**Surrounded by Angels** Briah Jardin, 2005-06 Surrounded by Angels is a true account of recovery from advanced breast cancer told through the lens of a Qabalistic Self Awakening Exercise Author Briah Jardin takes us on a journey that begins with the discovery of a tiny lump on a rib a malignant growth that quickly morphs in size from that of a lentil to a walnut then spreads to the lung Meanwhile she encounters a Qabalist teacher who presents her with a metaphorical mirror that instigates a slow process of recovery Initially the mirror reflects only the psychological imbalances that render her vulnerable to disease In the end it reveals a soul poised for redemption But the interval between which is the heart of the story bares the angst that arises with the decline of sexual passion In this void the fertile soil in which the seeds of spiritual maturity can take root and sprout we discover the secret of the magical mirror s power to heal Briah s journey a Mister Toad s wild ride to liberation traverses three continents as it grapples with a devastating loss of faith that ripens into experiential knowledge independent of conventional religious belief Women of all ages those approaching menopause as well as those who ve already made this rite of passage and even those who are too young to realize that they too will grow old can see themselves transformed in the magical mirror of this spiritual coming of age memoir Joseph Karo and Shaping of Modern Jewish Law

Roni Weinstein, 2022-07-05 The double codes of law composed by R Joseph Karo during the late sixteenth and early seventeenth centuries mark a watershed in the history of Jewish Halakhah law No further legal project was suggested in later generations The books suggest a new reading beyond the aspects of positive law R Karo continued centuries long traditions of Jewish erudition in tandem with responding to global changes in history of law and legality both in Europe and mainly in the Ottoman Empire It is a global reading of Jewish Halakhah and modernization of Jewish culture in general
