When Comedy Goes Wrong Christopher J. Gilbert, 2025-04 While conventional wisdom has it that humor embodies a spirit of renewal and humility a dispirited form of comedy thrives in a media saturated and politically charged environment When Comedy Goes Wrong examines how beginning in the late twentieth and carrying into the early twenty first century a certain comic dispirit found various platforms for disheartening cultural politics From the calculated follies on talk radio programs like the Rush Limbaugh Show through the anticomedy in the movie Joker the charades of cancel culture the carnivalesque antics of participants in the Capitol insurrection and ultimately to so called Alt Right comedy the transgressions and improprieties and ego trips endemic to a newfangled comic freedom produced entirely unfunny ways of being To understand these unfunny ways Christopher J Gilbert challenges the prevailing belief in humor s goodness analyzing radio personalities meme culture films civil unrest and even the language of ordinary individuals and everyday speech all to demonstrate what happens when humor becomes humorless As such Gilbert puts forth a nuanced sense of humor with regard to a tumultuous world When Comedy Goes Wrong challenges assumptions about comedy s unequivocal benefits to democratic praxis It goes beyond partisanship to explore the uglier parts of American culture imagining the stakes of doing comedy and being comical as a means of survival

Born Funny Tom McCaffrey, 2023-01-03 Stand Up Comedy is a battlefield not for the faint of heart You either die on that stage or you kill In 2002 Steve Collin was a brand spanking new comic who accidentally stumbled onto a burgeoning irreverent New York comedy movement in its infancy Alternative Comedy quickly gained a following as a backlash to the stale club style of the 80 s It was new and exciting and Steve s loose style of comedy was a perfect fit for the Alt scene But in comedy timing is everything just one misstep and you become a cautionary tale or a punchline A former class clown and comedic natural Steve enters the stand up world wholly unprepared for the rejection heavy drinking and cut throat competition accompanying it Recognized early on by comedy tastemakers as a talent to watch and swiftly securing a litany of TV credits Steve soon gets caught up in a whirlwind of endless shows free drinks and the unrelenting New York City nightlife Born Funny A Comic s Chronicle Through the Rise of Alt Comedy is a novel based on the author s stand up comedy experience during the significant era that launched a generation of comedy talent Featuring cameos from many well known future comedy stars before they made it big some names have been changed including the author s

Alternative Comedy Oliver Double, 2020-04-16 In the late 1970s the alternative comedy scene exploded into life in Britain and completely changed the style subject matter and politics of British stand up Contemporary critics talked about it as anti matter comedy that makes you laugh while actually rearranging large chunks of your brain This

book draws on a wealth of archive material including unpublished recordings of early performances and new interviews with key figures such as Alexei Sayle, Andy de la Tour and Jim Barclay to provide a detailed history of the early scene and an examination of the distinctive modes of performance style which developed. Beginning with its origins, the volume traces the influence of American stand up and in particular the significance of Mort Sahl and Lenny Bruce as the originators of a style of stand up that influenced the British pioneers of alternative comedy. It shows how the opening of the Comedy Store in 1979 provided a catalyst for a new movement which grew outward from there with the foundation of the group Alternative Cabaret and the opening of the Comic Strip. But it also looks at smaller venues and less celebrated acts that have not been as well remembered including ranting poets and street performers. Finally it looks at alternative comedy's legacy showing how it was the starting point for the UK's thriving and varied live scene which encompasses anything from small pub gigs to huge arena tours.

The Funniest People in Comedy and Relationships: 500 Anecdotes David Bruce, 2006-09-01 This book contains such anecdotes as these: 1. In his Answer Man column, film critic Roger Ebert answered a question by Matt Sandler about who

was the world's most beautiful woman by saying that she was Indian actress Aishwarya Rai. In a later Answer Man column a reader stated that Mr Ebert should have answered the question by saying My wife. However Mr Ebert had a good reason for not answering the question that way. Matt Sandler asked about women not goddesses. 2 To advertise its Razzles candy.
