Survival Guns:

Survival Guns: A Beginner's Guide Steve Markwith, 2014-08-18 *Survival Guns A Beginner's Guide* is the first firearms book in the Survival Guns series that covers building a basic firearm battery Steve Markwith will take the reader through the process of selecting and buying firearms and accessories via a planned process that meets your needs and budget Steve outlines some underlying principles to work toward the goal of building a coordinated battery beginning with just a short list of essential systems that constitute a baseline inventory The book's premise is built on starting with a clean slate While some readers may already own guns and pursue the tendency to weave what they already own into the mix those end results may be less than ideal Steve takes the reader through a logical approach to building a planned but practical collection that will suit a variety of needs While this book and Steve's similar manuals is written for beginning to intermediate users those familiar with firearms will also find the content of value The information contained within is detailed covering far more than just a firearm itself leaving the reader confident in his/her plan to acquire guns and accessories in a reasoned logical way

The Gun Digest Book of Survival Guns Scott W. Wagner, 2013-02-20 Is your gun a SURVIVAL GUN Getting through an emergency whether fire or flood economic collapse or mass civil rioting and every disaster small and large in between can depend largely on the firearms you have on hand Now the Gun Digest Book of Survival Guns has the lowdown on what to have with you when it's all going down Inside you'll find pertinent information on Firearms and ammo selection thinking beyond what's on hand Layered defense strategies Methods of carry and deployment Crucial accessories and those to leave behind Defense while bugging out and traveling And more Law enforcement veteran Scott Wagner absolutely delivers with this volume With the wisdom that comes from decades of serving with a badge and an insightful and logical look at what the future can hold for all of us Wagner answers every What if you have and many more you didn't *Survival Guns* Mel Tappan, 2009-11-01 When he wrote *Survival Guns* in 1979 Mel Tappan demonstrated that having the right weapons for securing food and providing personal defense is the key to sustaining life on an independent basis whether or not a catastrophe occurs This is even more true today *Survival Guns* became the standard in its own time and went through several printings When it finally went out of print it graduated from a classic to a sought after collector's item because the principles and advice in this well reasoned volume are sound and perennially valuable Some new guns and some new calibers have become available since this book was first published but its principles advice and value remain unchanged Having more choices only increases the value of advice on how to choose what is best for you As used copies of this book became harder and harder to find Paladin received numerous requests to bring Tappan's classic back into print We are pleased to make the most well known survival firearms book ever published available once more to a new generation of concerned citizens facing the same threats Tappan chronicled during his lifetime *Survival Guns* remains the definitive book for anyone interested in the practical use of firearms and related weapons for defense food gathering and predator and pest control under conditions of

long term self sufficient living *Survival Weapons: Optimizing Your Arsenal* phil west,2013-06-16 Every intelligent person realizes that weapons are necessary to sustain and protect themselves and those they love We cannot all be like the characters of fiction with a room full of varied and often exotic weaponry For most of us there is always something else money must be spent on What do we really need and what is the best way to use it Chapters on Hunting rifles Shotguns Defensive Handguns and Rifles Rimfires Sighting systems lighter and quieter rifle slings and Survival Knives choosing using and keeping them sharp *Survival Guns* Mel Tappan,1976 *Rimfire Rifles: A Buyer's and Shooter's Guide* Steve Markwith, This book is devoted to a whole series of useful firearms beginning with the well known 22 Long Rifle The venerable twenty two hosts a wide array of interesting loads including some ultra quiet choices and fairly nasty high speed rounds Even hotter rimfire calibers include the 22 Winchester Magnum Rimfire plus three small bore derivatives the 17 Mach II 17 Hornady Rimfire Magnum and Winchester s high velocity 17 Super Magnum Careful shopping can provide us with a useful rimfire or maybe even two with which to quietly harvest small game or eliminate pests An economical 22 LR firearm can also serve as a great high powered rifle trainer if similar function is considered In a pinch it might even work for self defense The rimfires can t do everything but they can do a lot once fully understood One trait is easy to overlook until you start shooting They re lots of fun This book will lead the way from beginning to end *Shotguns: A Comprehensive Guide* Steve Markwith, Shotguns A Comprehensive Guide is Steve Markwith s second firearms book in the Survival Guns series This book covers the details of buying owning and shooting a shotgun Steve takes the reader from understanding the many differences between various models old and new to detailing chokes barrels and shot patterns He covers essential topics such as cleaning safety and training The information contained within is detailed covering far more than just the firearm itself leaving the reader confident in his her plan to learn the about the gun in a reasoned logical way Steve s decades of experience and no nonsense writing style makes this book a joy to read Complemented with many photographs this is a must have on the bookshelf of any firearms enthusiast *Prepper Guns* Bryce M. Towsley,2016-05-17 Food water and shelter are very important to survival But you must also be ready to protect what is yours because if somebody stronger better prepared and better equipped takes it all away you will die Your family will die The only way to protect them is with firearms Written with the law abiding civilian in mind Prepper Guns covers the firearms and tools needed to survive not only for defense but also for foraging It is a comprehensive look at the realities of the firearms a prepper should have Written by Bryce M Towsley a firearms expert and a full time gun writer with thirty years of experience it steps away from the conventional wisdom that is often spouted by prepper publishing and takes a hard honest look at the reality of the firearms ammo tools and training needed to survive at home and on the road Prepper Guns takes a careful look at each category of firearms ammo sights and accessories Other topics include gun care and maintenance as well as some simple gunsmithing and reloading to keep firearms repaired and ammo on hand Finally Prepper Guns has training suggestions and drills plus a

look at the psychology of survival using the expertise of some of the top people in the world in these fields If you are worried that bad things are coming and are trying to prepare this book is the most important piece of gear you can buy Because if you can't protect your family your food and your home nothing else really matters

PREPPERS: HISTORY AND THE CULTURAL PHENOMENON Lynda King,2014-08-07 The word prepper seems to have burst onto the scene within the last 10 years and has increasingly become associated with fringe extremists They have been labeled by some as domestic terrorists But is prepping a new phenomenon Or is it a manifestation of a growing collective psyche that has learned from traumatic events throughout our history that preparedness is critical to human survival For new preppers who think the worst is yet to come this book offers a walk through history that shows the worst has been here before For those who wonder why so many people are concerned about being prepared this book will show that when the worst has made an appearance those who weathered it best were those who were prepared For those already familiar with history s worst who think THAT will never happen again this book offers a reminder of the Wall Street adage Past performance is no guarantee of future results For those who wonder what a prepper is this book offers a look at what they used to be and what they are today [The Ku Klux Klan and Related American Racialist and Antisemitic Organizations](#) Chester L. Quarles,1999-01-01 Despite the fact that the Ku Klux Klan can be traced from the 1700s through the Civil War and is going strong in the present day many people fail to realize the reach and influence of the group Many scholars for instance perceive the KKK as a radical racist group composed primarily of ignorant uneducated members when it is actually much more Some Klan groups are political while others are simply social Some meet and eat just as any other mainstream civic or church group but others are focused toward the use of well planned violence Not all Klan groups advocate an overthrow of the U S government though some do The author traces the historical development of the Klan addressing its organization membership ideologies and philosophies Avoiding the bias of previous works written by either Klan apologists or detractors the author chronicles the directions the group has taken during its long and diverse history The study also details the secret oaths of allegiance the Imperial Wizards and the concept of Knighthood The result is an accurate account of the Ku Klux Klan a group that has continued to grow and evolve in response to changing times **Survival Guns to Own When the**
