

A woman with long dark hair, wearing a flowing blue dress, stands with her arms raised, holding a large, ornate chalice. She is looking upwards with a serene expression. The background is dark and indistinct, suggesting an indoor setting with some architectural elements. The overall mood is dramatic and ethereal.

## **Swallowing Jewels:**

**Swallowing Jewels** Aurealia N. Nelson, 2000-09-21 These are imaginative evocative pieces the author reveling in the semantic and stylistic possibilities of the English language She is unconstrained by conventional forms although her work remains both accessible and lucid indeed her work is marked by a strong literary vision and confidence of expression that brings further meaning to the work Although it is very difficult to pick highlights from a collection as accomplished as this I think the following passage illustrates some of the key elements of the author's style and subject matter Enormous dark wood shining with a hidden secret Rich cherry red mahogany bark beckoned her with its treasure The scrolls of ornament curled and uncurled into various shapes and forms a grape vine then a swallow bird then a deep pool that seemed to ripple when one held their head just so Sheath stood before it uttering the words of the unlocking spell As this extract illustrates the descriptions are at once striking and eloquently communicated yet never descend into meaningless verbosity The writing is intelligent and thoughtful and the author switches between subject matter styles and forms with considerable grace

The Phases of Jewish History Philip Ginsbury, Raphael Cutler, 2005 Just as the moon waxes and wanes so too civilizations pass through stages of birth growth and decline But only the Jewish nation has continued this cycle from generation to generation mimicking the eternal cycles of the moon This fact filled volume explores the history of the Jewish people in a unique and readable way taking us from Biblical times to the present Each of the phases deals with 500 years of history and depicts not only the political economic and social forces that kept the Jewish people alive and vibrant but also the leading figures who significantly affected the course of Jewish history The authors take us from the period of the Patriarchs through Moses David and the birth of the Jewish People then on to the period of the prophets and kings Ezra and the Great Assembly the Talmudic period the Geonim Rishonim the Inquisition Achronim the two World Wars and the State of Israel
