

# THE SURROGATE MOTHER

A revolutionary option  
—and new source of hope— for  
infertile couples. The  
legal, medical, moral, and  
psychological issues—plus  
candid interviews with  
surrogate mothers and  
adoptive parents.

**Noel P. Keane  
with Dennis L. Breo**

# Surrogate Mother A Revolutionary Option And New Source Of Hope For Infertile Couples

**Helena Ragone**

## **Surrogate Mother A Revolutionary Option And New Source Of Hope For Infertile Couples:**

**As Problemáticas e os Desafios Contemporâneos em torno da Gestação de Substituição** Diana Sofia Araújo Coutinho, 2023-05-31 A gestação de substituição coloca desafios a conceitos instituídos ou figuras jurídicas tradicionais quer do Direito Contratual quer do Direito da Família e dos Direitos Fundamentais de todas as partes envolvidas. Adicionalmente os perigos, riscos e consequências da prática da gestação de substituição transfronteiriça têm despertado cada vez mais o interesse e a preocupação de instituições e organizações europeias e internacionais debatendo se a necessidade e urgência dos Estados legislarem interna e internacionalmente sobre o tema e sobretudo de garantirem os direitos da criança nascida na sequência de um contrato de gestação de substituição. Neste contexto propomos o estudo das problemáticas e desafios da gestação de substituição desde os seus conceitos basilares aos argumentos favoráveis ou obstaculistas sua prática incluindo o regime jurídico na ordem jurídica portuguesa e a gestação de substituição transfronteiriça.

**The Surrogate Mother** Noel P. Keane, Dennis L. Breo, 1981 A Revolutionary Option And New Source Of Hope For Infertile Couples The Legal Medical Moral And Psychological Issues Plus Candid Interviews With Surrogate Mothers And Adoptive Parents *Popular Science*, 2005-09 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better and science and technology are the driving forces that will help make it better.

**The Baby Chase** Leslie Morgan Steiner, 2025-06-25 From the New York Times bestselling author of *Crazy Love* comes a riveting new narrative about surrogate pregnancy from both sides of the equation: the parents and the gestational carrier. Once considered a desperate even morally suspect option, surrogacy is now sweeping headlines, transforming the lives of celebrity mothers and fathers like Sarah Jessica Parker, Nicole Kidman, and Elton John, and changing the face of motherhood and the American family. But how much do we really know about it? And is it really as easy and accessible emotionally, financially, legally, and physically as magazines make it out to be? We often hear about successful outcomes but little about the journey, about the precious hope that starts it all, the ups and downs of finding a surrogate, the heartache and obstacles, the risks and expenses at every step, or the unbelievable joy when years of determination pay off. In *The Baby Chase*, acclaimed writer Leslie Morgan Steiner weaves three stories together of a nurse, a firefighter, and the Indian gestational carriers and doctors who helped them to provide one intensely personal look at what makes surrogacy so controversial, fascinating, and in some cases the only ray of hope for today's infertile parents. To be Rhonda Wile and her husband Gerry, who struggled for years with infertility, with perseverance that shocked everyone around them, they tried every procedure and option available unsuccessfully until they finally decided to hire a surrogate. While surrogacy was being touted as a miracle for hopeful parents, for Rhonda and Gerry it seemed an impossible and unaffordable dream. Until they came across the beaming smile of a beautiful Indian woman on the internet and within a few short months embarked on a journey that would take them deep into the emerging world of Indian carriers, international medical tourism, and the global surrogacy.

community Moving page turning and meticulously researched this complex human story is paired with an examination of the issues religious legal medical and emotional that shapes surrogacy as a solution both imperfect and life changing

**Alternatives to Infertility** Lita Linzer Schwartz,1991 A guide for professionals involved in the counselling of involuntarily childless couples It attempts to explain the benefits and risks of the options available to infertile couples and includes discussion of the Baby M case and the psychological and legal ramifications of surrogacy **Surrogate**

