Building a Youth Ministry that Builds Disciples Duffy Robbins, 2012-01-24 While most youth pastors are being regularly evaluated or even scrutinized for what they're doing right now in the youth group the reality is that the most important thing they are doing won't actually be evident until much later. That's because the biggest challenge for any youth ministry is helping teens embrace a whole hearted devotion to God that lasts far beyond their years in the youth room. Unfortunately much of youth ministry seems to be designed on the model of setting teenagers up for a date with God a delightful evening that involves music laughter food and light conversation. But what scripture calls us to is not a one night stand with God but a lifelong love of God that endures. Youth ministry educator and veteran Duffy Robbins offers youth workers a blueprint for building that kind of faith in teenagers. In this concise book ideal for busy youth workers they'll be equipped to build a youth ministry that instills that lasting faith in its students.

When God Shows Up Mark H. Senter, Mark Senter, 2010-03 A veteran youth ministry expert provides a substantial history of American Protestant youth ministry helping readers understand trends and changes.

"Same Is Better" Cari Myers, 2022-10-31 As younger generations drift away from evangelical churches the number of religiously unaffiliated young adults grows. Is the drift because of politics personal morality rebelliousness culture wars or something else? In this project 16 young adults from the Churches of Christ participate in qualitative interviews over a five year span. They describe messages they learned about success and survival from their faith communities as children and how they have embraced and reinterpreted those messages into helpful life principles as adults. The resulting study explores issues of ethnicity in evangelical borderland communities and contrasts Latinx narratives with white narratives in religious and educative contexts. Findings also revealed gendered narratives class based narratives and the glaring absence of helpful narratives around sexuality filtered through the lenses of religion and education. The central finding of the interviews is this participants experienced the Church of Christ as rewarding conformity with community a strategy when it works which secures the future of the denomination and cements a conservative doctrine in the next generation of leadership. However the study concludes that true survival narratives were the narratives participants constructed in response to the narratives provided by Churches of Christ.

Organizing Your Youth Ministry Paul Borthwick, 2004-03-01 We need to get organized around here. That is the common cry of youth workers.

who feel burdened by so much to do in so little time so many responsibilities and so few results so much criticism it seems so little support Paul Borthwick agrees that getting organized is essential for effective your ministry and he has written an essential book to help those of you in youth ministry organize three different areas of your lives Personal How do your personal goals and your need for personal growth fit with your youth ministry If you re married are your spouse and children helped or hurt by your involvement with kids Are your other responsibilities suffering As Borthwick says Good ministry is the result of a balanced personal life Professional Do you see yourself as a youth professional Is your interaction with pastor and church board characterized by mutual respect It s the youth worker who will help other people see youth ministry as a profession and not just a fun and games operation Practical Is your budget balanced Do you frequently begin activities feeling only half prepared Do your volunteers and coworkers know what is expected of them Better planning and time management can create programs lessons and activities that help people grow learn and love each other Part I of Organizing Your Youth Ministry examines the need to the youth minister to organize his or her personal life as well as ministry setting priorities and the special challenges of church youth ministry Part II addresses the philosophical foundations of youth ministry organization Why do we do what we do What is it young people really need How do you work with a team Where do parents fit in Part III discusses how to organize the daily weekly monthly and yearly administrative demands of the youth ministry from budgets to retreats from activities to Sunday school lessons from choir to missions projects from discipleship programs to the special needs of junior high students Part IV helps us to evaluate our goals and to measure the effectiveness of our youth ministry always keeping in mind that as Borthwick says the ultimate purpose isn t just to produce better programs or a more efficient discipleship system but to present each person complete in Christ Col 1 28 NASB So if you like every other youth worker have too much to do too little time to do it in and sometimes don t know where to begin Organizing Your Youth Ministry can help Give it a try and you ll find out why Paul Borthwick says that organization can be a ministry in itself
