**Ed Brandt**

## **Survey Of World Cultures Russia And The Former Soviet Republics:**

**A Survey of World Cultures** Ed Brandt,1993 Describes geography and climate history the former Soviet Republics the arts and sciences government and life today     **A Survey of World Cultures: Russia and the former Soviet Republics** ,2001

**A Survey of World Cultures Russia and the Former Soviet Republic Teach Ers Guide** ,2006     **Russia and the Former Soviet Republics** Ed Brandt,Teresa Turner Field,1993 Describes geography and climate history the former Soviet Republics the arts and sciences government and life today     *Russia, the Former Soviet Republics, and Europe Since 1989* Katherine Graney,2019-08-09 Nearly three decades after the fall of the Berlin Wall early hopes for the integration of the post Soviet states into a Europe whole and free seem to have been decisively dashed Europe itself is in the midst of a multifaceted crisis that threatens the considerable gains of the post war liberal European experiment In Russia the Former Soviet Republics and Europe Since 1989 Katherine Graney provides a panoramic and historically rooted overview of the process of Europeanization in Russia and all fourteen of the former Soviet republics since 1989 Graney argues that deeply rooted ideas about Europe s cultural civilizational primacy and concerns about both ideological and institutional alignment with Europe continue to influence both internal politics in contemporary Europe and the processes of Europeanization in the post Soviet world By comparing the effect of the phenomenon across Russia and the ex republics Graney provides a theoretically grounded and empirically rich window into how we should study politics in the former USSR     *Citizens in the Making in Post-Soviet States* Olena Nikolayenko,2011-03-02 The political outlook of young people in the countries of the former Soviet Union is crucial to their countries future political development This is particularly relevant now as the first generation without firsthand experience of communism at first hand is approaching adulthood Based on extensive original research and including new survey research amongst young people this book examines young people s political outlook in countries of the former Soviet Union it compares and contrasts Russia where authoritarianism has begun to reassert itself and Ukraine which experienced a democratic breakthrough in the aftermath of the Orange Revolution The book examines questions such as How supportive is this new generation of the new political order What images of the Soviet Union prevail in the minds of young people How much trust does youth place in current political and public institutions Addressing these questions is crucial to understanding the extent to which the current regimes can survive on the wave of public support The book argues that Russian adolescents tend to place more trust in the incumbent president and harbour more regrets about the disintegration of the Soviet Union than their peers in Ukraine it demonstrates that young people distrust political parties and politicians and that patriotic education shapes social and political values     **Russia, the Former Soviet Republics, and Europe Since 1989** Katherine E. Graney,2019 Nearly three decades after the fall of the Berlin Wall early hopes for the integration of the post Soviet states into a Europe whole and free seem to have been decisively dashed Europe itself is in the midst of a multifaceted crisis that threatens the considerable gains of the post war liberal European experiment In Russia the Former

Soviet Republics and Europe Since 1989 Katherine Graney provides a panoramic and historically rooted overview of the process of Europeanization in Russia and all fourteen of the former Soviet republics since 1989 Graney argues that deeply rooted ideas about Europe's cultural civilizational primacy and concerns about both ideological and institutional alignment with Europe continue to influence both internal politics in contemporary Europe and the processes of Europeanization in the post Soviet world By comparing the effect of the phenomenon across Russia and the ex republics Graney provides a theoretically grounded and empirically rich window into how we should study politics in the former USSR Educational Reform in Post-Soviet Russia Ben Eklof, Larry Eugene Holmes, Vera Kaplan, 2005 A collection of essays which examine the reform of the educational system in post Soviet Russia in historical and comparative perspective The Russian Minorities in the Former Soviet Republics Anna Batta, 2021-12-24 This book explores the differing treatment of Russian minorities in the non Russian republics which seceded from the Soviet Union in the early 1990s Providing detailed case studies it explains why intervention by Russia occurred in the case of Ukraine despite Ukraine's benevolent and inclusive treatment of the large Russian minority whereas in other republics with less benevolent approaches to minorities intervention did not occur for example Kazakhstan where discrimination against the Russian minority increased over time and Latvia where the country on its accession to the European Union was deemed to have good minority rights protection despite a record of discrimination against the Russian minority Throughout the book emphasises the importance of the perceptions of the republic government regarding the interaction between the minority's kin state and the minority the role that minorities played within the nation building process and after secession and the dual threat coming from both the domestic and international spheres