**Motherhood** Helena Ragone,2019-07-11 Surrogate Motherhood Conception in the Heart is a compelling account written with analytical clarity and remarkable compassion Helena Ragon has given long overdue humanity and voice to the actual participants in the surrogate motherhood experience a heretofore inaccessible population and the results are fascinating Anyone interested in fertility parenting reproduction and kinship or anyone interested in contemporary culture will want to read this book Surrogate Motherhood Martha A. Field,2009-07-01 With an Expanded Appendix on the Current Legal Status of Surrogacy Arrangements A practice known since Biblical times surrogate motherhood has only recently leaped to prominence as a way of providing babies for childless couples and leaped to notoriety through the dramatic case of Baby M Contract surrogacy is officially little more than ten years old but by 1986 five hundred babies had been born to mothers who gave them up to sperm donor fathers for a fee and the practice is growing rapidly Martha Field examines the myriad legal complexities that today enmesh surrogate motherhood and also looks beyond existing legal rules to ask what society wants from surrogacy A man s desire to be a biological parent even when his wife is infertile the father s wife usually adopts the child has led to this new kind of family and modern technology could further extend surrogacy s appeal by making gestational surrogates available to couples who provide both egg and sperm But is surrogacy a form of babyselling Is the practice a private matter covered by contract law or does adoption law govern Is it good or bad social and public policy to leave surrogacy unregulated Should the law allow encourage discourage or prohibit surrogate motherhood Ultimately the answers will depend on what the American public wants In the difficult process of sorting out such vexing questions Martha Field has written a landmark book Showing that the problem is rather too much applicable law than too little she discusses contract law and constitutional law custody and adoption law and the rights of biological fathers as well as the laws governing sperm donation Competing values are involved all along the legal and social spectrum Field suggests that a federal prohibition would be most effective if banning surrogacy is the aim but federal prohibition might not be chosen for a variety of reasons a preference for regulating surrogacy instead of driving it underground a preference for allowing regulation and variation by state or a respect for the interests of people who want to enter surrogacy arrangements Since the law can support a wide variety of positions Field offers one that seems best to reconcile the competing values at stake Whether or not paid surrogacy is made illegal she suggests that a surrogate mother retain the option of abiding by or canceling the contract up to the time she freely gives the child to the adopting couple And if she cancels the contract she should be entitled to custody without

having to prove in court that she would be a better parent than the father      Miracle Child Cheryl Saban,1993 Theirs was a fairy tale romance a beautiful woman with an unhappy past and a handsome film producer meet and fall in love But after they married they were told they would never have a child of their own This is the story of their small miracle      **Delivering Hope** Pamela MacPhee,2010-02      **In Search Of Parenthood** Judith Lasker,1994-12-30 Author note Judith N Lasker is a Professor I the Department of Sociology and Anthropology Lehigh University Susan Borg is Director of the Department of Urban Planning and Development West Orange New Jersey Together they have also authored When Pregnancy Fails Families Coping with Miscarriage Ectopic Pregnancy Stillbirth and Infant Death      **Surrogacy Was the Way** Zara Griswold,2006 Surrogacy Was the Way Twenty Intended Mothers Tell Their Stories documents the true stories of twenty women who had children via surrogacy Surrogacy is a complete possibility in today s day and age but anyone considering this route to parenthood should know the pros and cons The women featured go to surrogacy for a variety of reasons ranging from Mayer Rokitansky Kuster Hauser syndrome MRKH to cancer to unexplained infertility and everything in between Some of the journeys go rather smoothly while others are filled with one obstacle after another Some of the women have children already and want to add to their family while most are attempting to become moms for the first time What they all have in common however is that every woman whose story is told knows what it s like to be an intended mother the term for the mother to be if and when a baby is born And all of the women ultimately end up having a child or more through surrogacy When I first started researching surrogacy I was fortunate to find several Online support groups As I gave and received support to so many other women I became fascinated with the extent to which people would go to simply have a baby I realized that their stories our stories needed to be heard thus the idea for this book was born For the millions of women who have been touched by infertility in some way or know someone who has Surrogacy Was the Way will open their eyes to amazing possibilities It will show them that they do have options and with persistence and faith they can achieve their dreams of motherhood after all      **When Hope Becomes Life** Susan Ring,2019-06-07 IN THIS ASTONISHING follow up story from Book One The Unexpected Mother Susan Ring a single mother of two is at a photo shoot for O The Oprah Magazine in 2003 invited to share her story with the world The photographer hands her a sign to hold in front of her body for the article The sign reads FOR RENT What follows is a transformational story that is both heartbreaking and exhilarating As Susan hurtles toward the confusion of what it means to be a surrogate mother and what might help her cope she throws herself back into the surrogacy world where she feels most comfortable She ends up spending an entire decade of her forties being a surrogate mother for other families As with many love stories things start to fall apart and she realizes surrogacy has become an obsession Susan longs for a single why to her pregnancy past but finds many complex reasons She forges ahead to find answers deep within herself and wants what is missing from her life She finds what she never expected      **Discounted Life** Sharmila Rudrappa,2015-12-04 Winner American Sociological Association Asia and Asian America Section Best Book on Asia

