## **Susan Sontag Reader:**

*A Susan Sontag Reader* Susan Sontag, 1982      **A Susan Sontag Reader** Susan Sontag, 1982      **A Susan Sontag Reader** Susan Sontag, 1987      *A Susan Sontag Reader* Susan Sontag, 2014-09-09 Susan Sontag occupies a special place in Modern American letters. She has become our most important critic while her brilliant novels and short fiction are at long last getting the recognition they deserve. Sontag is above all a writer which is only to say that though the form may differ there is an essential unity in all her work. The truth of this is perhaps more evident in *A Susan Sontag Reader* than in any of Sontag's individual books. The writer selected a sampling of her work meaning the choice both to reflect accurately a career and also to guide the reader toward those qualities and concerns which she prizes in her own writing. *A Susan Sontag Reader* is arranged chronologically and draws on most of Sontag's books. There are selections from her two novels *The Benefactor* and *Death Kit* and from her collections of short stories *I, etcetera*. The famous essays from the 1960s *Against Interpretation*, *Notes on Camp* and *On Style* which established Sontag's reputation and can be fairly said to have shaped the cultural views of a generation are included as are selections from her two subsequent volumes of essays *Styles of Radical Will* and *Under the Sign of Saturn*. A part of Sontag's best-selling *On Photography* is also included. It is astonishing to read these works when they are detached from the books they appeared in and offered instead in the order in which Sontag wrote them. The connections between various literary forms, the progression of themes are revealed in often startling ways. Moreover, Sontag has included a long interview in which she moves more informally over the whole range of her concerns and of her work. The volume ends with *Writing Itself*, a previously uncollected essay on Roland Barthes which in the eyes of many is one of Sontag's finest achievements. This collection is in a sense both a self-portrait and a key for a reader to understand the work of one of the most important writers of our time.

**The Gender/sexuality Reader** Roger N. Lancaster, Micaela Di Leonardo, 1997 Textbook on gender      *I, etcetera* Susan Sontag, 2013-10-01 In eight stories this singular collection of short fiction written over the course of ten years explores the terrain of modern urban life. In reflective telegraphic prose Susan Sontag confronts the reader with exposed workings of an impassioned intellect in narratives seamed with many of the themes of her essays: the nature of knowing our relationship with the past and the future in an alienated present.

**The New York Intellectuals Reader** Neil Jumonville, 2013-10-31 In the early 1930s in a small alcove at City College in New York a group of young passionate and politically radical students argued for hours about the finer points of Marxist doctrine, the true nature of socialism and whether or not Stalin or Trotsky was the true heir to Lenin. These young intellectuals went on to write for and found some of the most well-known political and literary journals of the 20th century such as *The Masses*, *Politics*, *Partisan Review*, *Encounter*, *Commentary*, *Dissent* and *The Public Interest*. Figures such as Daniel Bell, Nathan Glazer, Sidney Hook, Susan Sontag, Dwight MacDonald and Seymour Lipset penned some of the most important books of social science in the mid-twentieth century. They believed above all else in the importance of argument and the power of the pen. They were a vibrant

group of engaged political thinkers and writers but most importantly they were public intellectuals committed to addressing the most important political social and cultural questions of the day Here with helpful head notes and a comprehensive introduction by Neil Jumonville The New York Intellectuals Reader brings the work of these thinkers back into conversation

*At the Same Time* Susan Sontag, 2007-03-06 *At the Same Time* gathers 16 essays and addresses written in the last years of Sontag's life when her work was being honored on the international stage that reflect on the personally liberating nature of literature her deepest commitment and on political activism and resistance to injustice as an ethical duty [The Dustbin of History](#) Greil Marcus, 1995 How much history can be communicated by pressure on a guitar string Robert Palmer wondered in *Deep Blues* Greil Marcus answers here more than we will ever know It is the history in the riff in the movie or novel or photograph in the actor's pose or critic's posturing in short the history in cultural happenstance that Marcus reveals here exposing along the way the distortions and denials that keep us oblivious if not immune to its lessons Whether writing about the Beat Generation or Umberto Eco Picasso's *Guernica* or the massacre in Tiananmen Square The Manchurian Candidate or John Wayne's acting Eric Ambler's antifascist thrillers or Camille Paglia Marcus uncovers the histories embedded in our cultural moments and acts and shows how through our reading of the truths our culture tells and those it twists and conceals we situate ourselves in that history and in the world Rarely has a history lesson been so exhilarating With the startling insights and electric style that have made him our foremost writer on American music Marcus brings back to life the cultural events that have defined us and our time the social milieu in which they took place and the individuals engaged in them As he does so we see that these cultural instances as lofty as *The Book of J* as humble as a TV movie about Jan and Dean as fleeting as a few words spoken at the height of the Berkeley Free Speech Movement as enduring as a Paleolithic painting often have more to tell us than the master narratives so often passed off as faultless representations of the past Again and again Marcus skewers the widespread assumption that history exists only in the past that it is behind us relegated to the dustbin Here we see instead that history is very much with us being made and unmade every day and unless we recognize it our future will be as cramped and impoverished as our present sense of the past [The Lesbian and Gay Studies Reader](#) Henry Abelove, 2012-10-02 Bringing together forty two groundbreaking essays many of them already classics The Lesbian and Gay Studies Reader provides a much needed introduction to the contemporary state of lesbian gay studies extensively illustrating the range scope diversity appeal and power of the work currently being done in the field Featuring essays by such prominent scholars as Judith Butler John D Emilio Kobena Mercer Adrienne Rich Gayle Rubin and Eve Kosofsky Sedgwick The Lesbian and Gay Studies Reader explores a multitude of sexual ethnic racial and socio economic experiences Ranging across disciplines including history literature critical theory cultural studies African American studies ethnic studies sociology anthropology psychology classics and philosophy this anthology traces the inscription of sexual meanings in all forms of cultural expression Representing the best and most significant English language work in the field

*The Auditory Culture Reader* Michael Bull, Les Back, 2020-05-31 The first edition of The Auditory Culture Reader offered an introduction to both classical and recent work on auditory culture laying the foundations for new academic research in sound studies Today interest and research on sound thrives across disciplines such as music anthropology geography sociology and cultural studies as well as within the new interdisciplinary sphere of sound studies itself This second edition reflects on the changes to the field since the first edition and offers a vast amount of new content a user friendly organization which highlights key themes and concepts and a methodologies section which addresses practical questions for students setting out on auditory explorations All essays are accessible to non experts and encompass scholarship from leading figures in the field discussing issues relating to sound and listening from the broadest set of interdisciplinary perspectives Inspiring students and researchers attentive to sound in their work newly commissioned and classical excerpts bring urban research and ethnography alive with sensory case studies that open up a world beyond the visual This book is core reading for all courses that cover the role of sound in culture within sound studies anthropology sociology cultural studies history media studies and urban geography

**A Postmodern Reader** Joseph Natoli, Linda Hutcheon, 1993-06-29 These readings are organized into four sections The first explores the wellsprings of the debates in the relationship between the postmodern and the enterprise it both continues and contravenes modernism Here philosophers social and political commentators as well as cultural and literary analysts present controversial background essays on the complex history of postmodernism The readings in the second section debate the possibility or desirability of trying to define

the postmodern given its cultural agenda of decentering challenging even undermining the guiding master narratives of Western culture The readings in the third section explore postmodernism's complicated complicity with these very narratives while the fourth section moves from theory to practice in order to investigate in a variety of fields the common denominators of the postmodern condition in action
