Congress. House. Committee on Appropriations,1972 **The European Media in the Platform Era** Stylianos Papathanassopoulos,Andrea Miconi,2025-09-01 This book examines the significant changes reshaping the European media landscape in the context of rapid technological advancements political shifts and economic pressures It sheds light on the economic political and structural forces behind these transformations focusing particularly on the impact of platformisation media convergence and the emergence of new players on media production distribution and consumption At the same time the book analyses how platform dominance is reshaping European media ownership by fostering mergers and collaborations while also raising concerns about media concentration Against this backdrop it also considers the evolving role of public broadcasters as governments and policymakers grapple with the challenge of regulating new media realities while maintaining diversity and pluralism It also discusses the implications of the trends for European identity and the European public sphere particularly the tension between a top down institutional and regulatory approach to Europeanisation Providing a detailed overview of the trends and shifts shaping the future of European media the book offers key insights into

the dynamics and challenges of the contemporary media environment It will appeal to students researchers and media professionals interested in media studies European studies international communication and public policy Its insightful analysis and empirical grounding enable readers to gain a better understanding of the ongoing transformations in the European media sector and the future direction of the media in the digital platform era **World Literature, World Culture** Karen-Margrethe Simonsen, Jakob Stougaard-Nielsen, 2008-12-31 In a global age where people goods and cultural products transcend the boundaries of geography and temporality as never before it is only natural that literary and cultural studies turn their attention to Goethe s nineteenth century notion of a Weltliteratur Offering their own Twenty First Century perspectives across generations nationalities and disciplines the contributors to this anthology explore the idea of world literatue for what it may add of new connections and itineraries to the study of literature and culture today Covering a vast historical material from witness accounts of the fall of Constantinople to Hari Kunzru s contemporary representations of multicultural London these essays by a diverse group of scholars examine the pioneers of world literature Juan Andres Morell Goethe and Hugo Meltzl and the roles played by translation migration and literature institutions in the circulation and reception of both national and cosmopolitan literatures They illustrate how literary analysis can be enriched by attention to the border crossing itineraries followed by migrants writers publishers translators and texts thereby yielding new discoveries about writers and artists such as Catullus Manuel Vicent Jean Luc Godard Dubravka Ugresic Derek Walcott Cabral do Nascimento Thomas Pynchon Asger Jorn and Louis Paul Boon **Russia and Europe** Kjell Engelbrekt, Bertil Nygren, 2014-03-18 Russian European political relations have always been problematic and one of the main reasons for this is the different perspectives on even the very basic notions and concepts of political life With a worldwide recession the problems as well as the opportunities in Russian European relations are magnified While most works on Russian European Russian American and Russian West relations focus on current policies and explain them from a standard set of explanatory variables this book penetrates deeper into the structural and ideational differences that tend to bring about misperceptions miscalculations misinterpretations and misdeeds in this two directional relationship It applies a very broad conceptual framework to analyse differences that are as relevant for Europe and the EU as it is to Russia s immediate neighbours and while doing so identifies the key factors that will dominate Russia EU ties in the next decade *Southeast European Studies in a Globalizing World* Christian Promitzer, Siegfried Gruber, Harald Heppner, 2014 Since the early 1990s Southeast European studies have undergone profound changes being shaped by the wars of Yugoslav succession and the ramifications of post socialism coupled with democratic deficiencies which characterize most of Southeast Europe The countries which it encompasses rest uneasily on the periphery of the developed variant of Western capitalism but they have nonetheless to contend with the challenges of adjusting to a market economy The imprint of these contexts on academic research has led to a discussion of the role of Southeast European studies It is the task of this volume to summarize and raise awareness of this

discussion Series Studies on South East Europe Vol 16 Subject European Studies Sociology Politics *Informal Empire and the Rise of One World Culture* G. Barton,2014-05-27 Informal empire is a key mechanism of control that explains much of the configuration of the modern world This book traces the broad outline of westernization through elite formations around the world in the modern era It explains why the world is western and how formal empire describes only the tip of the iceberg of British and American power European Ways of Life Luigi Corrias,Ronald Tinnevelt,2025-09-10 This insightful book considers how we might conceptualize European ways of life It critically examines the political legal and social implications of European values in the face of challenges such as climate change war and global insecurity *Dominant Beliefs and Alternative Voices* Joan Elias Gore,2017-09-25 This book examines why study abroad is a marginal activity in American higher education and evaluates the role gender has played in the development and maintenance of this marginality

Consumer Behaviour, 1st Australia and New Zealand Edition Ayalla Ruvio,Dawn Iacobucci,Valentina Melnyk,Pauline Campbell,2025-08-25 **China's Youth** Li Chunling,2021-09-28 Understanding the young adults who came of age during the rise of China's economic and global power This book by a prominent Chinese sociologist explores how China's youth will influence the country's future Focusing on millennials those born between the early 1980s and the mid 1990s the book examines the status lifestyles attitudes values and behaviors of this key segment of the country's population Li Chunling's study presents a native Chinese perspective on the increasingly diverse generation that at some point will assume leadership of the country Among the key questions addressed in the book are How do Chinese millennials differ both from preceding generations in China and from their counterparts around the world How can current and future relations between Chinese millennials and the Chinese government be assessed And what are the factors or fault lines that have shaped the intra generational differences among China's young people Members of this age cohort are extraordinary and in some respects unique in contemporary China Their ascent has accompanied five historic and far reaching developments These include China's rapid economic rise the adoption of the one child per family policy the largest domestic rural to urban migration in Chinese history the opening of extensive educational opportunities abroad and the arrival of the digital era Young Chinese citizens have developed a comprehensive understanding of the world much faster than previous generations millennials see themselves not as extensions of the past but rather as the innovators of the country's future Through expansive and in depth empirical research on Chinese millennials and younger age cohorts people in their late teens and early 20s Dr Li's book illustrates how China's younger adults reflect the growing diversity and persistent inequality in society The book also explores how their distinct characteristics and views will shape the country's trajectory For the outside world developing a better understanding of this unique generation is an urgent task given that China now has more influence on the global economy and regional security than at any other point in modern history *Youth in Europe: An international empirical study about the impact of religion on life orientation* Hans-Georg Ziebertz,William K. Kay,2005 This book draws

upon empirical data collected from 10 000 adolescent young people in 10 European countries The first volume of this project was about young people s life perspectives and the second about their religious attitudes and practices The current and final volume of this cross cultural study connects both research dimensions The analyses make clear that the influence of religion on values life orientation and politics differs strongly between different groups within Christianity and between Christians Jews and Muslims Many findings contain obvious surprises because they refute mainstream opinion on many topics The book gives detailed and new insights in the public relevance of the religiosity of young people across Europe All three volumes together are indispensable for scholars who work in public religious and educational contexts
