breaking audacious dreamers who are often sexually transgressive and gender fluid in ways that seem strikingly modern today McBride shows that Cukor's seemingly self-effacing body of work is characterized by a discreet way of channeling his feelings through his actors He expertly cajoled actors usually gently but sometimes with bracing harshness to delve deeply into emotional areas they tended to keep safely hidden Cukor's wry wit his keen sense of psychological and social observation his charm and irony and his toughness and resilience kept him active for more than five decades in Hollywood George Cukor's *People* gives him the in-depth multifaceted examination his rich achievement deserves *The Bennetts* Brian

Kellow, 2004-11-26 An engrossing new page-turner about one of old Hollywood's royal families theater people don't get more interesting and it's a true tale well told Hollywood Reporter In the early 1930s Constance Bennett was the highest paid star in Hollywood famous for dramatic roles before reinventing herself in the classic comedy *Topper* starring opposite Cary Grant Her sister Joan played the femme fatale in films like *Scarlet Street* and also starred in lighter films like *Father of the Bride* Though their names are not well known today the Bennett family is one of the most storied families in Hollywood history The saga begins with Richard Bennett who left small town Indiana to become one of the bright lights of the New York stage during the early twentieth century In time however Richard's fame was eclipsed by that of his two acting daughters But the Bennett family also includes another sister Barbara whose promising beginnings as a dancer gave way to a turbulent marriage to singer Morton Downey and a steady decline into alcoholism Constance and Joan were among Hollywood's biggest stars but their personal lives were anything but serene In 1943 Constance became entangled in a highly publicized court battle with the family of her millionaire ex-husband and in 1951 Joan's husband producer Walter Wanger shot her lover in broad daylight sparking one of the biggest Hollywood scandals of the 1950s **Susan and God** Rachel 1878-1958

business and before starting to write I was setting around one day after retiring and thinking now what do I do with myself I could go back to work but I was laid off from my last job and I really don't want to not for someone else anyway Even if someone would hire me at 66 which is unlikely Well To make a long story a bit shorter I racked my brain on what to do with myself and came up with writing then writing fiction not much research in that then came up with putting all my friends in it whether alive or not with us any longer also family members most of which are pushing up daisies which makes for good ghosts I do hope you buy it and enjoy it If not maybe I'll go back to work after all Yours truly C D P S I plan on giving most if not all of the money made by me on this to charity or even forming a charity the book profits would go straight into but of course that's to worry about after I sell some books *Everybody's Magazine* ,1922
