Husbands, Wives, and Other Imperfections

A woman with long, dark, wavy hair is seen from behind, walking away from the camera on a runway. She is wearing a white, strapless, floor-length wedding dress with a fitted bodice and a full skirt. The runway is illuminated with a warm, golden light, and the background is dark.

Karasu, Toksoz Byram Karasu, 2005 Given the fact that 50% of marriages end in divorce you would think marriage wouldn t be so popular but getting married is one of the most popular of all life events In fact many new couples are willing to face considerable debt for the wedding ceremony alone It seems that many people spend more time on planning the wedding than on thinking about marriage and what it entails *The Art of Marriage Maintenance* is about marital life after the wedding It is about psychological and biological difficulties between men and women that make marriage so challenging It is about why passion is in danger of fading within marriage how hormones exacerbate behavior and how the

brain confounds us It is about how pregnancy and having young children and adolescents often catapult a marriage to its breaking point and how the stresses of mid life contribute to marital discord It is in effect how to ensure a happy enduring marriage It is the art of marriage maintenance **Blessing Your Husband** Debra Evans,2011-10-14 In *Blessing Your Husband* Debra Evans brings wise scriptural insights and true stories of the amazing transformations that can happen when a wife chooses to make blessing her husband a priority By understanding her husband s unique characteristics how he thinks and what matters most to him a wife can learn how to affirm her husband and develop a more satisfying marriage

*Furious Pursuit* Tim King, Frank Martin,2010-03-24 You re not defined by what you ve done You re defined by Who pursues you What if you could believe that God not only chases you but has yet to leave your side for a second has yet to go a minute without courting you whispering in your heart I m right here What if you could believe that God is never distant never out of reach never indifferent to what s going on in your life Would that make a difference in your relationship with him And what if you could go a step further and believe that God s pursuit has nothing to do with your level of faithfulness He is just as near and just as vigilant in his pursuit regardless of your dedication to the spiritual disciplines and in spite of your struggle with sin Because of his nature it is impossible for God not to pursue you In *Furious Pursuit* Tim King and Frank Martin invite you to lay down the smaller story of your life and instead tap into the Larger Story To begin today by allowing God to transform the nature of your relationship with him To stop chasing God and start embracing the Romance that is already well under way Begin today Open yourself to God s *Furious Pursuit* Companion workbook also available **Parenting Your**

*C. S. Lewis* Bruce L. Edwards, 2007-04-30 Most popularly known as the author of the children's classic *The Chronicles of Narnia*, C. S. Lewis was also a prolific poet, essayist, novelist, and Christian writer. His most famous work, *The Lion, the Witch, and the Wardrobe*, while known as a children's book, is often read as a Christian allegory and remains to this day one of his best-loved works. But Lewis was prolific in a number of areas, including poetry, Christian writing, literary criticism, letters, memoir, autobiography, sermons, and more. This set, written by experts, guides readers to a better understanding and appreciation of this important and influential writer.

Clive Staples Lewis was born on November 29, 1898, in Belfast, Northern Ireland. His mother died when he was young, leaving his father to raise him and his older brother Warren. He fought and was wounded in World War I and later became immersed in the spiritual life of Christianity. While he delved into the world of Christian writing, he did not limit himself to one genre and produced a remarkable oeuvre that continues to be widely read, taught, and adored at all levels. As part of the circle known as the Inklings, which consisted of writers and intellectuals and included J. R. R. Tolkien, Charles Williams, and others, he developed and honed his skills and continued to put out extensive writings. Many different groups now claim him as their own, spanning genres from science fiction to Christian literature, from nonfiction to children's stories. His output remains among the most popular and complex. Here, experts in the field of Lewis studies examine all his works along with the details of his life and the culture in which he lived to give readers the fullest complete picture of the man, the writer, and the husband alongside his works, his legacy, and his place in English letters.

[Forthcoming Books](#) Rose Arny, 2002      *Imperfect Control* Judith Viorst, 2014-10-21 In her remarkable national bestseller *Necessary Losses*, Judith Viorst explored how we are shaped by the various losses we experience throughout our lives. Now in her wise and perceptive new book *Imperfect Control*, she shows us how our sense of self and all our important relationships are colored by our struggles over control, over wanting it and taking it, loving it and fearing it, and figuring out when the time

has come to surrender it Writing with compassion acute psychological insight and a touch of her trademark humor Viorst invites us to contemplate the limits and possibilities of our control She shows us how our lives can be shaped by our actions and our choices She reminds us too that we sometimes should choose to let go And she encourages us to find our own best balance between power and surrender      **Library Journal** Melvil Dewey, Richard Rogers Bowker, L.
