Earrings for a Black Day Mila Austin, 2010-05-11 This book provides a real sense of what it was like to live at the time when the Soviet Union collapsed. The reader will step in and participate in the lives of the characters realizing the devastating impact Perestroika had on the people of Russia. Don't be born beautiful but be born fortunate: the Russian people say, believing that fate exists. On graduation day, a provincial teacher gives her daughter a pair of priceless antique earrings—the only remaining evidence of the family's former nobility—insisting they must be kept for a black day. As if a spell has been cast, Lena's life begins falling apart: her fiancé is killed in Afghanistan, she loses her baby, and after a brutal assault is forced into prostitution. Victor is a military officer who has gone through the bloody meat grinder of Afghanistan. Returning home, he doesn't recognize the country he left a few years ago; he has no place to live, no possibility of employment, and no money in the bank. His only recourse in civilian life is to become a hired killer for his former commander. This novel takes the reader on an emotional roller coaster ride. Just when Lena and Victor seem to find happiness in their lives, fate intervenes through the forces of war, poverty, and death. The reader will finish the book greatly enriched with a deeper understanding of Soviet history, culture, and that mysterious Russian soul.

Extraordinary Groups Richard T. Schaefer, William W. Zellner, 2015-10-22 Extraordinary Groups has had a storied history of excellence over multiple editions. Now available from Waveland Press at the start of its fifth decade of availability, its interdisciplinary approach to groups engaged in unconventional lifestyles makes it a popular textbook choice in hundreds of college courses across the social sciences, including anthropology, religion, history, and psychology. Written by sociologists using and illustrating sociological principles, the book is appealing because it is descriptive and explanatory rather than analytical. Descriptions of the groups are interwoven with basic sociological concepts, but systematic analysis and inductive reasoning are left to the discretion of the instructor. Extraordinary Groups is a compelling overview of the broad tapestry of social life that constitutes the United States. The illustrated full-featured Ninth Edition includes a glossary and end-of-chapter key terms, sources on the Web, and selected readings.

The Memoirs of Ceija Stojka, Child Survivor of the Romani Holocaust Ceija Stojka, 2022 First English translation of the memoirs of Austrian Romani Holocaust survivor, writer, visual artist, musician, and activist Ceija Stojka. 1933–2013, along with poems, an interview, historical photos, and reproductions of her artworks. Is this the whole world? This question begins the first of three memoirs by Austrian Romani writer, visual artist, musician, and activist Ceija Stojka. 1933–2013, told from her perspective as a child interned in three Nazi concentration camps from age nine to twelve. Written by a child survivor much later in life, the memoirs offer insights into the nexus of narrative and extreme trauma, expressing the full spectrum of human emotions: fear and sorrow at losing loved ones, joy and relief when reconnecting with family, and

friends desire to preserve some memories while attempting to erase others horror at acts of genocide and hope arising from dreams of survival In addition to annotated translations of the three memoirs the book includes two of Stojka s poems and an interview by Karin Berger editor of the original editions of Stojka s memoirs as well as color reproductions of several of her artworks and historical photographs An introduction contextualizes her works within Romani history and culture and a glossary informs the reader about the concentrationary universe Because the memoirs show how Stojka navigated male dominated postwar Austrian culture generally discriminatory to Roma and the patriarchal aspects of Romani culture itself the book is a contribution not only to Holocaust Studies but also to Austrian Studies Romani Studies and Women s and Gender Studies
