Ernest Hemingway in Interview and Translation Mirosława Buchholtz, Dorota Gutfeld, 2022-07-21 The book offers an innovative approach to the study of Ernest Hemingway's fiction and biography It juxtaposes two perspectives that have been underrepresented in Hemingway studies so far translation and interview The book is divided into three sections which mirror the key words in the title interview and translation Section One explores the last interviews with Hemingway in their historical context of the Cold War Section Two focuses on the

achievement of Bronisław Zieliński Hemingway's Polish translator and friend who is hardly known outside Poland The section gives a detailed account of their correspondence in the years 1958-1961 Section Three is an account of experiments in translating Hemingway's famous story *Cat in the Rain* 1925 by groups of Polish university students Its aim is to illustrate the extent to which literary translation may influence the construction of the text's meaning **The Publisher** Alan

Brinkley, 2011-04-05 Acclaimed historian Alan Brinkley gives us a sharply realized portrait of Henry Luce arguably the most important publisher of the twentieth century As the founder of *Time*, *Fortune* and *Life* magazines Luce changed the way we consume news and the way we understand our world Born the son of missionaries Henry Luce spent his childhood in rural China yet he glimpsed a milieu of power altogether different at Hotchkiss and later at Yale While working at a Baltimore newspaper he and Brit Hadden conceived the idea of *Time* a news magazine that would condense the week's events in a format accessible to increasingly busy members of the middle class They launched it in 1923 and young Luce quickly became a publishing titan In 1936 after *Time*'s unexpected success and Hadden's early death Luce published the first issue of *Life* to which millions soon subscribed Brinkley shows how Luce reinvented the magazine industry in just a decade The appeal of *Life* seemingly cut across the lines of race class and gender Luce himself wielded influence hitherto unknown among journalists By the early 1940s he had come to see his magazines as vehicles to advocate for America's involvement in the escalating international crisis in the process popularizing the phrase World War II In spite of Luce's great success happiness eluded him His second marriage to the glamorous playwright politician and diplomat Clare Boothe was a shambles Luce spent his later years in isolation consumed at times with conspiracy theories and peculiar vendettas *The Publisher* tells a great American story of spectacular achievement yet it never loses sight of the public and private costs at which that achievement came *Gloria Steinem* Sydney Ladenson Stern, 2023-10-03 Includes a new afterword A richly detailed

biography of the iconic feminist based on interviews with friends family colleagues and Steinem herself The Washington Post Going beyond Gloria Steinem's public persona this biography provides an in-depth portrait of the famed activist covering her family of origin Smith College education travels in India founding of *Ms* magazine and much more drawn from fifty hours of interviews with Steinem as well as conversations with more than two hundred people in her life Stern's biography is sympathetic but critical about the woman who was once perhaps the foremost figure of American feminism Follows its subject from her childhood with a mentally ill mother and never do well father through her rise in the women's movement The New York Times Book Review Feminist icon goddess social climber bunny who is Gloria Steinem All of the above according to this serious new biography A real look at Steinem off the public platform Kirkus Reviews Avoiding esoteric psychological or feminist theorizing Stern still provides a clear context for Steinem's development both as a public figure and as an exemplar of the movement that seeks to have women define themselves as autonomous individuals Library Journal Includes photographs **Twentieth-Century American Fiction in Circulation** Matthew Vechinski, 2019-10-17 Twentieth Century

American Fiction in Circulation is a study of the twentieth century linked story collection in the United States. It emphasizes how the fictional form grew out of an established publishing model: individual stories printed in magazines, revised and expanded into single author volumes that resemble novels, which creates multiple contexts for the reception of this literature. By acknowledging the prior appearance of stories in periodicals, the book examines textual variants and the role of editorial emendation, drawing on archival records, drafts, and correspondence whenever possible. It also considers how the pages of magazines create a context for the reception of short stories that differs significantly from that of the single author book. The chapters explore how short stories appearing separately then linked together excel at representing the discontinuity of modern American life, convey the multifaceted identity of a character across episodes, mimic the qualities of oral storytelling, and illustrate struggles of belonging within and across communities. The book explains the appearance and prevalence of these narrative strategies at particular cultural moments in the evolution of the American magazine, examining a range of periodicals such as *The Masses*, *Saturday Evening Post*, *Partisan Review*, *Esquire*, and *Ladies Home Journal*. The primary linked story collections studied are Sherwood Anderson's *Winesburg, Ohio* (1919), William Faulkner's *The Unvanquished* (1938), Mary McCarthy's *The Company She Keeps* (1942), John Barth's *Lost in the Funhouse* (1968), and Amy Tan's *The Joy Luck Club* (1988).

The Logophile's Orgy Lewis Burke Frumkes, 1995. For everyone who loved *The Portable Curmudgeon*, this is a fascinating collection of favorite words of great thinkers from Nobel Laureates to bestselling authors, from Jane Smiley to Robert Fulcrum. The logophiles quoted in this insightful volume share their favorite words or phrases in entries written especially for this book.

[The Ultimate Protest](#) Ray E. Boomhower, 2024-03-15. *The Ultimate Protest* Malcolm W. Browne. Thich Quang Duc and the News Photograph That Stunned the World examines how the most unlikely of war correspondents, Malcolm W. Browne, became the only Western reporter to capture Buddhist monk Thich Quang Duc's horrific self-immolation on June 11, 1963. Quang Duc made his ultimate sacrifice to protest the perceived anti-Buddhist policies of the Catholic-dominated administration of South Vietnam's president Ngo Dinh Diem. Biographer Ray E. Boomhower's *The Ultimate Protest* explores the background of the Buddhist crisis in South Vietnam in the spring of 1963 that led to Quang Duc's self-sacrifice, as well as the worldwide reaction to Browne's photograph, how it affected American policy toward Diem's government, and the role the image played in the violent coup on November 1, 1963, that deposed Diem and led to his assassination. The book also delves into the dynamics involved in covering the Vietnam War in the early days of the American presence and the pressures placed on the journalists to stop raising doubts about how the war was going. Browne and his colleague David Halberstam shared the 1964 Pulitzer Prize for international reporting for their work in Vietnam.
