Peace Be Upon Islam Dr.Abdelfattah Mohsen Badawi,2011-11-01 This book deals with morals in Islam improving self image by nonattachment to objects attachment to God and moral enrichment There is perfect compatibility between Islam and yoga on the highest level and also resemblance of Islamic prayers and yoga asanas Enlightenment is the full body realization and acceptance of the oneness of God Allah Religion can only be taught properly by spiritually enlightened masters Constant remembrance of God enables the seeker to reach the Divine Presence and hearts become at peace in the remembrance of God and through its practice a window of light opens where one can witness the souls of angels realize oneness with God The book describes contemplative prayer meditation and silence that are best practiced in solitude apart from religious organizations corporate worship and group activity to find inner peace In the domain of spiritual life the efficient energy of the Supreme Principle signifies the celestial energy and allows one to enter

into contact with divinity and leads to self realization which is the basic qualification for any spiritual teacher that grants him inner peace and bliss The book reports that the fulfillment of all religions lie in gaining for man all that is necessary for finding the superior spirit which is within all of us Universal religion has a distinctive role to play indicating that all religions are one

Cognitive Yoga: How a Book is Born Yeshayahu Ben-Aharon,2017-11-17 This little book relates some experiences I had during the spiritual research which was eventually published in my book Cognitive Yoga Usually I am concerned with communicating the objective results of my research and not what I experienced whilst doing it But an objective description of what the individual soul undergoes during spiritual research can be valuable to the study of anthroposophy and to those who pursue the spiritual path themselves Through faithful inner work says the author the path of spiritual science can become a living spiritual being an intimate friend in the realms of soul and spirit This being can blossom into an extended spiritual community or school One can converse and co create with this spiritual school including the being of one s teacher by learning its inner language In 2012 Yeshayahu Ben Aharon was confronted with a major obstacle in his research work After struggling alone he felt he could not progress without consulting his colleagues in the spiritual world The intimate soul experiences described in this book took place during such a gathering a special festive occasion with an active and engaged community of spiritual beings I want to share some aspects of what I experienced during this event in the more personal and imaginative language of storytelling It is a kind of new individual Christmas nativity tale about the earthly ripening of a research problem its heavenly conception embryonic life and finally the birth on earth of what becomes a physical book printed black on white

how to awaken the seeds of your soul's dreams and become who you came here to be Kirsty Gallagher From finding your way back to your soul self to learning practical ways to live your cosmic purpose and uncovering what your birth chart says about your potential this book will show you that you have far more magic within than you ever could have imagined If you want to discover what your soul is truly calling for then this book will deliver the cosmic keys to unlock your biggest glow up CRAIG DAVID Published by Happy Place Books *Book of the Beloved* Mairi Colme, 2008-03-27 A Christian mystical text containing the revelation made to a young girl in a Benedictine monastery in the mountains of Austria in 1974 It is a revelation of the extraordinary quality of the love of God communicated not through light and joy but through a dark and powerful suffering which she identified as the mystery of Christ's cross The original manuscript was faithfully written down as a direct record of this experience It takes the form of a dialogue or interaction between God as the Lover of the soul and Maria as His Beloved A major theme is the struggle of the Beloved to overcome the Yes but's of human nature in order to be able to say a perfect Yes to her Maker Each dialogue moves through suffering and miscomprehension towards final happiness and liberation prefiguring the change from death to resurrection The manuscript remained a puzzle to its writer for eighteen years at which point she gained an insight into the moment of self yielding which transforms the suffering into bliss It was then whilst staying in an Austrian farmhouse on a mountain side that she wrote the poetry which reinterprets the text as a hymn to the Star Love of ecstatic intensity Over thirty years after the original event realising the experience may also have meaning for others the writer worked on the manuscripts During a period of deep reflection at her home in Scotland she then wrote the commentaries She hopes that this book a lifetime's endeavour may prove enlightening to others as to the nature of God's love

A Soul's Romancing G. Alton Adams, 2014-02-04 Each of us is brought into this world with an insatiable often misunderstood longing a haunting of desire for something that is beyond us Mysteriously sensing our fractured incompleteness A Soul's Romancing Experience the Holy exposes the source of our shared inner desperation as the soul's expressive search for unparalleled and consuming intimacy A Soul's Romancing Experience the Holy offers insight into the mannerisms of the soul and offers a much needed language for the restless heart of humanity Platonic Love from Antiquity to the Renaissance Carl Séan O'Brien, John Dillon, 2022-09-01 Platonic love is a concept that has profoundly shaped Western literature philosophy and intellectual history for centuries First developed in the Symposium and the Phaedrus it was taken up by subsequent thinkers in antiquity entered the theological debates of the Middle Ages and played a key role in the reception of Neoplatonism and the etiquette of romantic relationships during the Italian Renaissance In this wide ranging reference work a leading team of international specialists examines the Platonic distinction between higher and lower forms of eros the role of the higher form in the ascent of the soul and the concept of Beauty They also treat the possibilities for friendship and interpersonal love in a Platonic framework as well as the relationship between love rhetoric and wisdom Subsequent developments are explored in Plutarch Plotinus Augustine Pseudo Dionysius Eriugena Aquinas Ficino della

Mirandola Castiglione and the contra amorem tradition **Our Thoughts Create Our Experience** Raymond Simms LPC MA,2024-07-08 This book covers the whole man and how to align the body soul and spirit as one Your purpose and calling are tied together As you discover your purpose you will then discover your calling Your purpose is inside and your calling is outward This book will assist you in the process of preparing first the foundation which begins in the soul The reason people are so unhappy in what they do is that they have not discovered their God given purpose inwardly which is revealed by the Holy Spirit Our purpose is internal and eternal our souls are also internal and eternal God given purpose has to do solely with man s soul It first begins with the soul then outward to one s calling It is important to first develop the soul s purpose as the soul houses the character of the man Man s character will affect positively or negatively man s calling This is the process that the Holy Spirit takes God s people through as He did with Jesus in the wilderness to test His character that is His soul ,
