Survival Guide For Cheb Parents:

Soldier of Fortune ,2008 The Parent Survival Guide Theresa Kellam,2011-02-14 When parents turn to the parenting self help section of their local bookstore they are looking for both practical guidance and a childrearing philosophy that resonates with them an approach they can relate to and be comfortable implementing in their own household In The Parent Survival Guide From Chaos to Harmony in Ten Weeks or Less Theresa Kellam presents a way to strengthen the relationship with the child that simultaneously promotes the parent s own emotional healing and wellness Grounded in a research supported therapeutic technique that uses structured play time as the catalyst for interpersonal connection and growth Kellam s model is subtle in its simplicity Through a series of guided exercises Kellam gives parents the skills they need to begin to set aside special playtimes with their children during which the most important part of the process is simply being there in a way that promotes healing growth and communication The beauty of this approach is that in only 30 minutes once a week the results can be seen in only a few weeks Features of the book include Parent Survival Tip at the start of each chapter Original cartoon illustrations bring text to life Short but insightful workseet questions bring focus to the program The Parent Survival Guide is structured over a series of 10 chapters which can be read in conjunction with the 10 sessions of the CPRT workshops for those parents enrolled in a formal filial training program But the material in the book is designed to be read and implemented by anyone The author is not only a licensed psychologist and filial therapist but she has also gone through the program with her own son and continues to rely on its principles within her family **Resources in Education**

,1993 **The Working Parent's Survival Guide** Anita Cleare,2021 The Working Parent s Survival Guide shows you how to be a great parent by parenting smarter not harder and by understanding what children really need from us Offering strategies for focusing on what really matters connecting with our kids and meeting everyone s needs Anita Cleare guides working parents to building a happier family **Stay-at-Home-Parent's Survival Guide** Christina Tinglof,2000-02-01 Each year thousands of parents yearning for more time with their children put away their briefcases and laptops in favor of baby gear and Legos Yet being home with the kids all day isn t easy Some of us need a little extra help with the transition The Stay at Home Parent Survival Guide not only helps Moms and Dads survive the occasional stressful day something every parent experiences now and then but also inspires them with new ideas for indoor and outdoor activities great places to take the kids starting a playgroup building a support system and keeping connected in the adult community Even if you re a parenting pro The Stay at Home Parent Survival Guide is a useful resource that offers unique ways to handle the day to day tasks of stay at home parenting such as helpful tips for finishing the housework with the kids underfoot meal and naptime strategies that work skills for building a stronger marriage managing your time effectively beating the stay at home blues and balancing household finances on a single income In addition to the expertise of author Christina Baglivi Tinglof and other stay at home parents The Survival Guide includes valuable insights from a variety of experts including Kathy Kristof syndicated columnist
