Our Popular Devotions Herbert Thurston, 1901 **Sweet Devotion** Felicia Mason, 2004 When Amber Montgomery is mistakenly arrested by police chief Paul Evans they become instant adversaries But when they chaperone a church youth camping trip both find faith and the love of a lifetime The Place of Devotion Sukanya Sarbadhikary, 2015-08-07 A free ebook version of this title is available through Luminos University of California Press s new open access publishing program for monographs Visit www luminosoa org to learn more Hindu devotional traditions have long been recognized for their sacred geographies as well as the sensuous aspects of their devotees experiences Largely overlooked however are the subtle links between these religious expressions Based on intensive fieldwork conducted among worshippers in Bengal's Navadvip Mayapur sacred complex this book discusses the diverse and contrasting ways in which Bengal Vaishnava devotees experience sacred geography and divinity Sukanya Sarbadhikary documents an extensive range of practices which draw on the interactions of mind body and viscera She shows how perspectives on religion embodiment affect and space are enriched when sacred spatialities of internal and external forms are studied at once Playing with God Ozzie Ostwalt, 2016-12-16 Playing with God is a meditation on finding God and developing spirituality through the everyday joys heartaches loves and challenges that all human beings experience and endure This series of reflections began with a Lenten discipline and grew into a year long experiment wherein the author simply tried to pay attention to spiritual realities underlying mundane life God is everywhere spirituality infuses everything the divine energy that defines God is with us always These are among the truths the author wants to highlight through his reflections on developing spirituality through intentionality During his spiritual quest Ostwalt discovered that God was particularly accessible when he the author was at playeither with his family through sports through the arts or even when at play with the family dog Playing with God challenges the reader to learn to play with God by recognizing the divine that resides in our everyday activities Gods on Earth Peter van der Veer, 2020-12-17 This book is the result of the long interest in Hindu pilgrimage which was encouraged during his study of Sanskrit and Hinduism It provided a detailed historical anthropology of Ayodhya which argues that religious values can reflect political and economic processes This is Volume 59 of the London School of Economics Monographs on Social Light from Light Louis K. Dupré, James A. Wiseman, 2001 In this revised edition of a longtime bestselling Anthropology anthology of Christian mysticism editors Louis Dupre and James Wiseman bring together selections from the writings of twenty three of the most important Christian mystics from Origen of Alexandria in the third century to Thomas Merton in the twentieth This edition retains most of the authors included in the first addition but has replaced some authors from that edition with ones that will be of greater interest to readers today e g Francis and Clare of Assisi Francis de Sales and Jane de Chantal and Evelyn Underhill A general introduction discusses the place of mysticism within the Christian life as a whole while individual chapter introductions place the mystical writers in their historical context and relate their works to others in

the anthology In addition the editors have completely updated the bibliographies at the end of each chapter Students and teachers of spirituality as well as persons interested in their own spiritual growth will welcome this popular revised resource because it makes readily available in one volume major works by important Christian mystical writers Like its predecessor it is sure to be welcomed in the academic world and spiritual and devotional circles **History of the Triumphs of Our Holy** Faith Amongst the Most Barbarous and Fierce Peoples of the New World AndrŽs PŽrez de Ribas,1999 Considered by historian Herbert E Bolton to be one of the greatest books ever written in the West Andr's P rez de Ribas's history of the Jesuit missions provides unusual insight into Spanish and Indian relations during the colonial period in Northern New Spain First published in Madrid in 1645 it traces the history of the missions from 1591 to 1643 and includes letters from Jesuit annual reports and other correspondence much of which has never been found or cataloged in historical archives Daniel T Reff Maureen Ahern and Richard K Danford have now prepared the first complete scholarly and fully annotated edition of this important work in English P rez de Ribas was the first permanent missionary to the Ahome Zuaque and Yaqui Indians After fifteen years on the mission frontier he was recalled to Mexico City where he held various posts including Jesuit Provincial Addressed to novitiates ignorant of the challenges they would face in the field his Historia was a virtual textbook on missionary work in the New World Also written to encourage ongoing support of the Jesuit missions it reflected the author s deep grasp of what rhetorically soothed and moved Church and Crown officials Perhaps of greatest interest to the modern reader are P rez de Ribas s often detailed comments on indigenous beliefs and practices These firsthand observations provide a rich resource of ethnographic and historical data concerning everything from native subsistence settlement patterns and myths to the dynamics of Jesuit Indian relations The many cases of conversion that P rez de Ribas describes are especially rich in ethnographic data clarifying the values and beliefs from which the Indians were rescued History of the Triumphs is a primary document of great importance made more valuable here by an exceptionally fluid translation and painstaking annotations It will be a standard reference for all engaged in research on New Spain and a captivating read for anyone interested in this chapter of American history Devotional Theology of the Church of Rome.
