building on contemporary scholarship in Modernist Studies and avant garde criticism this volume brings to light numerous cross cultural touch points between Spain and Italy and challenges the center periphery frameworks of European cultural modernism In linking disciplines genres isms and geographical spheres the book provides new lenses through which to explore the narratives of modernist corporeality Each contribution centers around the question of the body as it was actively being debated through the medium of poetic literary and artistic exchange exploring the body in its materiality and form in its sociopolitical representation relation to Self cultural formation spatiality desires objectification commercialization and aesthetic functions This comparative approach to Spanish and Italian avant gardism offers readers an expanded view of the intersections of body and text broadening the conversation in the larger fields of cultural modernism European Avant garde Studies and Comparative Literature

**Surrealist Art and Writing, 1919-1939** Jack J. Spector, 1999-01-28 Surrealist Art and Writing 1919 1939 offers a fresh analysis of Surrealism of the artists Dal Ernst Masson and Tanguy and the writing of Surrealism's leaders Andr Breton Aragon and Eluard Spector uses a multidisciplinary approach to examine how the ideas and images of this avant garde movement grew up in anipathy to middle class values He situates the concrete products of Surrealist art and writing in their historical context without losing sight of larger theoretical and ideological issues involving psychoanalysis Marxism and philosophy

*Dada & Surrealism A&i* Matthew

Gale,1997-11-19 A stimulating introduction to this 20th century art movement The Exquisite Corpse Kanta Kochhar-Lindgren,Davis Schneiderman,Tom Denlinger,2009-12-01 This work addresses historical and contemporary manifestations of poems drawings collages and performance works that employ the ritual of the cadaver exquis **The Negritude Movement** Reiland Rabaka,2015-05-20 The Negritude Movement provides readers with not only an intellectual history of the Negritude Movement but also its prehistory W E B Du Bois the New Negro Movement and the Harlem Renaissance and its posthistory Frantz Fanon and the evolution of Fanonism By viewing Negritude as an insurgent idea to invoke this book s intentionally incendiary subtitle as opposed to merely a form of poetics and aesthetics The Negritude Movement explores Negritude as a traveling theory la Edward Said s concept that consistently crisscrossed the Atlantic Ocean in the twentieth century from Harlem to Haiti Haiti to Paris Paris to Martinique Martinique to Senegal and on and on ad infinitum The Negritude Movement maps the movements of proto Negritude concepts from Du Bois s discourse in *The Souls of Black Folk* through to post Negritude concepts in Fanon s *Black Skin White Masks* and *The Wretched of the Earth* Utilizing Negritude as a conceptual framework to on the one hand explore the Africana intellectual tradition in the twentieth century and on the other hand demonstrate discursive continuity between Du Bois and Fanon as well as the Harlem Renaissance and Negritude Movement The Negritude Movement ultimately accents what Negritude contributed to arguably its greatest intellectual heir Frantz Fanon and the development of his distinct critical theory Fanonism Rabaka argues that if Fanon and Fanonism remain relevant in the twenty first century then to a certain extent Negritude remains relevant in the twenty first century Surrealism, History and Revolution Simon Baker,2007 This book is a new account of the surrealist movement in France between the two world wars It examines the uses that surrealist artists and writers made of ideas and images associated with the French Revolution describing a complex relationship between surrealism s avant garde revolt and its powerful sense of history and heritage Focusing on both texts and images by key figures such as Louis Aragon Georges Bataille Jacques Andr Boiffard Andr Breton Robert Desnos Max Ernst Max Morise and Man Ray this book situates surrealist material in the wider context of the literary and visual arts of the period through the theme of revolution It raises important questions about the politics of representing French history literary and political memorial spaces monumental representations of the past and critical responses to them imaginary portraiture and revolutionary spectatorship The study shows that a full understanding of surrealism requires a detailed account of its attitude to revolution and that understanding this surrealist concept of revolution means accounting for the complex historical imagination at its heart Countercultures J. Milton Yinger,1984-04 In this important study Yinger successfully demonstrates his central point countercultures are best understood as a continuous part of human experience and social organization Library Journal The New York Times Book Review ,1979 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **DADA, Surrealism, and**

**the Cinematic Effect** R. Bruce Elder, 2013-08-06 This book deals with the early intellectual reception of the cinema and the manner in which art theorists philosophers cultural theorists and especially artists of the first decades of the twentieth century responded to its advent While the idea persists that early writers on film were troubled by the cinema's lowly form this work proposes that there was another largely unrecognized strain in the reception of it Far from anxious about film's provenance in popular entertainment some writers and artists proclaimed that the cinema was the most important art for the moderns as it exemplified the vibrancy of contemporary life This view of the cinema was especially common among those whose commitments were to advanced artistic practices Their notions about how to recast the art media or the forms forged from those media's materials and the urgency of doing so formed the principal part of the conceptual core of the artistic programs advanced by the vanguard art movements of the first half of the twentieth century This book a companion to the author's previous *Harmony Dissent* examines the Dada and Surrealist movements as responses to the advent of the cinema

*Anarchism and the Advent of Paris Dada* Theresa Papanikolas, 2017-07-05 *Anarchism and the Advent of Paris Dada* sheds new light on Paris Dada's role in developing the anarchist and individualist philosophies that helped shape the cultural dialogue in France following the First World War Drawing on such surviving documentation as correspondence criticism periodicals pamphlets and manifestoes this book argues that contrary to received wisdom Dada was driven by a vision of social change through radical cultural upheaval The first book length study to interrogate the Paris Dadaists complex and often contested position in the postwar groundswell of anarcho individualism *Anarchism and the Advent of Paris Dada* offers an unprecedented analysis of Paris Dada literature and art in relation to anarchism and also revives a variety of little known anarcho individualist texts and periodicals In doing so it reveals the general ideological diversity of the postwar French avant garde and identifies its anarchist concerns in addition it challenges the accepted paradigm that postwar cultural politics were monolithically nationalist By positioning Paris Dada in its anarchist context this volume addresses a long ignored lacuna in Dada scholarship and more broadly takes its place alongside the numerous studies that over the past two decades have problematized the politics of modern art literature and culture

*A House of Her Own* Judith D. Suther, 1997-01-01 Born in 1989 to wealthy American parents in upstate New York American Surrealist painter Kay Sage became a member of the Surrealist art movement in Paris in 1937 Along with an eloquent chronicle of Sage's life Judith Suther shows how not only Sage's art but also the iconoclastic themes of her poetic works were related to Sage's lifelong revolt against social and artistic convention 78 illustrations 10 color plates