Transnational Asia Finalist 2015 C Wright Mills Award from the Society for the Study of Social Problems India is the top provider of surrogacy services in the world with a multi million dollar surrogacy industry that continues to grow exponentially as increasing numbers of couples from developed nations look for wombs in which to grow their babies Some scholars have exulted transnational surrogacy for the possibilities it opens for infertile couples while others have offered bioethical cautionary tales rebuked exploitative intended parents or lamented the exploitation of surrogate mothers but very little is known about the experience of and transaction between surrogate mothers and intended parents outside the lens of the many agencies that control surrogacy in India Drawing from rich interviews with surrogate mothers and egg donors in Bangalore as well as twenty straight and gay couples in the U S and Australia Discounted Life focuses on the processes of social and market exchange in transnational surrogacy Sharmila Rudrappa interrogates the creation and maintenance of reproductive labor markets the function of agencies and surrogacy brokers and how women become surrogate mothers Is surrogacy solely a labor contract for which the surrogate mother receives wages or do its meanings and import exceed the confines of the market Rudrappa argues that this reproductive industry is organized to control and disempower women workers and yet her interviews reveal that by and large the surrogate mothers in Bangalore found the experience life affirming Rudrappa explores this tension and the lived realities of many surrogate mothers whose deepening bodily commodification is paradoxically experienced as a revitalizing life development A detailed and moving study Discounted Life delineates how local labor markets intertwine with global reproduction industries how Bangalore s surrogate mothers make sense of their participation in reproductive assembly lines and the remarkable ways in which they negotiate positions of power for themselves in progressively untenable socio economic conditions **Handbook of Gestational Surrogacy** E.

Scott Sills, 2016-10-06 There is an increasing demand for gestational surrogacy in current reproductive medicine practice Infertile couples often engage overseas surrogates which increases the risk for legal and ethical complications This book provides clinical guidance on the provision of gestational surrogacy on a worldwide basis with brief summaries of the legal position within countries where it is offered This volume provides a comprehensive overview of surrogacy for clinicians counsellors attorneys legislators and anyone interested in reproductive health policy by filling an immediate niche as a resource for those interested in third party reproductive treatments *Surrogate Motherhood* Lawrence O.

Gostin, 1990-05-22 glimpses of intriguing changes in social arrangements and cultural understandings in relation to surrogacy Disturbing motherhood indeed New Scientist Larry Gostin has put together the definitive collection of essays on one of the most perplexing and titillating topics in contemporary medical ethics This book includes contributions from some of the leading scholars on the legal ethical and social aspects of surrogacy as well as several critical perspectives on the famous Baby M case must reading for understanding the surrogate motherhood controversy Robert M Veatch Highly recommended Choice a valuable resource for those concerned with an exceedingly difficult ethical legal and political