*Russia's Cultural Statecraft* Tuomas Forsberg, Sirke Mäkinen, 2021-11-04 This book focusses on Russia's cultural statecraft in dealing with a number of institutional cultural domains such as education museums and monuments high arts and sport It analyses to what extent Russia's cultural activities abroad have been used for foreign policy purposes and perceived as having a political dimension Building on the concept of cultural statecraft the authors present a broad and nuanced view of how Russia sees the role of culture in its external relations how this shapes the image of Russia and the ways in which this cultural statecraft is received by foreign audiences The expert team of contributors consider what choices are made in fostering this agenda how Russian state authorities see the purpose and limits of various cultural instruments to what extent can the authorities shape these instruments what domains have received more attention and become more politicised and what fields have remained more autonomous The methodological research design of the book as a whole is a comparative case study comparing the nature of Russian cultural statecraft across time target countries and diverse cultural domains It will be of interest to scholars and students of Russian foreign policy and external relations and those working on the role of culture in world politics **World Cultures & Geography, Grades 6-8 Reading Study Guide Eastern**

**Hemisphere** Bednarz, 2002 **Soviet Russia: Strategic Survey** United States. Department of the Army, 1963 **A World**

**of Three Cultures** Miguel Basáñez, 2016 In this volume the author presents a provocative look at the impact of culture on global development

**Ethnic Conflict in the Post-Soviet World: Case Studies and Analysis** Leokadia Drobizheva, Rose Gottemoeller, Catherine McArdle Kelleher, Lee Walker, 2015-04-08 Presents 16 case studies of ethnic conflict in the post Soviet world The book places ethnic conflict in the context of imperial collapse democratization and state building

**A Russian Herbal** Igor Vilevich Zevin, 1997-02-01 The first guide to the ancient traditions of Russian herbal medicine and their extensive medicinal applications today Drawing on a wealth of oral and written traditions the authors examine the best known Russian herbs all of which are widely available in North America and Western Europe and explain their folkways properties and uses Offering time tested advice for using herbs to maintain general well being they also give clear and simple recipes for treating specific health problems from asthma and migraines to influenza and high blood pressure Blessed with a wide variety of climates geography and flora early Russians developed a rich folk tradition of herbal healing that ranks among the most sophisticated in the world Nearly every Russian medical school offers courses of study on the knowledge and application of herbs and many maintain a special research department that investigates the properties and practical modern applications of herbal medicine This is the first book to examine the traditions of Russian herbal medicine

*Guide to Russian Reference Books: Vol.1: General Bibliographies and Reference Books* Karol Maichel, Bulletin of Cultural Life in the U.S.S.R., 1927

**Russia and the Commonwealth of Independent States** Zbigniew K Brzezinski, 2016-09-16 This work brings together major accords and protocols that form the institutional framework of the Commonwealth of Independent States CIS a selection of policy statements by the leaders of CIS countries a chronological record of political economic and military security developments and major crises in CIS hot spots and statistics and country profiles

**Palestine in EU and Russian Foreign Policy** Malath Alagha, 2016-10-04 The establishment of a Palestinian state has long been a strategic objective of EU and Russian foreign policy in the Middle East However over a decade after the creation of the road map the establishment of an independent Palestinian state has still not been achieved Palestine in EU and Russian Foreign Policy uses the school of constructivism to provide a new understanding of EU and Russian foreign policy It explores the failure of these global actors to speed up the process of establishing a Palestinian state despite this being a strategic objective and top priority of their involvement in the Middle East peace process The book then analyses the role of identity and self other perception in the making of EU and Russian foreign policy towards the Middle East peace process It is argued that Palestinian statehood provides a telling empirical example of how and to what extent the search for global actorness as a matter of international identity informs foreign policy making by global actors The book then proceeds to discuss why the EU and Russia are so eager to be involved in initiating a peace settlement Offering a new understanding of foreign policy making by global players in Middle Eastern politics this book will appeal to students scholars and policymakers working in International Relations and European Russian and Middle Eastern studies

Cultural Diplomacy and

International Cultural Relations: Volume I Oliver Bennett, 2020-05-21 This book is the first in a dedicated series that explores questions of cultural diplomacy and international cultural relations Drawing on a broad range of disciplinary perspectives it throws new light on the function and operation of policies that seek to change attitudes values and behaviours across national boundaries and in diverse geocultural contexts The specific policies explored relate to ways in which sites of past violence and atrocity are deployed in strategies of soft power to the contribution of culture to EU enlargement to the use of the Russian language as a soft power resource to the singularities of the Indian cultural diplomacy to cultural diplomacy as elite legitimation to the role of diaspora relations in European cultural diplomacy to the use of film in post war cultural diplomacy and to the role assigned to culture in the Canada EU Comprehensive Economic Trade Agreement Scholars interested in how cultural and foreign policy intersect in widely differing national contexts will find this book an invaluable resource It was originally published as a special issue of the International Journal of Cultural Policy