problem Ethics There is a wealth of information here on the current status questionis in the United States and anyone involved in the surrogacy debate in the U S or otherwise will find working through this material very worthwhile Canadian Philosophical Review an excellent sample of some of the best and most varied thinking so far on the numerous conceptual moral social and policy questions raised by contract motherhood The Journal of Clinical Ethics *Surrogate Motherhood Families* Olga B.A. van den Akker,2017-08-18 This comprehensive book covers the research theory policy and practice context of unusual reproduction using third parties Olga Van den Akker details the psychological adaptation required to continuing changes in public opinion advances in technologies and new legislations in surrogate motherhood and discusses their impact at an individual societal and global level She describes the competing interests and interactions between legal organisational personal social psychological and cultural issues in relation to biological and genetic surrogate and commissioning parenthood This book is intended for professionals practitioners academics and students interested in the complexities of unusual reproduction using multidisciplinary perspectives *Babies for Sale?* Miranda Davies,2017-03-15 Transnational surrogacy the creation of babies across borders has become big business Globalization reproductive technologies new family formations and rising infertility are combining to produce a quiet revolution in social and medical ethics and the nature of parenthood Whereas much of the current scholarship has focused on the US and India this groundbreaking anthology offers a far wider perspective Featuring contributions from over thirty activists and scholars from a range of countries and disciplines this collection offers the first genuinely international study of transnational surrogacy Its innovative bottom up approach rooted in feminist perspectives gives due prominence to the voices of those most affected by the global surrogacy chain namely the surrogate mothers donors prospective parents and the children themselves Through case studies ranging from Israel to Mexico the book outlines the forces that are driving the growth of transnational surrogacy as well as its implications for feminism human rights motherhood and masculinity Intended Parents Sandra Watson Rapley,2005-07 Who does a woman turn to when more than anything in the world she wants to have a child but her body refuses to cooperate Sometimes all you need is a miracle In 1998 when thirty seven year old Sandra Watson Rapley and her husband Craig married both decided that they wanted children right away Sandra expected some difficulty trying to conceive because of uterine fibroids she had removed years ago However she was not prepared for the turbulent and often times disappointing road she would have to travel to make her dream a reality After many failed attempts at drug therapy ovulation calculation and in vitro fertilization the Rapleys finally learned the devastating truth fibroids inside Sandra s uterus were preventing a successful pregnancy Following months of discussion testing and counseling the miracle that the Rapleys were praying for arrived in the form of a surrogate Their sister in law Victoria selflessly volunteered to be their embryo s oven and on August 29 2001 Victoria gave birth to the Rapleys twin sons Intended Parents Miracles Do Happen is the touching account of author Sandra Watson Rapley s struggle with infertility through the emotional highs and lows and the exciting time when

her dream of having a child is finally fulfilled      Contract Children Daniela Danna, 2015-07-01 Surrogate motherhood is expanding all over the world Debates rage over how public policy should consider the signing away of the parental rights of birth mothers in favor of a commissioning couple or an individual In this book Daniela Danna describes the situation in English speaking countries and worldwide from California to Greece presenting the legal alternatives regulating or not these peculiar exchanges Should surrogacy remain a private agreement Should it be treated as an enforceable contract Are surrogate mothers workers What happens inside the countries that have chosen different ways of handling this new and controversial matter And the most important question of all How can we live in this era of new techno medical possibilities and try to stay human Can we resist commodification in the field of human relations concerning procreation Contract Children discusses the different ways available to obtain a child through surrogate motherhood It is fundamental reading for anyone wanting to be involved in the surrogacy process It gives prospective surrogate mothers and infertile couples the background information necessary for their own informed decision It is also an essential instrument for policy makers and activists in the field of women s rights social justice and children s rights The question of how to publicly deal with surrogate motherhood touches upon our social vision of motherhood ultimately marking the position of women in contemporary society

*Expecting Miracles* Christo Zouves, Julie Sullivan, 2003 Expecting Miracles is a moving in depth look at the options decisions and unexpected twists turns and disappointments that couples experience as they work with Dr Christo Zouves founder and medical director of the Zouves Fertility Center As he shares his own story and those of the patients egg donors and surrogates with whom he has worked Dr Zouves provides a rare glimpse into the human side of reproductive medicine and all that goes into helping infertile couples realize their dreams of parenthood

Couples free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Surrogate Mother A Revolutionary Option And New Source Of Hope For Infertile Couples free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Surrogate Mother A Revolutionary Option And New Source Of Hope For Infertile Couples free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Surrogate Mother A Revolutionary Option And New Source Of Hope For Infertile Couples. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Surrogate Mother A Revolutionary Option And New Source Of Hope For Infertile Couples any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Surrogate Mother A Revolutionary Option And New Source Of Hope For Infertile Couples Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including

## **Surrogate Mother A Revolutionary Option And New Source Of Hope For Infertile Couples**

classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Surrogate Mother A Revolutionary Option And New Source Of Hope For Infertile Couples is one of the best book in our library for free trial. We provide copy of Surrogate Mother A Revolutionary Option And New Source Of Hope For Infertile Couples in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Surrogate Mother A Revolutionary Option And New Source Of Hope For Infertile Couples. Where to download Surrogate Mother A Revolutionary Option And New Source Of Hope For Infertile Couples online for free? Are you looking for Surrogate Mother A Revolutionary Option And New Source Of Hope For Infertile Couples PDF? This is definitely going to save you time and cash in something you should think about.
